Between 1740 and 2100 hours on 22 March 2004, Israeli military aircraft carried out a raid over Kafr Shuba-Kafr Hammam- Shaba`-Rashayya and Habariyah, dropping 21 air-to-ground missiles, destroying the high-tension line between Kafr Shuba and Kafr Hammam.

Between 1810 and 2100 hours on 22 March 2004, Israeli enemy forces positioned in the occupied Shaba` Farms fired 155-mm artillery shells towards the Shaba`-Kafr Shuba and Habariyah, shattering windows and causing cracks in some of the houses in Kafr Shuba.

Between 1850 and 2045 hours on 22 March 2004, Israeli military aircraft overflew the occupied Shaba` Farms, thus violating Lebanese airspace.

Between 1950 and 2000 hours on 22 March 2004, two Israeli military aircraft overflew Kafr Killa, thus violating Lebanese airspace.

These grave violations are part of a continuous series of provocative Israeli violations of Lebanese airspace and territory in contravention of the principles of international law and the resolutions of international legitimacy, such that the Secretary-General of the United Nations has repeatedly called for their cessation.

In view of these violations and the stepping-up of Israeli threats to Lebanon and the safety of its territory and its citizens, Lebanon calls upon the Security Council to deter Israel from such grave acts, which constitute a threat to international peace and security. Israel must assume full responsibility for the repercussions and consequences of these acts.

In drawing your attention to the gravity and possible consequences of such acts, I request to have this letter of complaint circulated as a document of the General Assembly, under agenda item 37, and of the Security Council.
