Item 10 of the provisional agenda

ECONOMIC, SOCIAL AND CULTURAL RIGHTS

**Effects of structural adjustment policies and foreign debt on the full enjoyment
of all human rights, particularly economic, social and cultural rights**

Note by the secretariat

1. Pursuant to Commission on Human Rights resolution 2003/21, the independent expert on the effects of structural adjustment policies and foreign debt on the full enjoyment of all human rights, particularly economic, social and cultural rights planned, in consultation with the relevant authorities, an official visit to Kyrgyzstan. Originally proposed for dates in late 2003 or early 2004, the independent expert had intended to submit his report on the mission to the sixtieth session of the Commission.
2. However, following the postponement of the visit to an undetermined future date, this report will now be submitted to the Commission at its sixty-first session in 2005, pending completion of the visit within the relevant time limit.
