

Sixty-eighth session
Agenda item 19 (a)

Sustainable development: implementation of Agenda 21, the Programme for the Further Implementation of Agenda 21 and the outcomes of the World Summit on Sustainable Development and of the United Nations Conference on Sustainable Development

Report of the Second Committee*

Rapporteur: Ms. Juliet Hay (New Zealand)

I. Introduction

1. The Second Committee held a substantive debate on agenda item 19 (see [A/68/438](#), para. 2). Action on sub-item (a) was taken at the 35th and 41st meetings, on 14 November and 11 December 2013. An account of the Committee's consideration of the sub-item is contained in the relevant summary records ([A/C.2/68/SR.35](#) and 41).

II. Consideration of draft resolutions [A/C.2/68/L.33](#) and [A/C.2/68/L.62](#)

2. At the 35th meeting, on 14 November, the representative of Fiji, on behalf of the States Members of the United Nations that are members of the Group of 77 and China, introduced a draft resolution entitled "Implementation of Agenda 21, the Programme for the Further Implementation of Agenda 21 and the outcomes of the World Summit on Sustainable Development and of the United Nations Conference on Sustainable Development" ([A/C.2/68/L.33](#)), which read:

"The General Assembly,

"Recalling its resolutions [55/199](#) of 20 December 2000, [56/226](#) of 24 December 2001, [57/253](#) and [57/270 A](#) of 20 December 2002, [57/270 B](#) of

* The report of the Committee on this item is being issued in 11 parts, under the symbol [A/68/438](#) and Add.1-10.

23 June 2003, [64/236](#) of 24 December 2009, [65/152](#) of 20 December 2010, [66/197](#) of 22 December 2011 and [66/288](#) of 27 July 2012, as well as its resolutions [67/203](#) of 21 December 2012, [67/290](#) of 9 July 2013 and [68/1](#) of 20 September 2013 and all other relevant resolutions on the implementation of Agenda 21, the Programme for the Further Implementation of Agenda 21 and the outcomes of the World Summit on Sustainable Development and of the United Nations Conference on Sustainable Development,

“Recalling also the Rio Declaration on Environment and Development, Agenda 21, the Programme for the Further Implementation of Agenda 21, the Johannesburg Declaration on Sustainable Development and the Plan of Implementation of the World Summit on Sustainable Development (Johannesburg Plan of Implementation), the outcome document of the United Nations Conference on Sustainable Development, entitled ‘The future we want’, as well as the Monterrey Consensus of the International Conference on Financing for Development, the Doha Declaration on Financing for Development: outcome document of the Follow-up International Conference on Financing for Development to Review the Implementation of the Monterrey Consensus and the outcome document of the special event to follow up efforts made towards achieving the Millennium Development Goals,

“Recalling further the commitment in the Programme of Action for the Least Developed Countries for the Decade 2011-2020 (Istanbul Programme of Action) to assist the least developed countries in their efforts to achieve sustainable development,

“Recalling the Programme of Action for the Sustainable Development of Small Island Developing States, the Declaration and state of progress and initiatives for the future implementation of the Programme of Action for the Sustainable Development of Small Island Developing States, the Mauritius Strategy for the Further Implementation of the Programme of Action for the Sustainable Development of Small Island Developing States and the outcome document of the high-level review meeting on the implementation of the Mauritius Strategy for the Further Implementation of the Programme of Action for the Sustainable Development of Small Island Developing States,

“Recalling also that in its resolution [67/290](#) it decided that the meetings of the High-level Political Forum on Sustainable Development shall devote adequate time to the discussion of the sustainable development challenges facing developing countries, including the most vulnerable countries, in particular the least developed countries, small island developing States, landlocked developing countries and African countries, with the aim of enhancing engagement and implementing commitments, and that they will recognize the particular challenges facing the middle-income countries in achieving sustainable development, and reiterates that the efforts of middle-income countries should be adequately supported by the international community, in various forms, taking into account the needs of those countries and their capacity to mobilize domestic resources,

“Recognizing that eradicating poverty is the greatest global challenge facing the world today and an indispensable requirement for sustainable development, in particular for developing countries, and that although each country has the primary responsibility for its own sustainable development and

poverty eradication and the role of national policies and development strategies cannot be overemphasized, concerted and concrete measures are required at all levels to enable developing countries to achieve their sustainable development goals as related to the internationally agreed poverty-related targets and goals, including those contained in Agenda 21, the relevant outcomes of other United Nations conferences and the United Nations Millennium Declaration,

