COMMISSION ON HUMAN RIGHTS

SECOND SESSION

Amended Text of Draft Resolution on Stateless Persons
(Document E/CN.4/56)

Submitted by the Representative of Belgium

"The Commission on Human Rights recommends that early consideration be given by the United Nations to the legal status of persons who do not enjoy the protection of any Government, in particular, pending the acquisition of nationality, as regards their legal and social protection and their documentation.

It is recommended that such work should be undertaken in consultation with specialized agencies at present assuming the protection of some categories of persons not enjoying the protection of any Government and that due regard should be paid to relevant International Agreements and Conventions."
