26. The Meeting of the High Contracting Parties took note of the report on the implementation of the Plan of Action to Promote the Universality of the Convention and emphasized the importance of achieving universal adherence to, and compliance with, the Convention, the amendment to its Article 1, and its annexed Protocols. In particular, the Meeting expressed its satisfaction at the steps undertaken for the implementation of the Plan of Action to Promote the Universality of the Convention and its annexed Protocols. The Meeting urged all States that had not yet done so to become parties as soon as possible to the Convention, the amendment to its Article 1, and its annexed Protocols, pursuant to Article 4 of the Convention, and that all States respect and ensure respect for the provisions of these Protocols.

27. The Meeting also recommended that the Secretary-General of the United Nations, as Depositary of the Convention and its annexed Protocols, and the Chairperson, on behalf of the High Contracting Parties, exercise their authority to achieve the goal of universality of the Convention and its annexed Protocols. To this effect, the Meeting requested the Chairperson to consider reporting to the sixty-fourth session of the United Nations General Assembly on his endeavours.