“Reaffirming the need to further mainstream sustainable development at all levels, integrating economic, social and environmental aspects and recognizing their interlinkages, so as to achieve sustainable development in all its dimensions, and reiterating that sustainable development is a key element of the overarching framework for United Nations activities,

“Reaffirming also the commitment to implement Agenda 21, the Programme for the Further Implementation of Agenda 21, the Johannesburg Plan of Implementation, including the time-bound goals and targets, and the other internationally agreed development goals, including the Millennium Development Goals, and reaffirming further other internationally agreed goals in the economic, social and environmental fields since 1992, as well as the outcome document of the United Nations Conference on Sustainable Development,

“Taking note of its resolution on the review of the implementation of General Assembly resolution 61/16 on the strengthening of the Economic and Social Council, in particular paragraph 11 (e), deciding that an integration segment should be held annually, the timing and modalities of which would be decided by the Council: the main functions of the segment will be to consolidate all the inputs of Member States, the subsidiary bodies of the Council, the United Nations system and other relevant stakeholders and to promote the balanced integration of the three dimensions of sustainable development; the integration segment will bring together the key messages from the Council system on the main theme and develop action-oriented recommendations for follow-up, taking into account the need to avoid duplication between its deliberations and those of the high-level political forum on sustainable development,

“Recalling the decision of the Economic and Social Council to conclude the work of the Commission on Sustainable Development at its twentieth session, and noting that the last session of the Commission was held on 20 September 2013,

“1. Takes note of the report of the Secretary-General on the implementation of Agenda 21, the Programme for the Further Implementation of Agenda 21 and the outcomes of the World Summit on Sustainable Development and of the United Nations Conference on Sustainable Development;

“2. Also takes note of the summary of the President of the General Assembly on the inaugural meeting of the High-level Political Forum on Sustainable Development held in New York on 24 September 2013;

“3. *Reaffirms* the outcome document of the United Nations Conference on Sustainable Development, entitled ‘The future we want’, and urges its speedy implementation;

“4. *Reiterates* the decision contained in the outcome document of the United Nations Conference on Sustainable Development to convene, in 2014, a third international conference on small island developing States, and in this regard renews the call to the international community, the relevant entities of the United Nations development system and other international and regional organizations and other relevant stakeholders to provide the necessary support to ensure the success of the conference and its preparatory process;

“5. *Reaffirms* its resolution [67/290](#) on the format and organizational aspects of the High-level Political Forum on Sustainable Development, and the decision that, consistent with its universal intergovernmental character, the Forum shall provide political leadership, guidance and recommendations for sustainable development, follow up and review progress in the implementation of sustainable development commitments, enhance the integration of the three dimensions of sustainable development in a holistic and cross-sectoral manner at all levels and have a focused, dynamic and action-oriented agenda, ensuring the appropriate consideration of new and emerging sustainable development challenges;

“6. *Welcomes* the holding of the inaugural meeting of the High-level Political Forum on Sustainable Development on 24 September 2013;

“7. *Reaffirms* paragraph 22 of its resolution [67/290](#), and in this regard encourages the President of the Economic and Social Council, in coordination with the Bureau of the Council and the bureaux of the relevant committees of the General Assembly to undertake open, transparent and inclusive consultations with the membership of the High-level Forum on the theme, agenda and organization of work of the first session of the Forum, which will take place under the auspices of the Council, including, as appropriate, by considering additional options for outreach such as the nomination of facilitators from the Bureau of the Council to conduct such consultations;

“8. *Takes note* of the reports of the Secretary-General on options for facilitating the development, transfer and dissemination of clean and environmentally sound technologies and on the establishment of a technology bank and science, technology and innovation supporting mechanism dedicated to the least developed countries, welcomes the outcomes of the workshops at which these issues were discussed, supports the recommendations in this regard contained in the report of the Secretary-General on options for facilitating the development, transfer and dissemination of clean and environmentally sound technologies, decides to establish a United Nations global technology facilitation mechanism, under the High-level Political Forum, and, to that effect, also decides to establish an intergovernmental open-ended working group under the auspices of the General Assembly to develop the format and modalities of such a mechanism;

“9. *Welcomes* the outcome document of the special event to follow-up efforts made towards achieving the Millennium Development Goals, which acknowledged with appreciation the processes mandated at the United Nations

