revised draft resolution

Assistance for humanitarian relief and the economic and social rehabilitation of Somalia

The General Assembly,

Recalling its resolutions 47/160 of 18 December 1992 and subsequent relevant resolutions, in particular resolutions 56/106 of 14 December 2001, 57/154 of 16 December 2002, 58/115 of 17 December 2003 and 59/218 of 22 December 2004,

Noting with serious concern the effects of the civil war in Somalia and in particular the destruction of the physical, economic and social infrastructure of Somalia,

Underlining the urgent need for the rehabilitation and reconstruction of the infrastructure,

Also underlining the urgency in rebuilding State institutions and in strengthening the capacity of those institutions,

* Reissued for technical reasons.

Welcoming the continued efforts of the African Union and the Intergovernmental Authority on Development towards the successful conclusion of the peace process for Somalia,

Deeply concerned that the collateral effects of the ongoing drought continue to worsen, as evidenced by the high levels of malnutrition ranging from 19 to 22 per cent,

Noting with grave concern the effects of the 2004 tsunami, which threaten the livelihoods and environment of the coastal population and have had a negative impact on the Somali economy,

Underlining the urgent need for humanitarian assistance and continued relief, reconstruction and livelihood assistance, as well as equitable resource allocation to vulnerable communities, such as destitute pastoralists and internally displaced persons,

Concerned that shipments of illegal nuclear and toxic waste dumped along the coastline of Somalia and stirred up by the tsunami, as reported by the United Nations Environment Programme Asian Tsunami Disaster Task Force, have caused health and environmental problems and can cause serious long-term effects on human health, that they pose a very serious environmental hazard, not only in Somalia but in the eastern Africa subregion, and that they are contrary to international law, infringing on the sovereignty and territorial integrity of Somalia,

Recognizing the negative effects of the proliferation of small arms and light weapons on the humanitarian situation and on development in Somalia, and in this regard condemning the significant increase in the flow of weapons and ammunition supplies to and through Somalia,

Noting the intrinsic link between the search for peace and reconciliation and the alleviation of the humanitarian crisis in Somalia, and in this regard underlining that a stable and secure environment in Somalia is essential to the future success of the national reconciliation process and that the improvement of the humanitarian situation is an essential component of support for the peace and reconciliation process,

Welcoming the continued focus of the United Nations, in partnership with the newly established Transitional Federal Government of Somalia,

Recalling the statements by the President of the Security Council of 31 October 2001¹ and 28 March 2002,² by which the Council condemned attacks on humanitarian personnel and called upon all parties in Somalia to respect fully the security and safety of personnel of the United Nations, the International Committee of the Red Cross and non-governmental organizations, and to guarantee their complete freedom of movement and access throughout Somalia,

Re-emphasizing the crucial importance of the further implementation of its resolutions 47/160, 56/106, 57/154, 58/115 and 59/218 to rehabilitate basic social and economic services throughout the country,
