The General Assembly,

Noting with deep concern the increased measures of censorship imposed by the racist régime of South Africa upon the local and international media with respect to all aspects of the policies and practices of *apartheid* and developments in Namibia,

Aware of the increasingly important role being played in the widespread dissemination of relevant information by a number of non-governmental organizations having a special interest in decolonization, and noting with satisfaction the intensified efforts of the Special Committee in enlisting the support of those organizations in that regard,

1. *Approves* the chapter of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples relating to the dissemination of information on decolonization and publicity for the work of the United Nations in the field of decolonization;

2. *Considers* it incumbent upon the United Nations to continue to play an active role in the process of self-determination and independence and to intensify its ef-

forts for the widest possible dissemination of information on decolonization, with a view to the further mobilization of international public opinion in support of complete decolonization;

3. *Requests* the Secretary-General, having regard to the suggestions of the Special Committee, to continue to take concrete measures through all the media at his disposal, including publications, radio and television, to give widespread and continuous publicity to the work of the United Nations in the field of decolonization, and, *inter alia*:

(a) To continue, in consultation with the Special Committee, to collect, prepare and disseminate basic material, studies and articles relating to the problems of decolonization and, in particular, to continue to publish the periodical *Objective: Justice* and other publications, special articles and studies, including the *Decolonization* series, and to select from them appropriate material for wider dissemination by means of reprints in various languages;

(b) To seek the full co-operation of the administering Powers concerned in the discharge of the tasks referred to above;

(c) To intensify the activities of all United Nations information centres;

(d) To maintain a close working relationship with the Organization of African Unity by holding periodic consultations and by systematically exchanging relevant information with that organization;

(e) To enlist, with the close co-operation of United Nations information centres, the support of non-governmental organizations having a special interest in decolonization in the dissemination of the relevant information;

(f) To continue to provide full press release coverage for all meetings of the Special Committee and its subsidiary bodies;

(g) To ensure the availability of the necessary facilities and services to that end;

(h) To report to the Special Committee on the measures taken in implementation of the present resolution;

4. *Requests* all States, in particular the administering Powers, the specialized agencies and other organizations of the United Nations system and non-governmental organizations having a special interest in decolonization to undertake or intensify, in co-operation with the Secretary-General and within their respective spheres of competence, the large-scale dissemination of the information referred to in paragraph 2 above;
