7. The First Committee recommends to the General Assembly the adoption of the following draft resolution:

#### **Comprehensive Nuclear-Test-Ban Treaty**

*The General Assembly,*

*Reiterating* that the cessation of nuclear-weapon test explosions or any other nuclear explosions constitutes an effective nuclear disarmament and non-proliferation measure, and convinced that this is a meaningful step in the realization of a systematic process to achieve nuclear disarmament,

*Recalling* that the Comprehensive Nuclear-Test-Ban Treaty, adopted by its resolution 50/245 of 10 September 1996, was opened for signature on 24 September 1996,

*Stressing* that a universal and effectively verifiable Treaty constitutes a fundamental instrument in the field of nuclear disarmament and non-proliferation and that after more than ten years, its entry into force is more urgent than ever before,

*Encouraged* by the signing of the Treaty by one hundred and eighty States, including forty-one of the forty-four needed for its entry into force, and welcoming the ratification of one hundred and forty-five States, including thirty-five of the forty-four needed for its entry into force, among which there are three nuclear-weapon States,

*Recalling* its resolution 62/59 of 5 December 2007,

*Welcoming* the Joint Ministerial Statement on the Comprehensive Nuclear-Test-Ban Treaty, adopted at the Ministerial Meeting held in New York on 24 September 2008,

1. *Stresses* the vital importance and urgency of signature and ratification, without delay and without conditions, to achieve the earliest entry into force of the Comprehensive Nuclear-Test-Ban Treaty;

2. *Welcomes* the contributions by the States signatories to the work of the Preparatory Commission for the Comprehensive Nuclear-Test-Ban Treaty Organization, in particular its efforts to ensure that the Treaty's verification regime will be capable of meeting the verification requirements of the Treaty upon its entry into force, in accordance with article IV of the Treaty;

3. *Underlines* the need to maintain momentum towards completion of all elements of the verification regime;

4. *Urges* all States not to carry out nuclear-weapon test explosions or any other nuclear explosions, to maintain their moratoriums in this regard and to refrain from acts that would defeat the object and purpose of the Treaty, while stressing that these measures do not have the same permanent and legally binding effect as the entry into force of the Treaty;

5. *Calls for* the verifiable denuclearization of the Korean Peninsula in a peaceful manner through the successful implementation of the Joint Statement of 19 September 2005, and the initial and second-phase actions to implement it, agreed upon in the framework of the Six-Party Talks;

6. *Urges* all States that have not yet signed the Treaty to sign and ratify it as soon as possible;

7. *Urges* all States that have signed but not yet ratified the Treaty, in particular those whose ratification is needed for its entry into force, to accelerate their ratification processes with a view to ensuring their earliest successful conclusion;

8. *Welcomes* the ratification of the Treaty in 2008 by Colombia, Barbados, Malaysia and Burundi, as well as the signature in 2008 by Iraq and Timor-Leste, as significant steps towards the early entry into force of the Treaty;

9. *Urges* all States to remain seized of the issue at the highest political level and, where in a position to do so, to promote adherence to the Treaty through bilateral and joint outreach, seminars and other means;

10. *Requests* the Secretary-General, in consultation with the Preparatory Commission for the Comprehensive Nuclear-Test-Ban Treaty Organization, to prepare a report on the efforts of States that have ratified the Treaty towards its universalization and possibilities for providing assistance on ratification procedures to States that so request it, and to submit such a report to the General Assembly at its sixty-fourth session;
