Security Council
Seventieth year

**Protracted conflicts in the GUAM area and their
implications for international peace, security
and development**

The situation in the occupied territories of Azerbaijan

**Letter dated 7 August 2015 from the Permanent Representative of
Azerbaijan to the United Nations addressed to the Secretary-General**

Upon instructions from my Government, I have the honour to draw your attention to ongoing violations of the ceasefire by the Republic of Armenia recorded for July 2015 (see annex). During this period, in violation of Security Council resolutions 822 (1993), 853 (1993), 874 (1993) and 884 (1993), the armed forces of the Republic of Armenia continued intensive fire from their positions in the occupied territories of the Republic of Azerbaijan and from the territory of the Republic of Armenia on the positions of the armed forces of the Republic of Azerbaijan.

During the reporting period, Armenia violated the ceasefire regime 1,748 times. As a result, one Azerbaijani serviceman was killed and seven servicemen were wounded.

Azerbaijan strongly condemns the continuous attempts by Armenia to escalate the situation on the front line and its deliberate targeting of the civilian population and civilian facilities. Azerbaijan will continue to take resolute measures against and respond adequately to Armenia's ongoing aggression, violations of the ceasefire and other provocative acts.

I should be grateful if you would have the present letter and its annex circulated as a document of the General Assembly, under agenda items 33 and 38, and of the Security Council.

(Signed) Yashar Aliyev
