1. The General Assembly, in paragraph 9 of its resolution 63/42 of 2 December 2008, requested the Secretary-General of the United Nations, in accordance with Article 12, paragraph 1, of the Convention on the Prohibition of the Use, Stockpiling, Production and Transfer of Anti-Personnel Mines and on Their Destruction, *inter alia*, to undertake the preparations necessary to convene the next Review Conference of the States Parties. A breakdown of these costs is provided in the attached table. It should be noted that the costs are estimated on the basis of past experience and anticipated workload. parties to this Convention participating therein, in accordance with the United Nations scale of assessment adjusted appropriately”.

4. Since preparations for the Review Conference of the States Parties will involve costs that will need to be defrayed beforehand, and as the holding the meeting shall have no financial implications for the regular budget of the United Nations, the Secretariat will prepare and issue assessment notices as soon as the States Parties have accepted the attached estimated costs in accordance with the established practice.

5. The States Parties should proceed with the payment of their assessed share of the estimated costs as soon as the assessments notices have been received.

6. Finally, it should be noted that the Government of Colombia will make available at its cost such conference space and facilities as are necessary for the holding of the Second Review Conference on the basis of a separate agreement with the United Nations.
