Original: English/French

**Twenty-sixth Meeting**  
New York, 20-24 June 2016

### Appointment of Auditor for the financial years 2017-2020

#### Presented by the Tribunal

1. Pursuant to Regulation 12.1 of the Financial Regulations of the Tribunal:

The Meeting of States Parties shall appoint an Auditor, which may be an internationally recognized firm of auditors, an Auditor General or an official of a State Party with an equivalent title. The Auditor shall be appointed for a period of four years and its appointment may be renewed. The Tribunal may make proposals regarding the appointment of the Auditor.

2. In order to enable the Tribunal to make proposals regarding the appointment of an auditor, seven internationally recognized firms of auditors with offices in Germany (Baker Tilly Roelfs, BDO, Deloitte, Ernst & Young, KPMG, PricewaterhouseCoopers and Warth & Klein Grant Thornton) and two German companies (Roedl & Partner and Ebner Stolz) were contacted by the Registry. In November 2015, the Registry sent those firms a request for quotation together with a scope of audit (annex I). Since the Tribunal has no internal audit service, the request for quotation included a provision for an interim audit every two years, that is, in 2018 and 2020, as well as a provision for the audit of the cash surplus.

3. Except for Deloitte, Roedl & Partner and Ebner Stolz, all firms responded to the request, and the quotations received by the Registry are as follows:

<i>Audit firm</i>	<i>Total (including expenses, excluding VAT) 2017-2018</i>	<i>Total (including expenses, excluding VAT) 2019-2020</i>
	<i>(euros)</i>	
Baker Tilly Roelfs	12 000	12 000
BDO	11 600	11 600
Ernst & Young	27 500	27 500
KPMG <sup>a</sup>	19 845	16 695
PricewaterhouseCoopers	23 000	23 000
Warth & Klein Grant Thornton	22 500	22 500

<sup>a</sup> The proposed fees of KPMG for the financial period 2017-2018 include fees for the audit of the 2015-2016 cash surplus, the 2017-2018 interim audit, the audit of the 2017-2018 financial statements and the audit of the 2017-2018 cash surplus, while the proposed fees for the financial period 2019-2020 include only the fees for the 2019-2020 interim audit and the audit of the 2019-2020 financial statements.

4. The Registry evaluated the tenders received, taking into account the technical ability to perform the audit in accordance with generally accepted common auditing standards, the interest of the Tribunal and the best value for the money.

5. The Registry concluded that all six tenders met the requirements for performing the audit of the accounts of the Tribunal, as specified in annex II.

6. The amount of €19,145 has been included in the draft budget proposals of the Tribunal for 2017-2018 for the 2017-2018 audit, on the basis of the average of the six quotations selected in paragraph 5. The amount will be adjusted according to the decision taken by the Meeting of States Parties.

7. It may be noted that the following Auditors were previously selected to conduct the audit of the financial statements of the Tribunal:

<i>Financial period</i>	<i>Firm</i>	<i>Cost</i>
1996/97	Arthur Andersen	\$13 000
1998	Arthur Andersen	\$13 000

2013-2014	Ernst & Young	€20 000
2015-2016	Ernst & Young	€20 800

8. At its forty-first session, the Tribunal examined the quotations and the evaluation carried out by the Registry and decided to transmit that information to the Meeting of States Parties for its consideration, should the Meeting decide to appoint an internationally recognized firm of auditors as Auditor for the financial periods 2017-2018 and 2019-2020.

## Annex I

### Request for quotation

**9 November 2015**

The International Tribunal for the Law of the Sea is an independent international organization that has been established by the United Nations Convention on the Law of the Sea, with its seat in Hamburg, Germany. The Tribunal started its operation in October 1996.

The Tribunal has a biennial budget of approximately €20 million. Its budget is financed from the contributions paid by the States Parties to the Convention.

Pursuant to regulation 11.4 of the Financial Regulations of the Tribunal, “[t]he accounts for the financial period shall be submitted by the Registrar to the Auditor not later than 31 March following the end of the financial period.”

Pursuant to regulation 12.1 of the Financial Regulations of the Tribunal, “[t]he Meeting of States Parties shall appoint an Auditor, which may be an internationally recognized firm of auditors or an Auditor General or an official of a State Party with an equivalent title. The Auditor shall be appointed for a period of four years and its appointment may be renewed. The Tribunal may make proposals regarding the appointment of the Auditor.”

A decision regarding the appointment of an auditor for the financial periods 2017-2018 and 2019-2020 will be taken by the Meeting of States Parties to the Convention (166 States and the European Union) in June 2016.

We kindly request you to send us a quotation by 31 December 2015 for audits of the Tribunal’s financial periods 2017-2018 and 2019-2020.

The whole process of audit consists of three steps: interim audit in 2018 and 2020, audit of the financial records in 2019 and 2021 and audit of the cash surplus in 2018 and 2020.

The quotation should include all costs related to the audit of the financial records, e.g. remuneration, travel, per diem, disbursements, etc., which will take place after the end of the financial period concerned (i.e., 2019 and 2021).

As we contemplate interim audits of the financial records and administrative procedures covering the records for the years 2017 and 2019, the quotation should also include the interim audits which will take place in 2018 and 2020.

In addition, the quotation should further include the audit of the cash surplus relating to the financial periods 2015-2016 and 2017-2018. Under the Financial Regulations and Rules of the Tribunal, the cash surplus is established one year after the closing of the financial period to which it relates, i.e. in 2018 (for the financial period 2015-2016) and 2020 (for the financial period 2017-2018).

The financial statements of the Tribunal will cover the two financial periods ending 31 December 2018 and 31 December 2020. The audited financial statements and the audit reports must be prepared after the end of the financial period and presented to the Tribunal during its administrative sessions. These sessions are to be held in March 2019 and March 2021.

On the basis of the above, the audit schedule for the financial periods 2017-2018 and 2019-2020 will be as follows:

**2017-2018**

- Audit of the cash surplus for 2015-2016: to be completed by mid-February 2018
- Interim audit for 2017: April/May 2018
- Audit for 2017-2018: to be completed by mid-February 2019
- Audit of the cash surplus for 2017-2018: to be completed by mid-February 2020

**2019-2020**

- Interim audit for 2019: April/May 2020
- Audit for 2019-2020: to be completed by mid-February 2021

The scope of the audit is defined in the enclosure accompanying the present letter (see enclosure).
