I. Recommended awards for eighth instalment of "E4" claims - Reported by UNSEQ and UNCC claim number and claimant name	16
II. Recommended awards for eighth instalment of "E4" claims - Reported by claimant name and category of loss	22
III. Claims deferred to a later instalment of "E4" claims pursuant to paragraphs 20-22 - Reported by UNSEQ and UNCC claim number and claimant name.....	141

INTRODUCCIÓN

1. En su 24º período de sesiones, celebrado los días 23 y 24 de junio de 1997, el Consejo de Administración de la Comisión de Indemnización de las Naciones Unidas (la "Comisión") nombró para integrar el Grupo de Comisionados (el "Grupo") encargado de examinar las reclamaciones de la categoría "E4" a los Sres. Robert R. Briner (Presidente), Alan J. Cleary y Lim Tiam Huat. Se trata de reclamaciones de sociedades del sector privado y entidades kuwaitíes, con exclusión de los reclamantes del sector petrolero y los que presentan reclamaciones por daños al medio ambiente, con derecho a pedir indemnización al amparo de los "Formularios para las reclamaciones dimanantes de sociedades u otras entidades" ("formulario E") establecidos por la Comisión.
2. De conformidad con el artículo 32 de las Normas provisionales relativas al procedimiento de tramitación de las reclamaciones (S/AC.26/1992/10) (las "Normas"), el 31 de enero de 2000 se presentó al Grupo una octava serie de 139 reclamaciones "E4".
3. De conformidad con el artículo 38 de las Normas, el presente informe contiene las recomendaciones del Grupo al Consejo de Administración acerca de la octava serie de reclamaciones.

I. EXAMEN GENERAL DE LA OCTAVA SERIE DE RECLAMACIONES

4. Las reclamaciones de la octava serie se eligieron entre unas 2.750 reclamaciones "E4" sobre la base de criterios que incluyen, entre otros, la amplitud, cuantía y complejidad de las reclamaciones, los problemas de hecho, de derecho y de valoración que plantean y la fecha en que se presentaron a la Comisión.
5. En las reclamaciones de la octava serie se imputan pérdidas por un total de 53.740.646 dinares kuwaitíes ("KD") (unos 185.953.792 dólares de los EE.UU.). Los reclamantes también piden intereses por un total de 1.614.684 KD (unos 5.587.142 dólares) y el pago de los costos de preparación de las reclamaciones, por un total de 281.615 KD (unos 974.446 dólares).
6. Habida cuenta de la naturaleza de las cuestiones de hecho y de derecho planteadas en cada reclamación y el volumen de documentación aportada en apoyo de las pérdidas reclamadas, el Grupo ha podido terminar su verificación de las reclamaciones en el plazo de 180 días a partir de la fecha en que se le presentaron las reclamaciones de la octava serie.
7. Todos los reclamantes de la octava serie desarrollaban actividades en Kuwait antes de la invasión y ocupación de ese país por el Iraq. En su mayoría, esas empresas comerciaban en una variedad de mercancías. Algunos reclamantes se dedicaban a la manufactura y a los servicios. Un pequeño número de reclamantes son organizaciones sin fines de lucro o asociaciones comerciales.

8. Los dos tipos de pérdidas que los reclamantes de esta serie alegan con más frecuencia son la pérdida de cosas corporales (principalmente existencias, mobiliario, accesorios, equipo y vehículos) y la pérdida de ganancias o beneficios. Dentro de la categoría "otras pérdidas", los reclamantes también han pedido indemnización por deudas incobrables, costos de reanudación de la actividad empresarial, intereses y costos de preparación de las reclamaciones.

II. TRÁMITES PROCESALES

9. Antes de que se presentaran al Grupo las reclamaciones de la octava serie, la Secretaría efectuó una evaluación preliminar de las reclamaciones de conformidad con las Normas. Ese examen se describe en el párrafo 11 del "Informe y recomendaciones del Grupo de Comisionados acerca de la primera serie de reclamaciones "E4"" (S/AC.26/1999/4) (el "primer informe "E4"). Los resultados de este examen se introdujeron en una base de datos centralizada mantenida por la Secretaría (la "Base de datos de las reclamaciones").

10. Inicialmente, 10 reclamaciones adolecían de defectos formales y la Secretaría envió notificaciones a esos reclamantes, de conformidad con el artículo 15 de las Normas. Los reclamantes subsanaron todos los defectos formales.

