**Report of the Representative of the Secretary-General on the human rights of internally

**Addendum**

**Note by the Secretariat**

The Representative of the Secretary-General on the human rights of internally displaced persons had planned to undertake an official visit to Nepal before the beginning of the sixty-first session of the Commission and to submit his report on the mission for the present session. However, the Government of Nepal only recently accepted the mission; and the Representative therefore intends to undertake the mission as soon as possible, and will submit a written report to the Commission at its sixty-second session.
