

paragraphs (a), (b) or (c) of this annex, whichever is applicable."

Add a new paragraph (f) to read:

"A staff member whose appointment is terminated for reasons of health shall receive the termination indemnity set out in this annex, to the extent that the amount of the termination indemnity, when added to the annual amount of the disability benefit payable to him under the Regulations of the Joint Staff Pension Fund, does not exceed one year's salary."

Regulation 9.4 and annex IV (Repatriation grant and service benefit)

Replace the present text of regulation 9.4 by the following:

"The Secretary-General shall establish a scheme for the payment of repatriation grants or service benefits within the maximum rates and under the conditions specified in annex IV to the present regulations."

Renumber the repatriation grant provision as paragraph 1 of annex IV and replace the first sentence of that provision by the following text:

"In principle, the repatriation grant shall be payable to staff members whom the Organization is obligated to repatriate, except staff members on temporary appointments for a fixed term entitled to a service benefit. Neither repatriation grant nor service benefit shall be paid to a staff member who is summarily dismissed."

Insert as paragraph 2 in annex IV a new provision entitled "Service benefit", as follows:

"(a) If his letter of appointment so indicates, a staff member who has served at least one year on a temporary appointment for a fixed term shall receive upon separation a service benefit at the rate of 4 per cent of salary during service in his home country and at the rate of 8 per cent of salary during service outside his home country, for each year of service.

"(b) Should such a staff member, without break in service, be granted a probationary or permanent appointment, or complete five years of qualifying service on temporary appointment for a fixed term, he shall lose entitlement to the service benefit.

"(c) Service for calculation of the service benefit shall mean service subsequent to the entry of this provision in the letter of appointment."

B

The General Assembly,

Believing it desirable that, as far as practicable, there should be a common system relating to salaries, allowances and benefits of the United Nations and of the specialized agencies and that, in particular, staff serving the United Nations and the specialized agencies in the same centres should be governed, as a general rule, by similar standards of salary and related benefits,

4. *Requests* the Secretary-General to apply, to the members of the staff of the United Nations serving in the headquarters area of a specialized agency which has adopted the post adjustment system recommended by the Salary Review Committee and approved by the General Assembly, the class of post adjustment set by that agency, for that area;

1096 (XI). Submission of revised budget estimates

The General Assembly,

Believing it desirable to minimize the number of requests for additional appropriations submitted after the Secretary-General has circulated his annual main budget estimates,

(b) Those in respect of projects which the Secretary-General certifies to be of the highest urgency and which could not have been foreseen at the time the main budget estimates were circulated;

(c) Those in respect of decisions of the Security Council, the Economic and Social Council or the Trusteeship Council, provided that such requests are circulated to the Governments of Member States not later than twenty-one days before the opening date of the General Assembly session;

(d) Those in respect of decisions adopted by the General Assembly, either without reference to a Main Committee or on the recommendation of such a Committee.
