Twenty-first Meeting
New York, 13-17 June 2011

Decision on the adjustment mechanism for the remuneration of members of the International Tribunal for the Law of the Sea

The Meeting of States Parties,

Considering that, in respect of the level of remuneration of the members of the International Tribunal for the Law of the Sea, the fourth Meeting of States Parties decided to maintain equivalence with the remuneration levels of members of the International Court of Justice,

Considering also that the General Assembly, in its decision 62/547 of 3 April 2008, decided to set, effective 1 April 2008, the annual net base salary of the members of the International Court of Justice at 158,000 United States dollars, with a corresponding post adjustment multiplier equal to 1 per cent of the net base salary, to which would be applied the post adjustment multiplier for the Netherlands, as appropriate, taking into account the adjustment mechanism as proposed by the Secretary-General in paragraph 77 of his report,¹

Considering further that the adjustment mechanism adopted by the General Assembly in its decision 62/547 provides that “on the occasion of future revisions to the base scale applicable to staff in the Professional and higher categories that are effected through the consolidation of post adjustment multiplier points into the base scale with a corresponding readjustment in the post adjustment multipliers, the annual base salary of the members of the International Court of Justice also be adjusted by the same percentage and at the same time”,

Acting in accordance with the statute of the Tribunal,

Decides that, on the occasion of future revisions to the base scale applicable to staff of the United Nations in the Professional and higher categories that are effected through the consolidation of post adjustment multiplier points into the base scale with a corresponding readjustment in the post adjustment multipliers, the annual base salary of the members of the Tribunal also be adjusted by the same percentage and at the same time as in the case of judges of the International Court of Justice.
