At the present session, the Working Group on Insolvency Law commences its work, pursuant to a decision taken by the Commission at its twenty-eighth session (Vienna, 2-26 May 1995), to embark on the development of a legal instrument relating to cross-border insolvency.<sup>1</sup>

problem, in particular at the UNCITRAL Congress, "Uniform Commercial Law in the 21st Century" (held in New York in conjunction with the twenty-fifth session, 17-21 May 1992). The Commission decided at its twenty-sixth session to pursue those suggestions further.<sup>2</sup> Subsequently, in order to assess the desirability and feasibility of work in this area, and to define appropriately the scope of the work, UNCITRAL and the International Association of Insolvency Practitioners (INSOL) held a Colloquium on Cross-Border Insolvency (Vienna, 17-19 April 1994), involving insolvency practitioners from various disciplines, judges, government officials and representatives of other interested sectors including lenders.<sup>3</sup>

The first UNCITRAL-INSOL Colloquium gave rise to the suggestion that work by the Commission should, at least at this stage, have the limited but useful goal of facilitating judicial cooperation, and court access for foreign insolvency administrators and recognition of foreign insolvency proceedings (hereinafter referred to as "judicial cooperation" and "access and recognition"). It was also suggested that an international meeting of judges take place specifically to elicit their views as to work by the Commission in this area. Those suggestions were received favourably by the Commission at its twenty-seventh session.<sup>4</sup>

Subsequently, the UNCITRAL-INSOL Judicial Colloquium on Cross-Border Insolvency was held (Toronto, 22-23 March 1995). The purpose of the Judicial Colloquium was to obtain for the Commission, as it embarked on work on cross-border insolvency, the views of judges and of Government officials concerned with insolvency legislation, on the specific issue of judicial cooperation in cross-border insolvency cases and the related topics of access and recognition.<sup>5</sup> The consensus view at the Judicial Colloquium was that it would be worthwhile for the Commission to provide a legislative framework, for example by way of model legislative provisions, for judicial cooperation, and to include in the text to be prepared provisions on access and recognition. In taking note of the views expressed at the Judicial Colloquium, the Commission noted that the Working Group would examine a range of matters raised at the Judicial Colloquium relating to the possible scope, approaches and effects of the legal text to be prepared.
