special announcements		
Corrections to the List of participants	Conference participants are reminded to submit corrections to the List of participants to Ms. Heidi Sandoval (Registration Counter), by noon, at the latest, on <b>Wednesday</b> , <b>12 December 2007</b> .	
High-level round-table discussion	There will be a high-level round-table discussion on international technology cooperation in the development, deployment, diffusion and transfer of climate friendly technologies, which will take place on <b>Thursday</b> , <b>13 December</b> , from 11 a.m. to 1 p.m. in Plenary II (Nusantara Hall).	
	The main objective of the event is to present a range of views from ministers and heads of delegation, international organizations and the private sector during the high-level segment on how to take forward technology cooperation and transfer activities under the Convention and to identify practical approaches toward a common goal.	
2008 Rio Conventions calendar	The annual calendar of the secretariats of the UNFCCC, the Convention on Biological Diversity and the United Nations Convention to Combat Desertification is now available (one copy per person). The calendar is distributed each day from the Reception Desk at the entrance of the BICC from 11 a.m. to 1 p.m., and again from 4 p.m. to 6 p.m.	
Notice to organizers of side events at the Grand Hyatt	We are currently experiencing noise interference in the side event rooms located in the Grand Hyatt. Measures are being taken to resolve the problem as soon as possible. In the interim period, participants are requested to sit as close to the front of the room as possible. In addition, it would be helpful if participants limit discussions to the large foyer outside the meeting room corridors.	
Important notice to delegates	When submitting documents to the Conference Officers for distribution in Plenary I, please ensure that sufficient copies are provided (600–700 per document).	

## Special announcements

#### **High-level luncheon**

The President of the Conference of the Parties, H.E. Mr Rachmat Witoelar, Minister of Environment of the Republic of Indonesia and the Executive Secretary of the UNFCCC secretariat will host a high-level luncheon for heads of delegation of all Parties and invited guests on **Thursday**, **13 December** at 1 p.m. at The Westin Resort. More information will be provided in due course.

#### Information note High-level segment opening ceremony

The opening ceremony of the high-level segment will take place on Wednesday, 12 December 2007. It will start at 10 a.m.

Taking into consideration the number of dignitaries participating in the ceremony, including H.E. Mr. Susilo Bambang Yudhoyono, President of the Republic of Indonesia, and the Secretary-General of the United Nations, Mr. Ban Ki-moon, the space available in Plenary 1, and in order to ensure the smooth development of the ceremony in a safe and secure environment, the number of participants to the opening ceremony will be limited to the seating space available.

Each Party, United Nations organization and intergovernmental organization will be provided with four tickets, which will allow access to the Plenary. Only participants in possession of a ticket will have access to the Plenary.

Tickets will be distributed to civil society organizations to allow a balanced representation at the opening ceremony. These will be allocated primarily through the constituencies.

The facilitators of the constituencies are requested to contact the NGO Liaison Office for further information on Tuesday, 11 December from 9 a.m. to 11 a.m.

Tickets will be distributed on Tuesday, 11 December to each Party, United Nations organization and intergovernmental organization at the Information Desk in the BICC Exhibition Hall, from 9 a.m. to 6 p.m. Each delegation should assign one delegate to collect the tickets and sign for them.

The ceremony may also be followed on the screen in Plenary II (Nusantara Hall) and on the CCTV monitors around the conference site.

Participants are requested to proceed to the Plenary by 9.45 a.m. to ensure that the ceremony can begin promptly at 10 a.m.

At the end of the opening ceremony and upon the departure of the presiding dignitaries, Plenary 1 will be once again opened to all participants in the Conference.

The secretariat trusts that these arrangements will allow Parties, United Nations organizations, intergovernmental organizations and civil society organizations to be represented at the opening ceremony.

