2028 (XX). Non-proliferation of nuclear weapons*The General Assembly,*

Conscious of its responsibility under the Charter of the United Nations for disarmament and the consolidation of peace,

Mindful of its responsibility in accordance with Article 11, paragraph 1, of the Charter, which stipulates that the General Assembly may consider the general principles of co-operation in the maintenance of international peace and security, including the principles governing disarmament and the regulation of armaments, and may make recommendations with regard to such principles to the Members or to the Security Council or to both,

Recalling its resolutions 1665 (XVI) of 4 December 1961 and 1908 (XVIII) of 27 November 1963,

Recognizing the urgency and great importance of the question of preventing the proliferation of nuclear weapons,

Noting with satisfaction the efforts of Brazil, Burma, Ethiopia, India, Mexico, Nigeria, Sweden and the United Arab Republic to achieve the solution of the problem of non-proliferation of nuclear weapons, as contained in their joint memorandum of 15 September 1965,¹

Convinced that the proliferation of nuclear weapons would endanger the security of all States and make more difficult the achievement of general and complete disarmament under effective international control,

Noting the declaration adopted by the Assembly of Heads of State and Government of the Organization of African Unity at its first regular session, held at Cairo in July 1964,² and the Declaration entitled "Programme for Peace and International Co-operation"³ adopted by the Second Conference of Heads of State or Government of Non-Aligned Countries, held at Cairo in October 1964,

Noting also the draft treaties to prevent the proliferation of nuclear weapons submitted by the United States of America⁴ and the Union of Soviet Socialist Republics,⁵ respectively,

Noting further that a draft unilateral non-acquisition declaration has been submitted by Italy,⁶

² For the resolution entitled "Denuclearization of Africa" adopted by the Assembly of Heads of State and Government, see *Official Records of the General Assembly, Twentieth Session, Annexes*, agenda item 105, document A/5975.

³ See A/5763.

⁴ *Official Records of the Disarmament Commission, Supplement for January to December 1965*, document DC/227, annex 1, sect. A.

⁵ *Official Records of the General Assembly, Twentieth Session, Annexes*, agenda item 106, document A/5976.

⁶ *Official Records of the Disarmament Commission, Supplement for January to December 1965*, document DC/227, annex 1, sect. D.

¹ *Official Records of the Disarmament Commission, Supplement for January to December 1965*, document DC/227, annex 1, sect. E.

Convinced that General Assembly resolutions 1652 (XVI) of 24 November 1961 and 1911 (XVIII) of 27 November 1963 aim at preventing the proliferation of nuclear weapons,

Believing that it is imperative to exert further efforts to conclude a treaty to prevent the proliferation of nuclear weapons,

1. *Urges* all States to take all steps necessary for the early conclusion of a treaty to prevent the proliferation of nuclear weapons;

2. *Calls upon* the Conference of the Eighteen-Nation Committee on Disarmament to give urgent consideration to the question of non-proliferation of nuclear weapons and, to that end, to reconvene as early as possible with a view to negotiating an international treaty to prevent the proliferation of nuclear weapons, based on the following main principles:

(a) The treaty should be void of any loop-holes which might permit nuclear or non-nuclear Powers to proliferate, directly or indirectly, nuclear weapons in any form;

(b) The treaty should embody an acceptable balance of mutual responsibilities and obligations of the nuclear and non-nuclear Powers;

(c) The treaty should be a step towards the achievement of general and complete disarmament and, more particularly, nuclear disarmament;

(d) There should be acceptable and workable provisions to ensure the effectiveness of the treaty;

(e) Nothing in the treaty should adversely affect the right of any group of States to conclude regional treaties in order to ensure the total absence of nuclear weapons in their respective territories;

3. *Transmits* the records of the First Committee relating to the discussion of the item entitled "Non-proliferation of nuclear weapons", together with all other relevant documents, to the Eighteen-Nation Committee for its consideration;

4. *Requests* the Eighteen-Nation Committee to submit to the General Assembly at an early date a report on the results of its work on a treaty to prevent the proliferation of nuclear weapons.

*1382nd plenary meeting,
19 November 1965.*

2030 (XX). Question of convening a world disarmament conference

The General Assembly,

Mindful of the continuing interest and responsibility of the United Nations in connexion with the solution of the disarmament problem,

Reaffirming the paramount importance of disarmament for the contemporary world and the urgent need for the achievement of this goal,

Believing that it is imperative to exert further efforts towards reaching agreement on general and complete disarmament with effective international control, with a view to securing lasting peace in the world,

Convinced that all countries should contribute towards the accomplishment of disarmament and co-operate in taking immediate steps with a view to achieving progress in this field,

Convinced also that a world disarmament conference would promote the realization of general and complete disarmament,

Reaffirming the resolution adopted by the Disarmament Commission on 11 June 1965,⁷

1. *Endorses* the proposal adopted at the Second Conference of Heads of State or Government of Non-Aligned Countries, held at Cairo in 1964, on the convening of a world disarmament conference to which all countries would be invited;

2. *Urges* that the necessary consultations be conducted with all countries for the purpose of establishing a widely representative preparatory committee which will take appropriate steps for the convening of a world disarmament conference not later than 1967;

3. *Urges further* that all countries be kept informed, as appropriate, of the results achieved by the preparatory committee in accordance with paragraph 2 above.

Conscious of its responsibility under the Charter of the United Nations for disarmament and the consolidation of peace,

1. *Requests* the Conference of the Eighteen-Nation Committee on Disarmament to continue its efforts towards making substantial progress in reaching agreement on the question of general and complete disarmament under effective international control, as well as on collateral measures;

2. *Decides* to refer to the Eighteen-Nation Committee all documents and records of the First Committee concerning all matters related to the disarmament question;

Recalling its resolutions 1762 (XVII) of 6 November 1962 and 1910 (XVIII) of 27 November 1963 on the cessation of all test explosions of nuclear weapons,
