## **I. Mandate of the United Nations Voluntary Fund for Indigenous Populations**

1. The United Nations Voluntary Fund for Indigenous Populations was established pursuant to General Assembly resolution 40/131 of 13 December 1985 to assist representatives of indigenous communities and organizations to participate in the deliberations of the Working Group on Indigenous Populations of the Subcommission on Prevention of Discrimination and Protection of Minorities by providing them with financial assistance funded by means of voluntary contributions from Governments, non-governmental organizations and other private or public entities. According to the same resolution, the Secretary-General was mandated to present a biennial report to the General Assembly on the activities undertaken with the resources of the Fund, showing income and expenditure, assets and liabilities and pledges and payments received for the Fund.

2. The General Assembly extended the mandate of the Fund by resolution 50/156 of 21 December 1995 by deciding that the Fund should also be used to assist representatives of indigenous communities and organizations to participate in the deliberations of the open-ended inter-sessional Working Group of the Commission on Human Rights established by the Commission in its resolution 1995/32 of 3 March 1995, as endorsed by the Economic and Social Council in its resolution 1995/32 of 25 July 1995.

## **II. Board of Trustees**

3. The Fund is administered in accordance with the Financial Regulations and Rules of the United Nations by the Secretary-General assisted by a Board of Trustees. The mandate of the Board is to advise the Secretary-General on the administration of the Fund, through the Office of the United Nations High Commissioner for Human Rights.

4. The Board is composed of five persons with relevant experience with issues affecting indigenous populations, who serve in their personal capacity. The Board members are appointed by the Secretary-General, in consultation with the Chairperson of the Subcommission on Prevention of Discrimination and Protection of Minorities, for a three-year renewable term. At least one member is a representative of a widely recognized organization of indigenous people.

5. The five members who have been appointed by the Secretary-General for the period from 1997 to 1999, with due regard to equitable geographical distribution, are themselves indigenous people: Mr. Michael Dodson (Australia), Mr. Ole Ntimama (Kenya), Ms. Tove Petersen (Greenland/Denmark), Ms. Nina Pacari Vega (Ecuador) and Ms. Victoria Tauli-Corpuz (Philippines), who served as the Board's Chairperson at its tenth and eleventh sessions.

6. According to the criteria established by the General Assembly in resolution 40/131, the beneficiaries of assistance for the Fund are representatives of indigenous peoples' organizations and communities: (a) who are so considered by the Board of Trustees; (b) who would not, in the opinion of the Board, be able to attend the sessions of the Working Groups without the assistance provided by the Fund; and (c) who would be able to contribute to a deeper knowledge on the part of the Working Groups of the problems affecting indigenous populations and who would secure a broad geographical representation.

7. Application forms are received by the secretariat of the Fund and Board no later than 15 February; they are then evaluated, summarized and presented at the annual session of the Board.

### III. Contributions and pledges

8. In order to meet requests for financing during the current year, contributions must be paid to the Fund by March, to be available and duly recorded when the annual session of the Board of Trustees is held. Any contribution made later than March is carried over to the following year.

### **A. Financial situation of the Fund**

13. In accordance with the rules governing the United Nations voluntary trust funds, the Board, at its tenth session, had approximately US\$ 104,464 available for travel grants.

### **B. Requests for assistance**

14. The Board of Trustees considered 47 applications from indigenous communities and organizations requesting financial assistance to participate in the fifteenth session of the Working Group on Indigenous Populations, held at Geneva from 17 July to 1 August 1997, and five applications requesting financial assistance to participate in the third session of the Working Group established by the Commission on Human Rights, held at Geneva from 27 October to 7 November 1997.

### **C. Recommendations of the Board of Trustees**

15. After examining the applications the Board recommended: 22 grants, with an estimated total amount of US\$ 77,924, for representatives of indigenous communities and organizations to attend the session of the Working Group of the Subcommission (see annex I.A) and five grants, with an estimated total amount of US\$ 24,760, for representatives of indigenous

communities and organizations to attend the session of the Working Group of the Commission on Human Rights (see annex I.B).

16. As part of the reporting cycle, the Board held a meeting with interested donors, - informed the participants about recommendations adopted and answered questions.

## **D. Implementation**

17. The recommendations of the Board of Trustees were approved by the Officer-in-Charge of the Office of the United Nations High Commissioner for Human Rights. The travel grants for the beneficiaries were paid on time, to assure the participation of the beneficiaries at the sessions of the two Working Groups.