#### Announcements

Computing at the conference	<ul> <li>A computer centre is available to participants from 8 a.m. to 8 p.m. on the BICC upper level (in front of Plenary II). The centre is equipped with PCs with Internet access and printing facilities. Computer support staff wearing yellow T-shirts are on location to provide assistance.</li> <li>Wireless "PlugNplay HOT SPOT" access points are also available in open areas and will be available in the main meeting rooms. Signs will indicate the hot spots.</li> <li>PCs, printers and wireless access points are also available to media representatives and journalists in the Media Centre.</li> <li>Owing to high Internet bandwidth limitations, file size limitations have been imposed on downloads. In addition, users should save their work frequently, in order to avoid the loss of documents should there be a power interruption.</li> <li>For those participants using a laptop at the conference facility: please make sure your anti-virus and personal firewall are enabled and up-to-date, and give your laptop a name so that we can help identify your laptop (or your organization) for trouble-shooting purposes. Do not leave your laptop unattended at any time.</li> </ul>
Laptop safety	Participants and media are encouraged to take due care of their laptops. Laptop computers should not be left unattended and the use of Kensington-type locks wherever practicable is encouraged.
Using the "Free WiFi" service at the conference to access the Internet	Participants are reminded to select the legitimate conference Wireless network <u>PlugNplay</u> that is provided free of charge at all meeting locations (Laguna, BICC and the Grand Hyatt). To help keep the Internet connection stable and free of viruses, participants are urged to consider the following list of "Do's and Don'ts".
	<ul> <li>DO NOT</li> <li>Do not use any other wireless network. Many alternative or "free" wireless networks are actually virus-infected PCs and you should not connect to them. Your identity could easily be stolen. Examples of "rouge" networks discovered here at the conference (as of today) include: <ul> <li>Free Public WiFi , US Airways Free WiFi, Free Internet Access</li> <li>HPsetup, Ozone, Tmobile, Jet Blue Hot Spot</li> <li>Linksys, 1, UNFCCC04, UNFCCC05, UNFCCC06</li> </ul> </li> <li>DO Turn off your wireless radio when you are not using it – it will conserve the life of</li></ul>
	<ul> <li>your battery and prevent your laptop from connecting to unsafe networks;</li> <li>Review the choice of wireless networks discovered by your laptop and then select the <b>PlugNPlay</b> network. This is the only approved wireless network at the conference;</li> <li>Make notes of your settings before you make changes, for example before changing your outbound e-mail settings to use <b>smtp.telkom.net</b> instead of your current outbound e-mail server;</li> <li>Turn off shared folders. If you join a malicious network, a hacker could easily load a malicious spyware agent to follow you even after you leave the public location.</li> </ul>
	Please note that the conference organizers cannot be held responsible for damage or loss of data resulting from the use of malicious wireless networks at the conference site.

Award-winning films	Cool Planet, Cool Youth
	The award-winning films from the NUFFGlobal Climate Change Youth Films will be screened on the CCTV system during the next few days. For more information on NUFFGlobal go to < <u>www.nuffglobal.net</u> >.
	NUFFGlobal is a youth film programme based in Tromsø, Norway that was developed for UNEP World Environment Day celebration in Tromsø on 5 June 2007. The goodwill ambassadors for NUFFGlobal are Professor Wangari Maathai of Kenya and Mr. Albert Maysles, noted film maker from the United States.
	The films screened this week in Bali are <b>"The Fridge"</b> by Lucie Stamfestová and Pavel Sobek from Prague, Czech Republic.
	"From the Camp" by Ahmed Mashharawi from Gaza, Palestine
	"Faceless" by Tunde Aboderin (Nigeria)
Solar taxi	Five months after a pioneering world tour from Switzerland to Bali a taxi, exclusively powered by solar energy, has arrived at the United Nations Climate Change Conference. The solar taxi is now offering participants in the conference a shuttle service from The Westin Resort within the Nusa Dua area. For a unique experience in a climate-friendly vehicle, contact Louis at < <u>solartaxi@gmail.com</u> >.
Shuttle service	A shuttle service between the Bali International Convention Centre (BICC) and the Grand Hyatt Hotel (GH) is available to participants. The schedule will vary during the conference. Participants are therefore requested to review this information each day.
	To reach the shuttles, exit the BICC just before the connecting corridor on the ground floor to The Westin. The shuttle will traverse directly between the two points without stopping.
	Today's shuttle runs every 20–30 minutes, from 9.45 to 22.15 hours (except for a one-hour break from 11.00 to 12.00 hours).
Exhibitors	The sessions are attracting a large number of participants, who need space to move freely around the conference venue. Exhibitors are requested to ensure that they do not exceed their allotted space. If your back panel or counter is not needed, please let the Observer Liaison team know. You may contact Mr. Virgile Vasseur in the Observer Liaison office in the BICC.
Webcasts of COP 13	For the duration of the conference, all official meetings, press conferences and some side events will be available on demand, with English or floor audio streams. On-demand files will be available shortly after the close of each meeting. Please check the UNFCCC website for the date and time of webcast sessions at < <u>http://www.un.org/webcast/unfccc/&gt;</u> .
Credentials	Credentials of representatives, alternate representatives and advisers shall be issued either by the Head of State or Government or by the Minister for Foreign Affairs. Delegations are kindly requested to forward the corresponding letter of credentials to the secretariat in the Conference Affairs Services office, located on the right as you enter the BICC (Ms. Dianiah Trought-Dederich).
Delegation nameplates	Delegates are kindly requested not to remove country nameplates from the meeting rooms. The secretariat is unable to replace these at short notice and this can lead to serious disruptions at meetings.

