Ninth United Nations Conference on the Standardization of Geographical Names

New York, 21-30 August 2007

Item 13 of the provisional agenda*

Toponymic websites

Pronunciation on geographical names websites in Canada

Submitted by Canada**

Summary***

Some of the advantages and factors to consider when putting a pronunciation feature on a website are enumerated. Canadian websites using pronunciation are briefly described and current Internet addresses provided.

* E/CONF.98/1.

** Prepared by Kathleen O'Brien, secretariat of the Geographical Names Board of Canada, Canada.

*** The full text of the paper is being issued in English and French as documents E/CONF.98/110/Add.1/EN and E/CONF.98/110/Add.1/FR.
