**Enclosure****The Cooperative Republic of Guyana: report to the Counter-Terrorism Committee pursuant to paragraph 6 of Security Council resolution 1373 (2001) of 28 September 2001**

In the aftermath of the events perpetrated by terrorists on 11 September 2001, the Government of Guyana has pledged to participate fully in international efforts to combat the incidence and effect of terrorist activities. It will continue to participate actively in counter-terrorism activities within the region and the hemisphere. At the Caribbean Community (CARICOM) special session in the Bahamas in October 2001, the Heads of Government reaffirmed their commitment to work with the international community in the fight against terrorism in accordance with international law and conventions. Member States have also committed themselves to fulfilling individual and collective obligations under Security Council resolutions, to enhancing existing national legislation relating to security in all its dimensions and to the enactment of new laws.

Within the hemisphere, Guyana has supported the resolution adopted by the Organization of American States condemning the attack. The resolution committed hemispheric Governments to strengthen cooperation to prevent, combat and eliminate terrorism in the hemisphere.

**Subparagraph (a) — What measures, if any, have been taken to prevent and suppress the financing of terrorist acts in addition to those listed in your responses to questions on 1 (b) to (d)?**

**Subparagraph (d) — What measures exist to prohibit the activities listed in this subparagraph?**

Section 7 of the Immigration Act provides that every person arriving in Guyana by crossing a land frontier of Guyana shall appear before the nearest immigration office. As far as arrival by sea and air is concerned, the Act stipulates that no person can disembark without the consent of an immigration officer.

The Act also provides that any person arriving or departing shall answer truthfully all questions put to him/her by an immigration officer to establish his/her identity, nationality, etc.

Anyone who fails to comply with any provisions of the Immigration Act will be guilty of an offence and can be prevented from entering Guyana.

Under Section 16 of the Immigration Act, immigration officers have the power to decide whether an immigrant is a prohibited immigrant and may at his/her discretion —

law and to safeguard and protect the security of our borders, coastlines and airspace. It fully supported the Commonwealth Secretary-General's initiative to establish a Commonwealth Committee on Terrorism.