## **V. Eleventh session of the Board**

18. The eleventh session of the Board of Trustees was held at Geneva from 30 March to 1 April 1998 with the participation of Mr. Michael Dodson, Ms. Tove Petersen and Ms. Victoria Tauli-Corpuz. Mr. Ole Ntimama informed the United Nations High Commissioner for Human Rights, Mrs. Mary Robinson, that with great regret he had to resign as member of the Board. Ms. Nina Pacari Vega did not attend the Board's session. The session was opened by Mrs. Robinson.

### **A. Financial situation of the Fund**

19. According to information made available to the Board, a sufficient amount of money was available and had been authorized to implement the cost plan for expenditure envisaged for 1998 on the basis of the recommendations made by the Board in 1997. The recommendations were: to allocate about US\$ 120,000 for 30 grants to cover travel and stipend expenses for approximately 30 indigenous representatives to attend the sixteenth session of the Working Group on Indigenous Populations from 27 to 31 July 1998 and to allocate about US\$ 80,000 for approximately 20 indigenous representatives to attend the fourth session of the Working Group of the Commission on Human Rights on the elaboration of a draft declaration on the rights of indigenous peoples from 19 to 30 October 1998.

### **B. Requests for assistance**

20. The Board of Trustees considered applications from indigenous communities and organizations requesting financial assistance to participate in the sixteenth session of the Working Group on Indigenous Populations and applications requesting financial assistance to participate in the fourth session of the Working Group of the Commission on Human Rights on the elaboration of a draft declaration on the rights of indigenous peoples, which represented a total of 75 potential beneficiaries from approximately 250 indigenous communities to participate in the meetings of the two Working Groups.

### C. Recommendations of the Board of Trustees

21. After having examined the applications, the Board recommended that grants, with an estimated total amount of US\$ 144,250, be awarded to 50 representatives of indigenous communities and organizations to attend the session of the Working Group of the Subcommission (see annex II.A).
22. The Board also recommended that grants, totalling approximately US\$ 11,126, be awarded to three representatives of indigenous communities and organizations to attend the session of the Working Group of the Commission on Human Rights (see annex II.B).
23. The Board discussed the reasons why the Fund had received so few applications to participate in the deliberations of the Working Group of the Commission on Human Rights, recommended that its secretariat invite applications from organizations authorized to participate in the Working Group and extended the deadline for consideration of applications to 31 July 1998. New applications will be analysed and summarized by the secretariat; Board members will be consulted by the end of August 1998 for recommendations for grants to a maximum amount of US\$ 50,000; and the beneficiaries will be informed and their travel arrangements organized in September.
24. As part of the established practice of reporting on the use of voluntary contributions, donors were invited to attend a special one-hour meeting with the Board. The Board members expressed their gratitude to the donors for their contributions to the Fund and recommended a sustained effort and, if possible, an increase in contributions.
25. The Board members followed up on a proposal made by the United Nations High Commissioner for Human Rights to assist them in their fund-raising efforts and recommended that Mrs. Robinson send a letter of appeal to donors for additional contributions, to be paid by the end of the year, to allow the Board to further increase the number of grants and the representation of indigenous communities and organizations next year.
26. The Board encourages indigenous peoples' organizations to submit applications for the participation of indigenous experts in the "thematic field" for the seventeenth session of the Working Group on Indigenous Peoples in 1999.

### D. Implementation

27. On behalf of the Secretary-General, the United Nations High Commissioner for Human Rights approved all recommendations made by the Board of Trustees. Implementation of the recommendations began in April when travel arrangements were made allowing the beneficiaries to attend the sixteenth session of the Working Group on Indigenous Populations in July.
28. Following a request by the World Intellectual Property Organization (WIPO), the travel arrangements of the beneficiaries of travel grants from the Fund were changed to allow them also to participate in the Roundtable on Intellectual Property and Indigenous Peoples, organized by WIPO on 23 and 24 July 1998. The World Intellectual Property Organization paid for the extra days of stipend for the beneficiaries.
29. Application forms have been sent to all organizations authorized by the Committee on Non-Governmental Organizations to participate in the Working Group of the Commission on Human Rights, encouraging them to apply for funding from the Voluntary Fund.

<sup>1</sup> According to official receipt vouchers available at the Office of the United Nations High Commissioner for Human Rights.