11. Se llevó a cabo un examen sustantivo de las reclamaciones con el fin de determinar las cuestiones de derecho, de hecho y de valoración importantes. Los resultados del examen, incluidas las cuestiones que se consideraron importantes, se registraron en la Base de datos de las reclamaciones.

12. El Secretario Ejecutivo de la Comisión presentó al Consejo de Administración, de conformidad con el artículo 16 de las Normas, los informes Nos. 28 y 29, de fecha 23 de julio de 1999 y 28 de octubre de 1999, respectivamente. Los informes abarcaban, entre otras cosas, la octava serie de reclamaciones "E4", y en ellos se presentaban importantes cuestiones de hecho y de derecho observadas en esas reclamaciones. Varios gobiernos, entre ellos el Gobierno del Iraq, presentaron a la Secretaría información y opiniones adicionales en respuesta a los informes preparados por el Secretario Ejecutivo de conformidad con el artículo 16.

13. Al terminar i) la evaluación preliminar; ii) el examen sustantivo; y iii) la presentación de informes con arreglo al artículo 16, se pusieron a disposición del Grupo los siguientes documentos:

- a) Documentos de la reclamación presentada por los reclamantes;
- b) Informes preliminares de evaluación preparados de conformidad con el artículo 14 de las Normas;

- c) Información y opiniones de los gobiernos, incluido el del Iraq, recibidas en respuesta a los informes previstos en el artículo 16; y
- d) Otras informaciones consideradas útiles para la labor del Grupo con arreglo al artículo 32 de las Normas.

14. Por las razones que se exponen en el párrafo 17 del primer informe "E4", el Grupo contrató los servicios de una empresa de contabilidad y de una empresa de liquidación de pérdidas. El Grupo encargó a los consultores expertos que examinaran cada reclamación de la octava serie de conformidad con los métodos de verificación y valoración elaborados por el Grupo y pidió a los consultores expertos que le presentaran un informe detallado sobre cada reclamación, junto con un resumen de sus conclusiones.

15. En virtud de su providencia de trámite de fecha 31 de enero de 2000, el Grupo comunicó su intención de terminar su examen de las reclamaciones de la octava serie y presentar su informe y sus recomendaciones al Consejo de Administración en el plazo de 180 días a partir de esa fecha. Esa providencia de trámite se remitió al Gobierno del Iraq y al Gobierno de Kuwait.

16. De conformidad con el artículo 34 de las Normas, se pidió a los reclamantes información y pruebas adicionales para ayudar al Grupo en su examen de las reclamaciones. Cuando los reclamantes no pudieron presentar las pruebas solicitadas se les pidió que expusieran las razones por las que no habían podido hacerlo. Todas las peticiones de información y de pruebas adicionales se enviaron por conducto de la Autoridad Pública de Kuwait para la evaluación de las indemnizaciones por daños resultantes de la agresión iraquí ("PAAC"). Se pidió información adicional sobre todas las reclamaciones "E4" y no sólo sobre las reclamaciones de la octava serie.

17. Las peticiones de información y de pruebas adicionales se han descrito en informes anteriores de esta categoría, por ejemplo en los párrafos 21 a 26 del "Informe y recomendaciones del Grupo de Comisionados acerca de la segunda serie de reclamaciones "E4"" (S/AC.26/1999/17) (el "segundo informe "E4"") y en el párrafo 18 del "Informe y recomendaciones del Grupo de Comisionados acerca de la sexta serie de reclamaciones "E4"" (S/AC.26/2000/8) (el "sexto informe "E4""). En el presente informe no se vuelven a indicar esas peticiones de información.

18. De conformidad con el artículo 34 de las Normas, la Secretaría también pidió aclaraciones específicas a dos reclamantes de la octava serie, a saber, Al-Rabiah Construction Company W.L.L. y Ward Al-Rabeia Foodstuff and Consumables Goods Co. W.L.L. El Grupo ha examinado las respuestas presentadas por esos reclamantes.

19. Se llevó a cabo una nueva verificación para determinar si ciertos reclamantes relacionados entre sí habían presentado reclamaciones por duplicado. Ese examen se describe en el párrafo 18 del "Informe y recomendaciones del Grupo de Comisionados acerca de la cuarta serie de reclamaciones "E4"" (S/AC.26/1999/18) (el "cuarto informe "E4"").

