亚美尼亚常驻联合国日内瓦办事处代表团 2023 年 2 月 24 日  
致联合国人权事务高级专员办事处普通照会的附件

**Comment of the Press Secretary of the MFA of Armenia dated 19  
January 2023 on the psychological terror and violation of rights of  
Armenian children by Azerbaijan**

We are shocked by the inadmissible attitude of the Azerbaijani side towards the children returning to Nagorno-Karabakh on January 17, who were deprived of their parental care and separated from their families for about 40 days as a result of the blockade of the Lachin Corridor.

As can be clearly seen in the videos published by the Azerbaijani side, the "eco-activists" conducting themselves as terrorists, halted the vehicle transporting the children home to Nagorno-Karabakh through the Lachin Corridor, shouted demonstratively, broke into the vehicle wearing masks, illegally filmed the children and subjected them to psychological violence: as a result of all this, the children were subjected to psychological terror, leading to one of them fainting.

These actions of the Azerbaijani side are vivid examples of the state-level policy of hatred and hostility towards Armenians and the displacement of Armenians of Nagorno-Karabakh - even at the level of targeting children. Such behaviour has no justification in both international legal and human-moral dimensions.

International organisations and institutions responsible for protecting children's rights, representatives of civilised humanity should provide a clear assessment of this reprehensible behaviour of the Azerbaijani side in order to prevent similar incidents from occurring in the future.
