**Twenty-first Meeting of Heads of National Drug
Law Enforcement Agencies, Africa**

Addis Ababa, 5-9 September 2011

Item 7 of the provisional agenda*

**Organization of the Twenty-second Meeting of Heads of
National Drug Law Enforcement Agencies, Africa****Organization of the Twenty-second Meeting of Heads of
National Drug Law Enforcement Agencies, Africa**

1. Representatives whose Governments wish to act as host for the Twenty-second or a subsequent meeting of Heads of National Drug Law Enforcement Agencies (HONLEA), Africa, are invited to inform the Twenty-first Meeting accordingly. That information will be brought to the attention of the Commission on Narcotic Drugs at its fifty-fifth session, in 2012.
2. The draft provisional agenda for the Twenty-second Meeting of HONLEA, Africa, is attached as an annex.
3. Item 4 of the draft provisional agenda is devoted to the examination of the status of implementation of the recommendations adopted at the Twentieth Meeting. In order to facilitate reporting, a questionnaire concerning action taken by Governments to implement those recommendations will be transmitted together with the invitation to attend the Twenty-second Meeting.
4. At the fortieth session of the Commission on Narcotic Drugs, the view was expressed that the recommendations adopted by the meetings of the subsidiary bodies of the Commission would remain meaningless if Governments did not take action, including, where necessary, the enactment of national legislation, to implement those recommendations. States members of HONLEA, Africa, are urged to implement such recommendations conscientiously and promptly so that an effective evaluation of their progress can be made.

* UNODC/HONLAF/21/1.

5. It would be desirable for the Twenty-first Meeting to identify the topics that would be most appropriate for consideration by working groups at the Twenty-second Meeting. Alternatively, the Meeting may wish to request the Secretariat to consult the States members informally with a view to identifying topics for consideration by the working groups.

Annex
