## Special Committee on the Charter of the United Nations and on the Strengthening of the Role of the Organization

18–26 February 2020

### Draft report

*Rapporteur:* Ms. Alis Lungu (Romania)

## II. Maintenance of international peace and security

### C. Consideration of the revised proposal submitted by Libya with a view to strengthening the role of the United Nations in the maintenance of international peace and security

1. The revised proposal submitted by Libya with a view to strengthening the role of the United Nations in the maintenance of international peace and security (see [A/53/33](#), para. 98) was referred to in general terms during the general exchange of views held at the 293rd and 294th meetings of the Special Committee, on 18 February, and was considered at the 1st meeting of the Working Group of the Whole, on 19 February.

2. Several delegations reiterated their support for the continued consideration of the proposal. They called on the sponsor delegation, inter alia, to consider extracting those key elements of the proposal that remained valid with a view to incorporating them into a recommendation of the Special Committee for the annual General Assembly resolution on the report of the Special Committee.

3. Other delegations were of the view that the proposal was among those that duplicated revitalization efforts undertaken elsewhere within the Organization and that it did not address a clear need since the relationship between the different organs within the Organization was adequately defined in the Charter and did not require further clarification by the Special Committee.
