qui requièrent l'attention du Conseil**

## **Note verbale datée du 11 juin 2021, adressée au Haut-Commissariat des Nations Unies aux droits de l'homme par la Mission permanente de l'Arménie auprès de l'Office des Nations Unies à Genève**

La Mission permanente de la République d'Arménie auprès de l'Office des Nations Unies et des autres organisations internationales à Genève transmet ci-joint une déclaration du Ministère des affaires étrangères de la République d'Arménie au sujet de l'ouverture, à Bakou, d'un « parc des trophées » arménophobe (voir annexe).

La Mission permanente de l'Arménie prie le Haut-Commissariat des Nations Unies aux droits de l'homme de bien vouloir faire distribuer le texte de la présente note verbale et de son annexe\* en tant que document du Conseil des droits de l'homme, au titre du point 4 de l'ordre du jour.

**Annex to the note verbale dated 11 June 2021 from the Permanent Mission of Armenia to the United Nations Office at Geneva addressed to the Office of the United Nations High Commissioner for Human Rights**

**Statement of the MFA of Armenia dated 13 April 2021 on opening of the “park” in Baku dedicated to Artsakh war**

On April 12, with the participation of the President of Azerbaijan a “park” dedicated to Artsakh war was opened in Baku, where along with the Armenian military equipment the mannequins of the servicemen of the Armenian armed forces, personal belongings of the soldiers of Armenia and Artsakh and the helmets of killed Armenian servicemen were displayed. The opening ceremony of the “park” and the remarks of the President of Azerbaijan demonstrate that the above-mentioned action is aimed at publicly degrading the memory of the victims of the war, missing persons and prisoners of war, violating the rights and dignity of their families.

At a time when the consequences of the war unleashed by Azerbaijan against Artsakh haven’t been fully addressed, when numerous Armenian prisoners of war are being held in Azerbaijani captivity, with the organization of such an “exhibition” wrapped in the elements of marauding, Azerbaijan is finally consolidating its position as a global center of intolerance and xenophobia. Such anti-human behavior of the Azerbaijani high-ranking leadership is more vocal than any statement or PR-campaign on peace, tolerance and multiculturalism.

On one hand, the Azerbaijani leadership is making observations about possible revanchisme on the part of Armenia, and on the other hand, with such exhibition, attempts to perpetuate the revanchisme, inhumanity and interethnic hatred. Such steps manifest how far the Azerbaijani leadership stands from its own declarative statements on the “post-conflict” situation, regional peace and reconciliation.