20. Durante el examen por parte del Grupo de las reclamaciones de la presente serie, la Secretaría informó al Grupo de la posible superposición entre algunas reclamaciones de esta serie y determinadas reclamaciones de particulares por pérdidas comerciales presentadas a la Comisión. Este asunto se ha identificado y comunicado al Consejo de Administración, en relación con el examen inicial de las reclamaciones por pérdidas comerciales presentadas por reclamantes de la categoría "D", en el informe N° 30 de fecha 17 de febrero de 2000, presentado por el Secretario Ejecutivo de la Comisión de conformidad con el artículo 16 de las Normas.

21. A solicitud del Grupo, la Secretaría realizó un examen en la Base de datos de las reclamaciones e identificó 20 reclamaciones de la presente serie "E4" en que podía haber superposición con otras reclamaciones de particulares por pérdidas comerciales presentadas a la Comisión. Esas 20 reclamaciones "E4" se han enumerado en el anexo III del presente informe.

22. El Grupo estima que se necesita más tiempo para determinar la naturaleza y alcance de la superposición entre esas reclamaciones "E4" y las mencionadas reclamaciones de particulares por pérdidas comerciales. En esta fase, con miras a disponer de tiempo para la elaboración y el examen adicionales que se necesitan, el Grupo ha recomendado que las reclamaciones consignadas en el anexo III se aplacen a una serie posterior de reclamaciones de la categoría "E4". Por consiguiente, el Grupo no ha formulado conclusiones acerca de las reclamaciones reseñadas en el mencionado anexo. En el presente informe las referencias que se hagan a la octava serie de reclamaciones se circunscriben a las restantes 119 reclamaciones consignadas en el anexo I.

23. Basándose en el examen de los documentos presentados y de la información adicional obtenida, el Grupo llegó a la conclusión de que las cuestiones planteadas por las reclamaciones de la octava serie se habían sustanciado adecuadamente, lo que hacía innecesaria cualquier actuación oral para seguir aclarando esas cuestiones.

III. MARCO JURÍDICO Y MÉTODOS DE VERIFICACIÓN Y VALORACIÓN

24. El marco jurídico y los métodos de verificación y valoración aplicados a la evaluación de las reclamaciones de esta serie son los mismos que se utilizaron en anteriores series "E4". Ese marco y esos métodos se examinan en los párrafos 25 a 62 del primer informe "E4". En los informes "E4" posteriores se examinan otras cuestiones jurídicas y de verificación y valoración que se plantearon en relación con esas series de reclamaciones "E4". En el presente informe no se repiten esos diversos elementos del examen efectuado por el Grupo, pero en cambio se hace referencia a las secciones de los informes "E4" precedentes en que se trataron esas cuestiones.

25. En los casos en que el Grupo encontró nuevas cuestiones que no se habían tratado en los anteriores informes "E4", el Grupo elaboró métodos para verificar y valorar las pérdidas. Estas nuevas cuestiones se examinan en el texto del presente informe. Las recomendaciones concretas del Grupo sobre las pérdidas por las que se pide indemnización en esta serie y las razones de dichas recomendaciones se exponen en los anexos del presente informe.

26. Antes de examinar las recomendaciones concretas del Grupo respecto de las indemnizaciones correspondientes a las reclamaciones de la octava serie, es importante insistir en que la manera en que el Grupo enfoca la verificación y valoración de esas reclamaciones establece un equilibrio entre la incapacidad del reclamante para aportar en todos los casos las pruebas más idóneas y el "riesgo de exageración" asociado a la insuficiencia de las pruebas. En este contexto, la expresión "riesgo de exageración", según se define en el párrafo 34 del primer informe "E4", se utiliza para referirse a aquellos casos en que las reclamaciones no están suficientemente probadas, lo que impide su cuantificación exacta y supone, por lo tanto, el riesgo de que se hayan exagerado.

IV. RECLAMACIONES

27. El Grupo examinó las reclamaciones según la naturaleza y el tipo de pérdida identificados. En consecuencia, las recomendaciones del Grupo se exponen según los tipos de pérdida. Las pérdidas reclasificadas se han tratado en la sección relativa a los tipos de pérdidas en que el Grupo las reclasificó.

A. Bienes inmuebles

28. Veinte reclamantes de esta serie presentaron reclamaciones por pérdida de bienes inmuebles por un total de 1.985.481 KD (unos 6.870.176 dólares). Esas reclamaciones se referían a daños causados a diversos locales en propiedad o arrendamiento en Kuwait.

