## **I. Introduction**

1. By its resolutions 687 (1991) of 3 April 1991 and 689 (1991) of 9 April 1991, the Security Council decided to establish the United Nations Iraq-Kuwait Observation Mission (UNIKOM), and to review the question of its termination or continuation every six months. The mandate of UNIKOM was subsequently expanded by Security Council resolution 806 (1993) of 5 February 1993.

2. The Security Council decided to continue the mandate of the Mission in subsequent letters from the President of the Council to the Secretary-General. By its resolution 1490 (2003) of 3 July 2003, the Council decided to continue the mandate of the Observation Mission for a final period until 6 October 2003.

### **Liquidation**

3. The liquidation activities, including disposal of assets, were carried out during the period from 4 July to 6 November 2003.

## **II. Expenditure for the period from 1 July to 6 November 2003**

Following the adoption of Council resolution 1490 (2003), the Secretary-General informed the General Assembly in his note of 23 September 2003 (A/58/386) that the \$12 million commitment authority would suffice to cover the remaining activities of the Mission, including a one-month field liquidation period. The expenditure for the period from 1 July to 6 November 2003 amounted to \$7,021,000, as detailed in table 1.
