Fifty-ninth session

Agenda item 150

International convention against the reproductive cloning of human beings

Report of the Sixth Committee

Rapporteur: Ms. Anna Sotaniemi (Finland)

I. Introduction

1. The previous recommendation made by the Sixth Committee under item 150 appears in the report of the Committee contained in document A/59/516.
2. At its 76th plenary meeting, on 23 December 2004, the General Assembly, in its decision 59/547, decided, on the recommendation of the Sixth Committee, to establish a Working Group to finalize the text of a United Nations declaration on human cloning, on the basis of the draft resolution entitled “United Nations Declaration on Human Cloning” (A/C.6/59/L.26) and to report to the Sixth Committee during the fifty-ninth session.
3. The Sixth Committee resumed its consideration of the item at its 28th meeting, on 18 February 2005. The views of the representatives who spoke during the Committee’s consideration of the item are reflected in the relevant summary record (A/C.6/59/SR.28).
4. For its consideration of the item, the Committee had before it the report of the Working Group established pursuant to General Assembly decision 59/547, contained in document A/C.6/59/L.27/Rev.1, which included two draft resolutions (annexes I and II to the report) and a proposed amendment (annex III) to the draft resolution in annex II. The Chairman of the Working Group introduced the report at the 28th meeting of the Committee (see A/C.6/59/SR.28).

II. Consideration of proposals

5. At its 28th meeting, on 18 February, the Committee proceeded on the basis of the draft resolutions, entitled “United Nations Declaration on Human Cloning”, contained in annexes I and II to the report of the Working Group.

A. Motion to reverse the order of consideration under rule 131

6. The representative of Honduras, sponsor of the draft resolution contained in annex I to document A/C.6/59/L.27/Rev.1, proposed, in accordance with rule 131 of the rules of procedure, to reverse the order of consideration of the proposals before the Committee, so as to consider first the proposal contained in annex I to document A/C.6/59/L.27/Rev.1 and, second, the proposal contained in annex II to document A/C.6/59/L.27/Rev.1.¹ Statements in favour of the motion were made by the representatives of Germany, Mexico, Italy, Uganda, Nigeria and Trinidad and Tobago. Statements against the motion were made by the representatives of Belgium, Sweden, Canada, China and the Republic of Korea. Since no consensus existed on the matters under consideration, the representative of Turkey, on behalf of the States Members of the United Nations that are members of the Organization of the Islamic Conference (OIC), reserved the right of OIC countries to abstain from voting. The motion was carried by a recorded vote of 69 to 39, with 39 abstentions. The voting was as follows:

III. Recommendation of the Sixth Committee

17. The Sixth Committee recommends to the General Assembly the adoption of the following draft resolution:

United Nations Declaration on Human Cloning

The General Assembly,

Recalling its resolution 53/152 of 9 December 1998, by which it endorsed the Universal Declaration on the Human Genome and Human Rights,¹

Approves the United Nations Declaration on Human Cloning, annexed to the present resolution.

Annex

United Nations Declaration on Human Cloning

The General Assembly,

Guided by the purposes and principles of the Charter of the United Nations,

Recalling the Universal Declaration on the Human Genome and Human Rights, adopted by the General Conference of the United Nations Educational, Scientific and Cultural Organization on 11 November 1997, and in particular article 11 thereof, which states that practices which are contrary to human dignity, such as the reproductive cloning of human beings, shall not be permitted,

Recalling also its resolution 53/152 of 9 December 1998, by which it endorsed the Universal Declaration on the Human Genome and Human Rights,

Aware of the ethical concerns that certain applications of rapidly developing life sciences may raise with regard to human dignity, human rights and the fundamental freedoms of individuals,

Reaffirming that the application of life sciences should seek to offer relief from suffering and improve the health of individuals and humankind as a whole,

Emphasizing that the promotion of scientific and technical progress in life sciences should be sought in a manner that safeguards respect for human rights and the benefit of all,

Mindful of the serious medical, physical, psychological and social dangers that human cloning may imply for the individuals involved, and also conscious of the need to prevent the exploitation of women,

Convinced of the urgency of preventing the potential dangers of human cloning to human dignity,

Solemnly declares the following:

¹ *United Nations Educational, Scientific and Cultural Organization, Records of the General Conference, Twenty-ninth Session, vol. I, Resolutions, resolution 16.*

(a) Member States are called upon to adopt all measures necessary to protect adequately human life in the application of life sciences;

(b) Member States are called upon to prohibit all forms of human cloning inasmuch as they are incompatible with human dignity and the protection of human life;

(c) Member States are further called upon to adopt the measures necessary to prohibit the application of genetic engineering techniques that may be contrary to human dignity;

(d) Member States are called upon to take measures to prevent the exploitation of women in the application of life sciences;

(e) Member States are also called upon to adopt and implement without delay national legislation to bring into effect paragraphs (a) to (d);

(f) Member States are further called upon, in their financing of medical research, including of life sciences, to take into account the pressing global issues such as HIV/AIDS, tuberculosis and malaria, which affect in particular the developing countries.
