Sixty-second session

First Committee

Agenda item 98

General and complete disarmament

Indonesia:* revised draft resolution

Effects of the use of armaments and ammunitions containing depleted uranium

The General Assembly,

Guided by the purposes and principles enshrined in the Charter of the United Nations and the rules of humanitarian international law,

Determined to promote multilateralism as an essential means to carry forward negotiations on arms regulation and disarmament,

Convinced that as humankind is more aware of the need to take immediate measures to protect the environment, any event that could jeopardize such efforts requires urgent attention to implement the required measures,

Taking into consideration the potential harmful effects of the use of armaments and ammunitions containing depleted uranium on human health and the environment,

1. *Requests* the Secretary-General to seek the views of Member States and relevant international organizations on the effects of the use of armaments and ammunitions containing depleted uranium, and to submit a report on this subject to the General Assembly at its sixty-third session;

2. *Decides* to include in the provisional agenda of its sixty-third session the item entitled "Effects of the use of armaments and ammunitions containing depleted uranium".

* On behalf of the States Members of the United Nations that are members of the Movement of Non-Aligned Countries.