Conference on Sustainable Development that are now under way, in particular the Open Working Group on Sustainable Development Goals and the Intergovernmental Committee of Experts on Sustainable Development Financing, as well as the process to develop a technology facilitation mechanism, reiterates the desire expressed at the special event that these processes should complete their work in a comprehensive, balanced and expeditious manner by September 2014 in order to contribute to the intergovernmental negotiations on the post-2015 development agenda, invites the Secretary-General to take into consideration the outcomes of these processes in his synthesis report mandated in the same document, and stresses the need for synergy, coherence and mutual support among all these processes;

“10. *Also welcomes* the establishment of the 10-member board of the 10-year framework of programmes on sustainable consumption and production patterns, recalls its decision to review the arrangement to designate the Economic and Social Council as the ad interim Member State body to receive reports from the board and the secretariat, as elaborated in the 10-year framework, and decides to designate the High-level Political Forum on Sustainable Development as the body to receive reports from the board and secretariat of the framework, as elaborated in the 10-year framework, bearing in mind paragraph 21 of resolution [67/290](#);

“11. *Recalls* paragraph 20 of its resolution [67/290](#), in particular the request that the High-level Political Forum on Sustainable Development consider, in 2014, the scope and methodology of a global sustainable development report, based on a proposal of the Secretary-General reflecting the views and recommendations of Member States and relevant United Nations entities, including the Committee for Development Policy;

“12. *Takes note* of the report of the Secretary-General on mainstreaming of the three dimensions of sustainable development throughout the United Nations system;

“13. *Also takes note* of ongoing initiatives of the United Nations development system to mainstream the three dimensions of sustainable development throughout the system, and reiterates the call of the United Nations Conference on Sustainable Development for the system to undertake further efforts in this direction, in accordance with the relevant intergovernmental mandates;

“14. *Invites* the Secretary-General, to that end, to continue to work on the integration of the three dimensions of sustainable development in the work of the United Nations development system, and to continue reporting to the relevant intergovernmental bodies, including the High-level Political Forum, on progress in this regard;

“15. *Takes note* of the report of the Secretary-General on intergenerational solidarity and the needs of future generations;

“16. *Requests* the Secretary-General to submit a report on the implementation of the present resolution at its sixty-ninth session;

“17. *Decides* to include in the provisional agenda of its sixty-ninth session, under the item entitled ‘Sustainable development’, the sub-item

entitled ‘Implementation of Agenda 21, the Programme for the Further Implementation of Agenda 21 and the outcomes of the World Summit on Sustainable Development and of the United Nations Conference on Sustainable Development’.”

3. At its 41st meeting, on 11 December, the Committee had before it a draft resolution entitled “Implementation of Agenda 21, the Programme for the Further Implementation of Agenda 21 and the outcomes of the World Summit on Sustainable Development and of the United Nations Conference on Sustainable Development” ([A/C.2/68/L.62](#)), submitted by the Rapporteur of the Committee on the basis of informal consultations held on draft resolution [A/C.2/68/L.33](#).
4. At the same meeting, the Secretary of the Committee read out a statement of the programme budget implications of draft resolution [A/C.2/68/L.62](#) (see [A/C.2/68/SR.41](#)).
5. Also at the same meeting, the Committee adopted draft resolution [A/C.2/68/L.62](#) (see para. 8).
6. Following the adoption of the draft resolution, statements were made by the representatives of the United States of America, Egypt and India.
7. In the light of the adoption of draft resolution [A/C.2/68/L.62](#), draft resolution [A/C.2/68/L.33](#) was withdrawn by its sponsors.

III. Recommendation of the Second Committee

8. The Second Committee recommends to the General Assembly the adoption of the following draft resolution:

Implementation of Agenda 21, the Programme for the Further Implementation of Agenda 21 and the outcomes of the World Summit on Sustainable Development and of the United Nations Conference on Sustainable Development

The General Assembly,

Recalling its resolutions [55/199](#) of 20 December 2000, [56/226](#) of 24 December 2001, [57/253](#) and [57/270 A](#) of 20 December 2002, [57/270 B](#) of 23 June 2003, [64/236](#) of 24 December 2009, [65/152](#) of 20 December 2010, [66/197](#) of 22 December 2011 and [66/288](#) of 27 July 2012, as well as its resolution [67/203](#) of 21 December 2012 and all other relevant resolutions on the implementation of Agenda 21, the Programme for the Further Implementation of Agenda 21 and the outcomes of the World Summit on Sustainable Development and of the United Nations Conference on Sustainable Development,