29. Las reclamaciones por pérdida de bienes inmuebles incluidas en esta serie no plantearon ninguna nueva cuestión jurídica o de verificación y valoración. Las normas de resarcibilidad y los métodos de verificación y valoración adoptados por el Grupo para las reclamaciones por pérdida de bienes inmuebles se exponen en los párrafos 89 a 101 del primer informe "E4".

30. La naturaleza de los daños sufridos por los bienes inmuebles y la ubicación de dichos bienes en Kuwait demostraban que las pérdidas fueron consecuencia directa de la invasión y ocupación de Kuwait por el Iraq. Las recomendaciones se basaban en el costo efectivo de la reparación de los bienes inmuebles o en estimaciones de esos costos.

31. La mayoría de los reclamantes presentaron suficientes pruebas para establecer su interés respecto de los bienes inmuebles afectados y de las pérdidas alegadas. Sin embargo, como ya ocurrió en anteriores series de reclamaciones "E4", por lo general los reclamantes no excluyeron de sus reclamaciones los costos del mantenimiento regular ni de la depreciación. El Grupo ajustó las reclamaciones para tener en cuenta esos costos, en que se hubiera incurrido en el curso de la actividad normal de los reclamantes y que no eran consecuencia directa de la invasión y ocupación de Kuwait por el Iraq. El Grupo efectuó ajustes análogos en los casos en que existía una plusvalía no forzosa, tal como se explica en el párrafo 97 del primer informe "E4".

32. En el caso de las reclamaciones basadas en el costo estimado de la reparación, el Grupo pidió una explicación razonable de por qué el reclamante no había reparado o sustituido los bienes afectados. En ausencia de esa explicación, el Grupo ajustó la reclamación para compensar el "riesgo de exageración" así creado.

33. Las recomendaciones del Grupo sobre las pérdidas de bienes inmuebles se resumen en el anexo II.

B. Cosas corporales, existencias, dinero en efectivo y vehículos

34. En su mayoría, los reclamantes de la octava serie alegan pérdidas de cosas corporales. Las pérdidas, correspondientes a existencias, mobiliario y accesorios, equipo, vehículos y dinero en efectivo, ascienden en total a 29.604.208 KD (unos 102.436.706 dólares).

35. En lo que respecta a la resarcibilidad y la verificación y valoración de esas reclamaciones por pérdida de cosas corporales, el Grupo aplicó el criterio enunciado en los párrafos 108 a 135 del primer informe "E4".

36. Por lo general, los reclamantes de esta serie presentaron el mismo tipo de pruebas que se había presentado al Grupo en anteriores series "E4" en relación con reclamaciones por pérdida de cosas corporales. (Véase el segundo informe "E4", párrafos 55 y 56.)

37. Abdulla Sayid Rajab Al-Rifai & Sons General Trading & Cont. Co. presentó una reclamación por pérdida de activos fijos. El reclamante proporcionó copias de las facturas de compra de algunos de los activos que afirma se han perdido, así como la deposición de un empleado según la cual los activos fueron saqueados. La reclamación se basó en el valor contable neto de los activos al 1º de agosto de 1990.

38. Un examen de los estados financieros comprobados del reclamante demostró que la cantidad reclamada correspondía al valor contable neto de los activos fijos antes de la invasión de Kuwait por el Iraq. Sin embargo, las cuentas posteriores a la liberación también demostraron que el volumen de los activos fijos era parecido al existente antes de la invasión. Las facturas de compra presentadas no corroboraron la hipótesis de que el valor contable neto de los activos que figuraba en las cuentas posteriores a la liberación se refiriera a compras de bienes efectuadas después de la liberación de Kuwait. La pérdida extraordinaria registrada por los auditores del reclamante en las cuentas posteriores a la liberación tampoco reveló ni corroboró pérdida alguna de activos fijos. Por consiguiente, el hecho de la pérdida se basaba exclusivamente en la deposición del testigo, no corroborada en los estados financieros comprobados. En vista de la insuficiencia de pruebas que sustenten el hecho de la pérdida, el Grupo ha recomendado que se desestime esta reclamación.

