Forty-first session
Item 114 of the preliminary list*

PROGRAMME PLANNING

Programme performance of the United Nations for the biennium 1984-1985

Report of the Secretary-General

Corrigendum

1. Page 19

After table 7.2 insert

7.4. In the programme performance report for the biennium 1982-1983 (table 7.1 of **A/39/173/Add.1**), a total of 10 outputs (exclusive of technical assistance) had been reported as postponed. Of these a total of seven had been reprogrammed and are included as appropriate in table 7.1 above; two are expected to be completed in 1986-1987 and one output was terminated.

2. Page 20, table 9.1, column (6)

For 6 read 16

3. Page 24, para. 11.3, third line

For 100 per cent read 93 per cent

4. Page 32, para. 13.2, first and second lines

For 177 outputs (90 postponed and 87 terminated) read 168 outputs (90 postponed and 78 terminated)

* A/41/50/Rev.1.

5. Page 32, para. 13.4, second line

For 68 per cent read 70 per cent

6. Page 33, para. 13.4 (d) first line and fifth to ninth lines

For terminations read postponements and delete second sentence

7. Page 45

After table 17.2 insert

17.3. In the programme performance report for the biennium 1982-1983 (table 17.1 of A/39/173/Add.1), a total of 42 outputs had been reported as postponed. Of these 34 had been reprogrammed (30) or have now been implemented (4) and are included as appropriate in table 17.1 above; the balance of 8 **were** terminated.
