## Special Committee on the Charter of the United Nations and on the Strengthening of the Role of the Organization

19–27 February 2019

### Draft report

*Rapporteur:* Mr. Dié Millogo (Burkina Faso)

## II. Maintenance of international peace and security

### B. Consideration of the revised proposal submitted by Libya with a view to strengthening the role of the United Nations in the maintenance of international peace and security

1. The revised proposal submitted by Libya with a view to strengthening the role of the United Nations in the maintenance of international peace and security (see [A/53/33](#), para. 98) was referred to in general terms during the general exchange of views held at the 290th and 291st meetings of the Special Committee, on 19 February, and was considered at the 1st meeting of the Working Group of the Whole, on 20 February.

2. While several delegations reiterated their support for the continued consideration of the proposal, other delegations were of the view that the proposal was among those that duplicated revitalization efforts undertaken elsewhere within the Organization and that the relationship between the different organs within the Organization was adequately defined in the Charter and did not need further clarification by the Special Committee.

3. The sponsor was also encouraged to consider extracting those key elements of the proposal that remained valid and incorporating them into the annual General Assembly resolution on the report of the Special Committee.
