I. INTRODUCTION

1. Article 13 of Amended Protocol on Prohibitions or Restrictions on the Use of Mines, Booby-Traps and Other Devices (Amended Protocol II) adopted on 3 May 1996 by the Review Conference of the States Parties to the Convention on Prohibitions or Restrictions on the Use of Certain Conventional Weapons Which May Be Deemed to Be Excessively Injurious or the Have Indiscriminate Effects (CCW), provides for a conference of States Parties to that Protocol to be held annually for the purpose of consultations and cooperation on all issues relating to the Protocol.

2. In its resolution 55/37, adopted on 20 November 2000, the General Assembly of the United Nations welcomed the convening, from 11 to 13 December 2000, of the Second Annual Conference of States Parties to Amended Protocol II, in accordance with article 13 thereof, and called upon all States Parties to Amended Protocol II to address at this meeting, inter alia, the issue of holding the third annual conference in 2001.

3. In accordance with operative paragraph 3 of United Nations General Assembly resolution 55/37, the Second Annual Conference, which was held from 11 to 13 December 2000 in Geneva, addressed the issue of holding the Third Annual Conference in 2001 and decided to convene it on 10 December 2001 in Geneva. The Conference also decided that a preparatory meeting for the Third Annual Conference was not required. The Conference agreed to recommend to the Third Annual Conference a provisional agenda as contained in Annex VII of the Final Document of the Conference (CCW/AP.II/CONF.2/1). It also approved the estimated costs for the Third Annual Conference (CCW/AP.II/CONF.2/1, Annex VIII).

II. ORGANIZATION OF THE THIRD ANNUAL CONFERENCE

4. The Third Annual Conference was opened on 10 December 2001 by the Vice-President of the Second Annual Conference, Ambassador Chris C. Sanders of the Netherlands.

5. At its first meeting, on 10 December 2001, the Conference elected by acclamation Ambassador Christian Faessler of Switzerland as President of the Third Annual Conference.

It also elected Ambassador Sha Zukang of China and the Chargé d'Affaires László Horváth of Hungary as Vice-Presidents.

6. Also at its first meeting, the Conference appointed Mr. Vladimir Bogomolov, Political Affairs Officer, Department for Disarmament Affairs, Geneva Branch, as Secretary-General of the Conference. Mr. Jerzy Zaleski, Political Affairs Officer, Department for Disarmament Affairs, Geneva Branch, served as Secretary of the Third Annual Conference. He was assisted by Mr. Ye Min Than, Professional Assistant.

7. The following 45 States which have notified the Depositary of their consent to be bound by Amended Protocol II participated in the work of the Conference: Argentina, Australia, Austria, Bangladesh, Belgium, Bolivia, Brazil, Bulgaria, Canada, China, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Guatemala, Holy See, Hungary, India, Ireland, Israel, Italy, Japan, Jordan, Liechtenstein, Lithuania, Luxembourg, Monaco, the Netherlands, New Zealand, Norway, Pakistan, Peru, Philippines, Republic of Korea, Slovakia, South Africa, Spain, Sweden, Switzerland, Ukraine, the United Kingdom of Great Britain and Northern Ireland, and the United States of America.

8. The following three Signatory States, Egypt, Morocco and Turkey, also participated in the work of the Conference.

9. The following 17 States not parties to Amended Protocol II participated as observers: Albania, Chile, Cuba, Cyprus, Dominican Republic, Kuwait, Latvia, Malta, Mexico, Mozambique, Oman, Poland, Russian Federation, Singapore, Sri Lanka, Thailand and Tunisia.

### III. WORK OF THE THIRD ANNUAL CONFERENCE

12. At its first plenary meeting, on 10 December 2001, the Conference adopted its agenda, as contained in Annex I, and noted that the Rules of Procedure for Annual Conferences of the States Parties to Amended Protocol II, adopted at the First Annual Conference held in 1999, together with the statement of the President which had been made in connection with the adoption of these Rules of Procedure, were applicable, *mutatis mutandis*, to the Third Annual Conference.

14. Also at that meeting the Conference decided to conduct its work in plenary meetings.

15. The following delegations took part in the general exchange of views: Australia, Bangladesh, Belgium (on behalf of the European Union and associated States), Canada, Chile, China, Denmark, Germany, India, Japan, Pakistan, Peru, Republic of Korea, Russian Federation, Switzerland, Ukraine and the United States of America. During the exchange of views, delegations reviewed the operation and status of the Amended Protocol II. The representative of the International Campaign to Ban Landmines also made a statement. The statements made during the general exchange of views are reflected in the summary records of the Conference, which will be issued at a later date, as part of the final document of this Conference.

16. In accordance with paragraph 4 of Article 13 of the Protocol, the Conference had before it 38 national annual reports from the following States: Australia, Austria, Belgium, Bulgaria, Brazil, Canada, China, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, India, Ireland, Israel, Italy, Japan, Lithuania, Luxembourg, Monaco, New Zealand (2), Norway (2), Pakistan, Peru, Philippines, Republic of Korea, Slovakia, Sweden, Switzerland, The Netherlands, Ukraine, United Kingdom of Great Britain and Northern Ireland, and United States of America. The reports contained information on:

- (c) steps taken to meet technical requirements of the Protocol and any other relevant information pertaining thereto;
- (d) legislation related to the Protocol;
- (e) measures taken on international technical information exchange, on international cooperation on mine clearance, and on technical cooperation and assistance; and
- (f) other relevant matters.

