Rapporteur: Ms. Gloria **Dakwak** (Nigeria)

IV. *Repertory of Practice of United Nations Organs and Repertoire of the Practice of the Security Council*

The Special Committee recommends that the General Assembly:

(a) Commend the Secretary-General for the progress made in the preparation of studies for the *Repertory of Practice of United Nations Organs*, including the use of the internship programme of the United Nations and cooperation with academic institutions for this purpose, as well as the progress made towards updating the *Repertoire of the Practice of the Security Council*;

(b) Further encourage Member States to identify academic institutions that have the capacity to contribute to the preparation of studies for the *Repertory* and to provide the contact details of such institutions, and in this regard further welcome the initiative of the Secretariat also to invite members of the International Law Commission to recommend academic institutions that the Secretariat could contact for this purpose;

(c) Note with appreciation the contributions made by Member States to the trust fund for the elimination of the backlog in the *Repertory* and to the trust fund for the updating of the *Repertoire*, as well as other contributions, including the sponsoring of associate experts to assist in the updating of the *Repertoire*;

(d) Reiterate its call for voluntary contributions to the trust fund for the elimination of the backlog in the *Repertory* so as to further support the Secretariat in carrying out the effective elimination of that backlog; voluntary contributions to the trust fund for the updating of the *Repertoire* so as to sustain the annual publication schedule; and the sponsoring, on a voluntary basis and with no cost to the United Nations, of associate experts to assist in the updating of the two publications;

(e) Call upon the Secretary-General to continue his efforts towards updating the two publications and making them available electronically in all their respective language versions, and encourage the continued updating of the websites for the *Repertory*¹ and for the *Repertoire*;²

(f) Note with concern that the backlog in the preparation of all volumes of the *Repertory*, in particular volume III, although slightly reduced, has not been eliminated, and call upon the Secretary-General to address that issue effectively and on a priority basis, while commending the Secretary-General for progress made in reducing the backlog;

(g) Reiterate the responsibility of the Secretary-General for the quality of the *Repertory* and the *Repertoire*, and with regard to the *Repertoire* call upon the Secretary-General to continue to follow the modalities outlined in paragraphs 102 to 106 of his report dated 18 September 1952.³