39. Al Masar Co. for Trading Building Materials presentó una reclamación por pérdida de cosas corporales en relación con herramientas e instrumentos que estaban hipotecados en virtud de un acuerdo de préstamo bancario. Se presentó una copia de dicho acuerdo en el que figuraba una lista pormenorizada de los distintos bienes. Sin embargo, en los registros financieros del reclamante no figuraban esos bienes como activos fijos o existencias. El reclamante no explicó en qué se había basado para valorar los bienes, y la insuficiencia de pruebas no permitió al Grupo efectuar una valoración independiente de dichos bienes. Asimismo, el reclamante no aportó pruebas suficientes que corroboraran la magnitud de las pérdidas reclamadas o el tratamiento de sus obligaciones y de la hipoteca por el préstamo bancario después de la liberación de Kuwait. En vista de la insuficiencia de pruebas, el Grupo no recomendó ninguna indemnización por esta reclamación.

40. La mayoría de los reclamantes demostraron la existencia, la propiedad y el valor de las existencias perdidas con copias de cuentas comprobadas, facturas originales de adquisición y cálculos "arrastrados", según se define en el párrafo 119 del primer informe "E4". Algunos reclamantes intentaron basarse principalmente en las deposiciones de empleados o de terceros relacionados con ellos para establecer el hecho de la pérdida de existencias. En los casos en que el hecho de la pérdida no quedó suficientemente corroborado por pruebas, tales como pérdidas extraordinarias en los estados financieros comprobados después de la liberación, el Grupo recomendó que no se pagara indemnización por esas pérdidas.

41. Fakher Al-Kuwait Readymade presentó una reclamación por pérdida de existencias. En su cálculo arrastrado para determinar las existencias mantenidas el 1º de agosto de 1990, el reclamante utilizó el valor de las ventas que figuraba en sus estados financieros comprobados correspondientes a los primeros siete meses de 1990, así como facturas de las ventas durante ese período. Esas facturas revelaron un nivel de ventas muy superior al valor utilizado en el cálculo arrastrado. El Grupo revisó dicho cálculo utilizando el valor de las ventas corroborado por las facturas y el margen de beneficio bruto anterior del reclamante. El cálculo revisado puso de manifiesto que el reclamante no tenía existencias el 1º de agosto de 1990. Asimismo, el reclamante declaró haber hecho un inventario el 31 de julio de 1990, pero no dio ninguna explicación de por qué lo había hecho en esa fecha, cuando el ejercicio financiero normal terminaba en diciembre. En vista de la insuficiencia de las pruebas presentadas, el Grupo no ha recomendado ninguna indemnización por la pérdida de existencias reclamada.

42. Al-Rownaq Electrical Equipment and Contracting Co., minorista de equipo eléctrico, presentó una reclamación por pérdida de existencias. El reclamante, constituido en sociedad en abril de 1989, presentó en apoyo de su reclamación facturas de compra fechadas entre enero y julio de 1990. También presentó deposiciones de terceros relacionados con él en que se afirmaba que no había realizado ninguna venta desde la fecha de la constitución de la sociedad.

43. El Grupo señaló que el reclamante se había constituido en sociedad un año antes y había acumulado un nivel excesivo de existencias en los siete meses precedentes a la invasión. Dado el volumen de las compras, el Grupo consideró que el reclamante no había explicado o justificado suficientemente su afirmación de no haber vendido nada de lo que se había acumulado en esos siete meses. Tampoco presentó ningún estado financiero ni otros documentos independientes que corroboraran el hecho o la cuantía de las pérdidas de existencias. Ante esa situación y ante la falta de pruebas, el Grupo recomendó que se desestimara esta reclamación.

44. Al igual que en series anteriores de reclamaciones "E4", las reclamaciones por pérdidas de mercancías en tránsito se refieren a mercancías presentes en Kuwait el día de la invasión por el Iraq y perdidas posteriormente. Los reclamantes cuyas reclamaciones fueron aceptadas pudieron presentar pruebas suficientes del pago de la mercancía y establecer la propiedad, existencia y pérdida de la mercancía mediante certificados emitidos por autoridades portuarias o consignatarios de buques kuwaitíes.

45. En su mayoría, los reclamantes que pedían una indemnización por pérdida de dinero en efectivo apoyaban sus reclamaciones en deposiciones de terceros relacionados con los reclamantes, sin dar más pruebas en apoyo de esas reclamaciones. Cuando las reclamaciones por pérdida de dinero en efectivo no iban apoyadas por pruebas contemporáneas que establecieran la posesión y el importe del dinero en efectivo en poder del reclamante el 2 de agosto de 1990, el Grupo recomendó que no se pagara ninguna indemnización.