Pigeonholes for delegates	Pigeonholes for the distribution of official documents and messages, which delegates are kindly requested to check at regular intervals, are located in the BICC Exhibition Hall. Participants are requested to refrain from distributing non-official material via the pigeonholes.
Climate Change Kiosk	Visit the Climate Change Kiosk, located on the upper level of the BICC for information about the climate change process and the secretariat as well as the range of secretariat publications and digital materials.
Security	Participants should ensure that they wear their conference badge in full view at all times, as the security officers may request them to verify their identity. This may lead to some inconvenience at times, but it is expected that participants will understand the need for such arrangements.
Lost and found items	Participants are reminded not to leave personal belongings in meeting rooms. Documents left in meeting rooms and on unattended desks will be removed. The Security office, located in the corridor next to the BICC Exhibition Hall, is responsible for lost and found items.
Information for participants	A booklet on the facilities available at the conference venue, entitled "Information for participants" is available from the Information desk in the BICC Exhibition Hall and also on the <u>COP 13 website</u> .
inSide climate change publications counter	Participants wishing to distribute documents should contact staff at theinSide climate change publications counter on the upper level of the BICC, next to the Climate Change Kiosk. Posters and flyers relating to side events may be affixed to the poster boards available at prominent locations around the conference venue.
Meditation room	A room for meditation and prayer is available to participants on demand. Please contact staff at the Information desk in the BICC Exhibition Hall.
Facilities for non-governmental organizations	Offices for the business and industry organizations (BINGOs), environmental groups (ENGOs), indigenous peoples organizations (IPOs), local government and municipal authorities (LGMAs), research and independent NGOs (RINGOs), trade union NGOs (TUNGOs) and the Indonesian Civil Society Organizations Forum are located on the upper level in the new conference centre of the Grand Hyatt Hotel.

#### Other activities

#### WCC ecumenical celebration on climate change

The World Council of Churches invites all participants of COP 13 and the Faith communities in Bali to its traditional celebration on climate change, which will take place from 4 p.m. to 7 p.m. at the Nusa Dua International Church at Jl. Kuru Setra Kampial, Bualu Nusa Dua (Puja Mandala complex, the Nusa Dua Hill of Prayer), around 10 minutes from the Conference venue. The event will include musical moments, traditional Balinese dances and a commemorative tree planting ceremony. The celebration will finish with a video presentation by the Archbishop of Canterbury on justice, theology and climate change, followed by a discussion panel.

#### **Floating candles ceremony**

A recreation of a traditional ceremony in South Asia to thank nature for its generosity will take place at 6 p.m. on the beach in front of The Westin Resort. Participants will be given candles to light and float on the sea in floral baskets. This is an open event, organized by ActionAid, to remember the poor and vulnerable people who are suffering the most and yet largely absent from these negotiations, highlighting the need for rich countries to take action on climate change and give poor people a say.

#### Activities by the Youth groups

9.15–9.45 a.m. International youth action 1.15–1.45 p.m. International youth action

#### Zero Emissions Now

The Zero Emission Network calls on negotiators to implement a zero emissions goal across all sectors, combined with undertaking human-assisted sequestrations options such as re-vegetation and bio char, while supporting natural sequestration. See their banners from 8 a.m. to 9 a.m. outside the BICC.

#### Fossil of the Day

The traditional "Fossil of the Day" ceremony, awarded by CAN International, will take place from 6 p.m. to 6.15 p.m. every day at the CAN exhibition stand on the lower level of the BICC.

#### "Save our Climate" thermometer

To attract the world's attention and to remind delegates of their obligations (to keep temperature rise as much below two degrees as possible), Greenpeace and Solar Generation are displaying a three-dimensional thermometer near the entrance to the BICC.

#### 20-foot towering trees

A trio of solar-powered trees rise above the negotiations, changing their message and appearance to reflect REDD negotiations.
