7. Information on unpaid assessments, accounts payable to Member States and other liabilities as at 30 June 2007 is shown in the annex to the present report.

8. As indicated in paragraph 3 above, as at 30 June 2007 there was a balance of some \$181.8 million in cash available for credit to Member States from ONUCA/ONUSAL, ONUMOZ, UNAVEM/MONUA, UNIIMOG, UNIKOM, UNMIBH, UNMIH, UNMLT, UNMOT, UNOMIL, UNOMUR/UNAMIR, UNPF, UNPREDEP, UNTAES/Civilian Police Support Group and UNTAG. In his updated comprehensive report on the consolidation of peacekeeping accounts (A/62/726), the Secretary-General proposes that credits available as at 30 June 2008 in closed peacekeeping missions with cash surpluses be returned to Member States individually prior to consolidation. The Secretary-General also indicates that the consolidation of peacekeeping accounts as proposed would enable the payments in respect of certain liabilities in closed missions that are currently deferred due to lack of cash in their respective accounts. As stated in paragraph 6 above, as at 30 June 2007 there was a combined cash deficit of \$88.0 million in the accounts of MINUGUA Military Observer Group, MINURCA, UNOSOM, UNSMIH/UNTMIH/MIPONUH and UNTAC. The cash deficits arose from liabilities of \$94.1 million (comprising liabilities of \$68.2 million to troop-contributing countries, \$12.8 million to the Peacekeeping Reserve Fund, \$12.8 million to closed missions with cash surpluses and \$0.3 million in other liabilities to Member States and third parties), less cash of \$6.1 million.

9. In his detailed report on investing in the United Nations for a stronger Organization worldwide: financial management practices (A/60/846/Add.3), the Secretary-General proposed to consolidate the various peacekeeping accounts retroactively, excluding those of the United Nations Emergency Fund (UNEF), the United Nations Operation in the Congo (ONUC), the Peacekeeping Reserve Fund and the strategic deployment stocks, effective 1 July 2007. In his updated comprehensive report on the consolidation of peacekeeping accounts (A/62/726), the Secretary-General continued to consider this consolidation framework to be the preferred approach and proposed to consolidate the various peacekeeping accounts

retroactively, effective 1 July 2008, excluding those of UNEF, ONUC, the Peacekeeping Reserve Fund and the strategic deployment stocks. In the light of the overall improvement in liquidity that would flow directly from the consolidation, the Secretary-General proposed that credits available as at 30 July 2008 in closed peacekeeping missions with cash surplus be returned to Member States individually prior to consolidation. This would result in a refund to those Member States that have fully paid their assessments in respect of those missions. The consolidation of peacekeeping accounts as proposed would also enable the payments in respect of certain liabilities in closed missions that are currently deferred due to lack of cash in their respective accounts.

## **II. Action to be taken by the General Assembly**

**10. The action to be taken by the General Assembly, subject to the approval of the Secretary-General's proposal to consolidate the peacekeeping accounts effective 1 July 2008 in accordance with the framework outlined in his updated report on the consolidation of peacekeeping accounts (A/62/726), is to decide to return to Member States credits available as at 30 June 2008 in closed peacekeeping missions with cash surpluses.**