46. Casi todos los reclamantes que alegaban pérdida de vehículos pudieron demostrar sus pérdidas presentando copias de certificados de baja y documentos adicionales, como cuentas comprobadas posteriores a la liberación y deposiciones de testigos que corroboraban el hecho y las circunstancias de las pérdidas.

47. Al Maqeeb & Khattar Co. presentó una reclamación por pérdida de vehículos comerciales y de motor. El reclamante presentó fotografías de determinados vehículos dañados. Sin embargo, no aportó ningún certificado de baja en el registro de esos vehículos, pese a que se le habían pedido esos documentos (véase el párrafo 17 *supra*). Los estados financieros comprobados del reclamante correspondientes al período posterior a la liberación de Kuwait tampoco revelaron la pérdida de ningún vehículo. En vista de la insuficiencia de las pruebas aducidas, el Grupo ha recomendado que no se pague ninguna indemnización por esta reclamación.

48. Las recomendaciones del Grupo sobre pérdidas de cosas corporales, existencias, dinero en efectivo y vehículos se resumen en el anexo II.

C. Pagos efectuados o reparación prestada a terceros

49. Un reclamante de esta serie presentó una reclamación por un total de 15.183 KD (unos 52.536 dólares) por pagos efectuados o reparación prestada a terceros.

50. Esta reclamación, presentada por Hamad Al-Mutawa Trading Establishment Hamad Khalid Al-Mutawa & Partners (W.L.L.), se refería a los pagos efectuados a diversos empleados en concepto de indemnización por rescisión de nombramiento. Al examinar esta reclamación por pagos efectuados o socorro prestado a terceros, el Grupo aplicó el enfoque y los métodos de verificación y valoración descritos en anteriores informes "E4". (Véase, por ejemplo, el segundo informe "E4", párrs. 70 a 74.)

51. En cuanto a la reclamación relativa a las indemnizaciones por rescisión de nombramiento, el Grupo observó que el reclamante sólo había presentado una nómina de los empleados a los que afirmaba haber pagado la indemnización. No presentó ningún documento que demostrara que los pagos se habían hecho efectivamente o que esas personas eran empleados suyos antes de la invasión de Kuwait por el Iraq. En vista de la insuficiencia de pruebas, el Grupo ha recomendado que no se pague indemnización por esta reclamación.

52. Las recomendaciones del Grupo sobre las reclamaciones por pagos efectuados o reparación prestada a terceros se resumen en el anexo II.

D. Lucro cesante

53. El 77% de los reclamantes de esta serie presentaron reclamaciones por lucro cesante por un total de 13.100.020 KD (unos 45.328.789 dólares).

54. Las reclamaciones de esta serie plantearon cuatro importantes cuestiones de hecho y de derecho que ya planteaban las reclamaciones de la primera serie. Esas cuestiones se refieren al impacto y la evaluación de: i) los beneficios recibidos en virtud del programa del Gobierno de Kuwait de liquidación de deudas con posterioridad a la liberación, ii) los beneficios inesperados o excepcionales obtenidos por los reclamantes durante el período inmediatamente posterior a la liberación de Kuwait, iii) el período de indemnización para las reclamaciones por lucro cesante y iv) las reclamaciones por lucro cesante basadas selectivamente en sectores de actividad rentables. Las conclusiones a que llegó el Grupo en relación con estas cuestiones figuran en los párrafos 161 a 193 del primer informe "E4". En su examen y recomendaciones el Grupo ha aplicado esas conclusiones a las reclamaciones por lucro cesante de la presente serie.

55. Aunque se les pidió reiteradamente, algunos reclamantes de la octava serie no presentaron cuentas anuales de los tres ejercicios financieros anteriores y posteriores a la invasión y ocupación de Kuwait por el Iraq. El Grupo observó que en algunos casos se explicó suficientemente el hecho de no haber presentado las cuentas, por ejemplo, cuando el reclamante había iniciado sus actividades comerciales en el período entre 1987 y 1990 o cuando el reclamante había cesado sus actividades tras la invasión y ocupación de Kuwait por el Iraq.

56. Se consideró que las reclamaciones por lucro cesante de las empresas que no aportaron un conjunto completo de cuentas comprobadas de los períodos pertinentes presentaban un "riesgo de exageración", a menos que se explicara suficientemente la razón de no haber presentado esas cuentas.

57. El método de verificación y valoración adoptado por el Grupo para las reclamaciones por lucro cesante se expone en los párrafos 194 a 202 del primer informe "E4".

