LETTER DATED 8 NOVEMBER 1957 FROM THE REPRESENTATIVE OF
JORDAN ADDRESSED TO THE SECRETARY-GENERAL

I have the honour to refer to the decision taken by the Security Council on 6 September 1957 on the subject of the complaint brought before it by the Government of the Hashemite Kingdom of Jordan against violations committed by Israel of the General Armistice Agreement in the Jerusalem Sector wherein the Council expressed that the continuation of the Israeli activities was something "which very clearly may not be desirable", and to point out that, notwithstanding, Israel has not heeded this wish and continued, even after that date, in its violation. My Government has instructed me to appraise you of a series of violations that Israel has continued to commit in the area, a list of which is attached.

I should be grateful if you will kindly circulate this letter to the Members in the usual manner.

Please accept, etc.

Plenipotentiary, Permanent