17. To facilitate the discussions on agenda item 9, entitled "Consideration of matters arising from reports by High Contracting Parties according to paragraph 4 of Article 13 of the Amended Protocol II", the delegation of Switzerland submitted a working paper "Synopsis of the National Annual Reports" (CCW/AP.II/CONF.3/ WP.1), which was welcomed by the participants and which is attached to the Report as Annex II.

#### IV. CONCLUSIONS AND RECOMMENDATIONS

18. At its 2nd meeting, on 10 December 2001, the Conference decided to issue an appeal to all States that had not yet done so to take all measures to accede to the Amended Protocol II as soon as possible. The appeal is contained in Annex III.

19. The Conference recommended that the Secretary-General, as Depositary of the Amended Protocol II, and the President of the Conference, on behalf of the States Parties, exercise their authority to achieve the goal of universality of the Amended Protocol II. To this effect, the Conference requested the President to consider reporting to the 57th session of the United Nations General Assembly on his endeavours. The Conference also called on the States Parties to promote wider adherence to the Amended Protocol II in their respective regions.

20. In accordance with operative paragraph 3 of the United Nations General Assembly resolution 56/28, the Conference addressed the issue of holding the Fourth Annual Conference in 2002 and decided that the issues of the dates and duration would be addressed at the Second Review Conference of the States Parties to the CCW. The Conference decided that a preparatory meeting for the Fourth Annual Conference was not required. The Conference agreed to recommend to the Fourth Annual Conference a provisional agenda, as contained in Annex IV. It also considered the estimated costs of the Fourth Annual Conference and recommended them for adoption at the time of the Conference in 2002 (Annex V).

21. At its final meeting, on 10 December 2001, the Third Annual Conference adopted its report and requested the President to present this report to the Second Review Conference of States Parties to the Convention on Prohibitions or Restrictions on the Use of Certain Conventional Weapons Which May Be Deemed to Be Excessively Injurious or to Have Indiscriminate Effects (CCW) to be held from 11 to 21 December 2001 at Geneva.

ANNEX III

An Appeal of the States Parties to Amended Protocol II  
to the CCW on the Occasion of the Third Annual Conference

We, the States which have notified the Depositary of their consent to be bound by Amended Protocol II to the CCW, meeting in Geneva on 10 December 2001 for our Third Annual Conference:

*Bearing in mind* the important contribution of Amended Protocol II to international efforts to alleviate the suffering caused by certain conventional weapons which may be deemed to be excessively injurious or to have indiscriminate effects;

*Noting* that Amended Protocol II is the only international legal instrument which covers all types of mines, booby-traps and other devices;

*Having reviewed* the operation and status of Amended Protocol II, in accordance with paragraph 3(a) of Article 13;

*Welcome* the opportunity provided by the Second Review Conference of the States Parties to the CCW to examine the operation and status of Amended Protocol II.

*Having considered* the national annual reports presented by States which have notified the Depositary of their consent to be bound by Amended Protocol II;

*Welcome* the fact that, since the First Annual Conference held in December 1999, 19 more States have notified the Depositary of their consent to be bound by Amended Protocol II, thus bringing the total number of States which have adhered to this Protocol to 63;

*Emphasize* the importance of achieving the widest possible adherence to Amended Protocol II;

*Urge* all States that have not yet done so to take all measures to accede to it as soon as possible.

Estimated costs of the Fourth Annual Conference of the States Parties to Amended Protocol II to the Convention on the Prohibitions or Restrictions on the Use of Certain Conventional Weapons Which May Be Deemed to be Excessively Injurious or to Have Indiscriminate Effects

Note by the Secretariat

1. Following a recommendation of the First Committee, the General Assembly, in its resolution 56/28 would call for the convening in 2002 of the Fourth Annual Conference of the States Parties to Amended Protocol II to the Convention on Prohibitions or Restrictions on the Use of Certain Conventional Weapons Which May Be Deemed To be Excessively Injurious or To Have Indiscriminate Effects. The specific day(s) in which the Conference will take place would be determined by the Third Annual Conference of the States Parties to Amended Protocol II to the Convention on Prohibitions or Restrictions on the Use of Certain Conventional Weapons Which May Be Deemed To be Excessively Injurious or To Have Indiscriminate Effects currently in session.
2. This document is submitted pursuant to the above-mentioned resolution of the General Assembly and would provide the estimated costs of convening the above-mentioned Conference. A breakdown of the cost estimates is provided in this Annex.
3. It should be noted that the costs are estimated on the basis of past experience and anticipated workload. The actual costs would be determined after the closure of the Conference when the exact workload is known. The share of each State Party in the total costs of the Conference would also be determined after the necessary adjustments in contributions by the participants sharing the costs and the recording of all expenditures thereon.
4. With regard to the financial arrangements, it will be recalled that, in accordance with the practice followed on the occasion of previous conferences on multilateral disarmament treaties, and as reflected in their Rules of Procedure, the costs would be shared among the States Parties participating in the conferences, based upon the United Nations scale of assessment pro-rated to take into account the number of States Parties participating in the conference. States that are not States Parties but that have accepted the invitation to take part in the conference would share in the costs to the extent of their respective rates of assessment under the United Nations scale of assessments.

5. Subject to the States Parties approval of the estimated costs and cost-sharing formula, assessment notices would be prepared based on the overall estimated costs and applicable cost-sharing formula. Since the above-mentioned activities have no financial implication for the regular budget of the Organization, States Parties should proceed with the payment of their share of the estimated costs as soon as assessment notices have been received.