Recalling also its resolutions [67/290](#) of 9 July 2013 on the format and organizational aspects of the High-level Political Forum on Sustainable Development and [68/1](#) of 20 September 2013 on the review of the implementation of General Assembly resolution [61/16](#) on the strengthening of the Economic and Social Council,

Recalling further the Rio Declaration on Environment and Development,¹ Agenda 21,² the Programme for the Further Implementation of Agenda 21,³ the Johannesburg Declaration on Sustainable Development⁴ and the Plan of Implementation of the World Summit on Sustainable Development (Johannesburg Plan of Implementation),⁵ the outcome document of the United Nations Conference on Sustainable Development, entitled “The future we want”,⁶ as well as the Monterrey Consensus of the International Conference on Financing for Development,⁷ the Doha Declaration on Financing for Development: outcome document of the Follow-up International Conference on Financing for Development to Review the Implementation of the Monterrey Consensus,⁸ the Programme of

I, resolution 1, annex II.

¹⁷ Resolution 65/2.

Agenda 21, the relevant outcomes of other United Nations conferences and the United Nations Millennium Declaration,¹⁸

Reaffirming the need to further mainstream sustainable development at all levels, integrating economic, social and environmental aspects and recognizing their interlinkages, so as to achieve sustainable development in all its dimensions, and reiterating that sustainable development is a key element of the overarching framework for United Nations activities,

Recognizing that eradicating poverty, changing unsustainable and promoting sustainable patterns of consumption and production and protecting and managing the natural resource base of economic and social development are the overarching objectives of and essential requirements for sustainable development,

Reaffirming the importance of freedom, peace and security, respect for all human rights, including the right to development and the right to an adequate standard of living, including the right to food, the rule of law, gender equality, women's empowerment and the overall commitment to just and democratic societies for development,

Recalling the decision of the Economic and Social Council to abolish the Commission on Sustainable Development with effect from the conclusion of its twentieth and last session, held on 20 September 2013,¹⁹

1. *Reaffirms* the outcome document of the United Nations Conference on Sustainable Development, entitled "The future we want",⁶ and urges its speedy implementation;

2. *Takes note* of the report of the Secretary-General on the implementation of Agenda 21, the Programme for the Further Implementation of Agenda 21 and the outcomes of the World Summit on Sustainable Development and of the United Nations Conference on Sustainable Development;²⁰

3. *Also takes note* of the report of the Secretary-General, entitled "A life of dignity for all: accelerating progress towards the Millennium Development Goals and advancing the United Nations development agenda beyond 2015",²¹ and of the report of the Secretary-General on intergenerational solidarity and the needs of future generations;²²

4. *Recalls* the commitment made at the United Nations Conference on Sustainable Development to strengthen the Economic and Social Council within its mandate under the Charter of the United Nations as a principal organ in the integrated and coordinated follow-up of the outcomes of all major United Nations conferences and summits in the economic, social, environmental and related fields, and recognizes its key role in achieving a balanced integration of the three dimensions of sustainable development;

¹⁸ Resolution 55/2.

¹⁹ Economic and Social Council resolution 2013/19.

²⁰ A/68/321.

²¹ A/68/202 and Corr.1.

²² A/68/322.

5. *Takes note* of the report of the Secretary-General on the United Nations Decade of Sustainable Energy for All,²³ requests the Secretary-General, in consultation with Member States, to lead the coordination of the activities of the decade on behalf of the United Nations system, from extrabudgetary resources, and invites Member States and others in a position to do so to contribute, on a voluntary basis, to the funding of the activities of the decade;

6. *Welcomes* the decision contained in the outcome document of the United Nations Conference on Sustainable Development to convene, in 2014, a third international conference on small island developing States, and in this regard renews its encouragement to the international community, the relevant entities of the United Nations system and other international and regional organizations and other relevant stakeholders to provide the necessary support to ensure the success of the conference and its preparatory process;

7. *Reaffirms* its resolution 67/290 on the format and organizational aspects of the High-level Political Forum on Sustainable Development, welcomes the inaugural meeting of the Forum, held under the auspices of the General Assembly on 24 September 2013, and takes note of the summary of the President of the General Assembly on the meeting;²⁴

8. *Requests* the President of the General Assembly and the President of the Economic and Social Council to coordinate with the Bureau of the Council and with the bureaux of the relevant committees of the Assembly to organize the activities of the High-level Political Forum on Sustainable Development so as to benefit from the inputs and advice of the United Nations system, the major groups and other relevant stakeholders, as appropriate, and encourages broad consultations on the organization of the meeting of the Forum under the auspices of the Economic and Social Council in 2014;

