ENGLISH ONLY

**Third Meeting
Geneva, 5-9 December 2005**

**Meeting of Experts
Geneva, 13-24 June 2005**

Item 5 of the provisional agenda

Consideration of the content, promulgation, and adoption of codes of conduct for scientists

**Relevant Organisations, Associations, Professional Bodies and Institutions
Which Might Serve as Sources of Guidance on the Formulation of Codes of
Conduct and as Agents for Adopting and Promulgating Such Codes**

Background Paper prepared by the Secretariat¹

*/ Re-issued for technical reasons.

¹/ This background paper has been prepared at the request of the Chairman. The contents of the paper are intended to be indicative rather than exhaustive, and to provide an overview and starting point for States Parties who may wish to conduct further research. Comments, additions and corrections from States Parties are welcome.
