1 July 1980

The Secretary
United Nations Trusteeship Council
New York, N.Y.

Dear Sir,

The Council of the City of Fitzroy wishes to advise you of its support for the residents of Palau, in the Carolines, who wish to achieve self-determination with a nuclear-free constitution.

The Council believes that the Government of the United States of America is hindering the residents' attempts to achieve self-government and objects most strongly to any infringement on the democratic rights of the people of Palau.

For and on behalf of the Council of the City of Fitzroy.

Yours faithfully,

(Signed) J. JAMES
Town Clerk
