Annotations to the provisional agenda

Item 1. Opening of the informal meeting

1. The meeting will be opened by the Chairperson of the fifty-eighth session of the Commission who will make an introductory statement. A statement will also be made by the High Commissioner for Human Rights, following which the Chairperson will make a substantive statement.

Item 2. Implementation of Commission decision 2000/109

Legislative authority

2. At its fifty-sixth session, in decision 2000/109 of 26 April 2000, entitled “Enhancing the effectiveness of the mechanisms of the Commission on Human Rights”, the Commission requested the Chairperson to convene a one-day informal meeting of the Commission in late September each year to facilitate exchange of information in advance of the General Assembly.

3. In the same decision the Commission decided to approve and implement comprehensively and in its entirety the report of its inter-sessional open-ended working group on enhancing the effectiveness of the mechanisms of the Commission (E/CN.4/2000/112). The attention of the Commission is drawn to paragraphs 33 and 34 of the above-mentioned report, which read as follows:

“The cycle of meetings (the Commission session in spring; the United Nations General Assembly in autumn) is such that the Third Committee of the General Assembly is well placed to consider developments in the interim since the Commission session. Given the significant overlap both in agenda and in attendance between the Commission and the Third Committee, the Working Group considers that there is scope for a more dynamic sense of connection between the two. In particular, the Group recognizes the rationale for some form of enhanced preparation in Geneva so as to ensure that all delegations have relevant information available to them in their preparations for the Third Committee.

“The Working Group therefore recommends that the Chairperson of the Commission should convene a one-day informal meeting of the Commission in late September each year specifically to facilitate exchange of information in advance of the General Assembly. The meeting, which would not have a formal outcome, would have an agenda comprising those issues which had been dealt with at the previous Commission session and which were also on the provisional agenda for the Third Committee. Each item would be focused on briefly, with information from the Secretariat on any developments since the Commission session, and an opportunity for comment by government representatives, including any indication of intentions for tabling resolutions in the Third Committee.”