9. *Welcomes* the outcome document of the special event to follow-up efforts made towards achieving the Millennium Development Goals,¹² and acknowledges with appreciation the processes mandated in the outcome document of the United Nations Conference on Sustainable Development that are now under way, in particular the Open Working Group on Sustainable Development Goals and the Intergovernmental Committee of Experts on Sustainable Development Financing, as well as the process to develop options for a technology facilitation mechanism; and urges that these processes complete their work in a comprehensive, balanced and expeditious manner by September 2014;

10. *Stresses* the need for synergy, coherence and mutual support among all these processes and other processes that are also relevant for the post-2015 development agenda;

11. *Takes note* of the reports of the Secretary-General on options for facilitating the development, transfer and dissemination of clean and environmentally sound technologies²⁵ and on a technology bank and science, technology and innovation supporting mechanism dedicated to the least developed countries,²⁶ welcomes the workshops at which these issues were discussed and takes

²⁴ A/68/588.

²⁵ A/67/348 and A/68/310.

²⁶ A/68/217.

note of their summaries,²⁷ decides in this regard to hold a series of four one-day structured dialogues, supported by the United Nations system and enabling the involvement of relevant stakeholders, including international and regional organizations, multilateral and regional financial and development institutions, universities and research institutions, the private sector and civil society, to consider possible arrangements for a facilitation mechanism to promote the development, transfer and dissemination of clean and environmentally sound technologies by identifying and addressing, where appropriate, fragmentation, synergies, areas of duplication and opportunities for cooperation between existing mechanisms and processes, thus improving overall coherence and enhancing interlinkages, identifying and addressing gaps throughout the full technology life cycle from research to development, demonstration, market formation, transfer and diffusion, fostering innovation and promoting an enabling environment at all levels, while respecting the mandates of existing institutions, frameworks and processes, and also decides that the dialogues will result in a summary of the discussions and recommendations emerging therefrom, including on the possible modalities and organization of such a mechanism, to be submitted by the President of the General Assembly to the Assembly at its sixty-eighth session and for consideration and appropriate action by the Assembly at its sixty-ninth session, with the aim of reaching a conclusion in this regard;

12. *Welcomes* the establishment of the 10-member board of the 10-year framework of programmes on sustainable consumption and production patterns, recalls the decision that the High-level Political Forum on Sustainable Development may provide recommendations to the board and secretariat of the 10-year framework of programmes on sustainable consumption and production patterns, taking into account their reports,²⁸ recalls also paragraph 5 of its resolution 67/203, including its decision to review the arrangement to designate the Economic and Social Council as the ad interim Member State body to receive reports from the board and secretariat as elaborated in the 10-year framework of programmes on sustainable consumption and production patterns, and in this regard decides to review the ad interim arrangement at its sixty-ninth session, after the meeting of the High-level Political Forum on Sustainable Development under the auspices of the Economic and Social Council in 2014;

13. *Recalls* its decision that the High-level Political Forum on Sustainable Development shall strengthen the science-policy interface by examining documentation, bringing together dispersed information and assessments, including in the form of a global sustainable development report, building on existing assessments, enhancing evidence-based decision-making at all levels and contributing to the strengthening of ongoing capacity-building for data collection and analysis in developing countries, and also recalls its request that the Forum consider, in 2014, the scope and methodology of a global sustainable development report, based on a proposal by the Secretary-General, reflecting the views and recommendations of Member States and relevant United Nations entities, including the Committee for Development Policy;²⁸

14. *Takes note* of the report of the Secretary-General on the mainstreaming of the three dimensions of sustainable development throughout the United Nations

²⁷ Available from <http://sustainabledevelopment.un.org/index.php?menu=1632>.

²⁸ See resolution 67/290.

system,²⁹ reiterates the call of the United Nations Conference on Sustainable Development for the further mainstreaming of the three dimensions throughout the United Nations system, and in this regard invites the Secretary-General to continue to report to the General Assembly, through the Economic and Social Council, on progress made, including for the consideration of the High-level Political Forum on Sustainable Development;

15. *Requests* the Secretary-General to submit a report on the implementation of the present resolution to the General Assembly at its sixty-ninth session;

16. *Decides* to include in the provisional agenda of its sixty-ninth session, under the item entitled “Sustainable development”, the sub-item entitled “Implementation of Agenda 21, the Programme for the Further Implementation of Agenda 21 and the outcomes of the World Summit on Sustainable Development and of the United Nations Conference on Sustainable Development”.