58. Al Behar for Loading Voiding Ships and Delivery Cargo Co. quedó constituida en sociedad poco antes de la invasión de Kuwait por el Iraq. El reclamante presentó una reclamación por lucro cesante, aduciendo los beneficios que le habría reportado el suministro de jornaleros en el ámbito de dos contratos. Vista la fecha de la constitución de la sociedad, no se disponía de pruebas del rendimiento financiero anterior. El reclamante tampoco presentó ninguna otra prueba que demostrara que los dos contratos habrían resultado rentables. En vista de la insuficiencia de las pruebas aportadas en relación con la capacidad del reclamante de ejecutar los contratos de manera que le reportaran beneficios, el Grupo ha recomendado que no se pague ninguna indemnización por esta reclamación.

59. Las recomendaciones del Grupo sobre las pérdidas por lucro cesante se resumen en el anexo II.

E. Cuentas por cobrar

60. Diez reclamantes de esta serie presentaron reclamaciones, por un total de 2.266.792 KD (unos 7.843.571 dólares), por cuentas incobrables o "deudas de dudoso cobro". Todas estas reclamaciones se refieren a cantidades debidas por empresas o particulares establecidos en Kuwait antes de la invasión por el Iraq.

61. Al igual que en series anteriores de reclamaciones "E4", la mayoría de los reclamantes pidió una indemnización por deudas que no se habían podido cobrar porque los deudores no habían regresado a Kuwait tras la liberación. El Grupo reitera su resolución sobre esta cuestión, que figura en los párrafos 209 y 210 del primer informe "E4", a saber, que en las reclamaciones por deudas que hayan resultado incobrables como consecuencia directa de la invasión y ocupación de Kuwait por el Iraq hay que demostrar, mediante pruebas documentales u otras pruebas idóneas, la naturaleza y la cuantía de la deuda de que se trate y las circunstancias que hicieron que la deuda resultara incobrable.

62. Las reclamaciones de la octava serie por deudas incobrables se verificaron y valoraron de la manera que se describe en los párrafos 211 a 215 del primer informe "E4".

63. Como se ha indicado más arriba, el Grupo ha desestimado las reclamaciones basadas en la simple afirmación de que las deudas no cobradas eran ipso facto incobrables porque los deudores no habían regresado a Kuwait. Casi ningún reclamante presentó pruebas que demostraran que la incapacidad de los deudores para pagar era consecuencia directa de la invasión y ocupación de Kuwait por el Iraq. Esta situación se puso en conocimiento de los reclamantes, en el contexto de la información adicional que se les pedía (véase párrafo 17 supra). Aunque se recibieron de los reclamantes diversas respuestas, ninguna cumplía los criterios mencionados.

64. Las recomendaciones del Grupo sobre las reclamaciones por deudas incobrables se resumen en el anexo II.

F. Costos de reanudación de la actividad comercial

65. Once reclamantes de esta serie presentaron reclamaciones por un total de 188.207 KD (unos 651.235 dólares) por costos de reanudación de la actividad comercial. Las sumas reclamadas como costos de reanudación de la actividad comercial se han examinado utilizando el método expuesto en los párrafos 221 a 223 del primer informe "E4" y en los párrafos 93 a 96 del segundo informe "E4".

66. Kuwait National Construction Building Materials Manufacturing and Trading Co. (K.S.C.) dio instrucciones a una sociedad gestora de fondos de Alemania para que constituyera un fondo fiduciario y transfiriera a ese fondo los activos que mantenía en Alemania. El reclamante afirma que tomó esa medida para impedir la adquisición de los activos por las autoridades iraquíes, y pide una indemnización por los costos de esa operación. El reclamante no presentó ninguna prueba que demostrara que los activos mantenidos en Alemania corrieran algún peligro real de ser adquiridos por las autoridades iraquíes. El Grupo concluyó que la decisión de crear el acuerdo de tutela en Alemania había sido una decisión comercial independiente, que no era consecuencia directa de la invasión y ocupación de Kuwait por el Iraq. Por esta razón, el Grupo recomendó que no se pagara ninguna indemnización por esta reclamación.

67. Las recomendaciones del Grupo sobre los costos de reanudación de la actividad comercial se resumen en el anexo II.

G. Otras pérdidas

68. Siete reclamantes de este serie presentaron reclamaciones por otras pérdidas por un total de 695.764 KD (unos 2.407.487 dólares).

69. Mohammed Sha'alan and Wafic Berry Co. W.L.L. Textile and Readywear presentó una reclamación por la pérdida de las primas pagadas por el arrendamiento de dos locales que fueron destruidos. El reclamante indicó que esas cantidades se pagaban para obtener el arrendamiento de las propiedades y que se añadían al alquiler normal. El reclamante no presentó ningún documento, aparte de la deposición de un testigo, que demostrara el pago efectivo de las primas. Tampoco aportó documentos que probaran la magnitud de los daños a los locales o explicaran por qué no fueron reparados. En vista de la insuficiencia de pruebas, el Grupo ha recomendado que se desestime esta reclamación.

70. Kuwait and Middle East Financial Investment Company presentó una reclamación por los gastos de establecimiento y funcionamiento de oficinas exteriores durante la invasión y ocupación de Kuwait por el Iraq y por un breve período de tiempo después. El Grupo consideró que esos gastos representaban costos adicionales como consecuencia directa de la invasión y ocupación de Kuwait por el Iraq. El Grupo ha recomendado que se pague una indemnización

por esos gastos en la medida en que el reclamante presente pruebas suficientes de que los gastos efectuados fueron para las oficinas exteriores. Sin embargo, el Grupo ajustó la indemnización recomendada para contrarrestar el "riesgo de exageración" asociado a la insuficiencia de pruebas respecto de los esfuerzos del reclamante para aminorar su pérdida.

71. Tola Gold Company Fatema Hussein Al Eassa and Partners presentó una reclamación en relación con intereses y comisiones bancarias pagados por determinadas cartas de garantía. Antes del 2 de agosto de 1990, el reclamante recibió una partida de oro a cuenta de dos cartas de garantía emitidas por bancos locales. Las cartas tenían validez hasta el 3 de marzo de 1991 y el reclamante afirma que no efectuó ningún pago en el momento de la entrega, ya que su práctica habitual era hacerlo en la fecha de vencimiento. El reclamante afirma que, debido a la invasión de Kuwait por el Iraq, el beneficiario cobró las cartas de garantía muy pronto después del 2 de agosto de 1990. De esta manera, a las cuentas del reclamante se adeudó el monto de la garantía, y del 1º de agosto de 1990 al 21 de diciembre de 1991 se le cargaron intereses y comisiones. El reclamante no presentó los acuerdos de garantía ni ningún otro documento que corroborara su afirmación de que el pago no se habría hecho normalmente en el momento de la entrega. Además, puesto que el oro se había entregado, el Grupo consideró que, en circunstancias normales, habría sido razonable que el beneficiario pidiera el pago en cualquier momento después de la entrega. Por esas razones, el Grupo estimó que el reclamante no había demostrado suficientemente que la suma reclamada representara pérdidas sufridas como consecuencia directa de la invasión y ocupación de Kuwait por el Iraq. En consecuencia, el Grupo recomendó que no se indemnizara esta reclamación.

72. La reclamación de Gulf Colour Film Lab Company contenía un error aritmético, por el que el valor de la reclamación indicado en el formulario E resultaba aumentado en 9.999 dinares kuwaitíes. A los efectos de la presentación de informes, esa cantidad se reclasificó en otras pérdidas y se ha recomendado que no se pague una indemnización al respecto.

73. Las reclamaciones por "otras pérdidas" que se han tratado en anteriores series "E4" se examinaron de la manera expuesta en anteriores informes "E4". (Véase por ejemplo, el segundo informe "E4", párrafo 108, sobre el trato dado a los gastos pagados por adelantado.)

74. Las recomendaciones del Grupo sobre otras pérdidas se resumen en el anexo II.

V. OTRAS CUESTIONES

A. Fechas aplicables al tipo de cambio de monedas y a los intereses

75. Para la determinación de las fechas aplicables al tipo de cambio y a los intereses, el Grupo ha adoptado el mismo criterio que se expone en los párrafos 226 a 233 del primer informe "E4".

B. Costos de preparación de las reclamaciones

76. El Secretario Ejecutivo de la Comisión ha informado al Grupo de que el Consejo de Administración se propone resolver en su día la cuestión de los costos de preparación de las reclamaciones. En consecuencia, el Grupo no ha formulado recomendación alguna sobre la indemnización de los costos de preparación de las reclamaciones.

VI. INDEMNIZACIONES RECOMENDADAS

77. Basándose en lo que antecede, las indemnizaciones recomendadas por el Grupo para los reclamantes de la octava serie de reclamaciones de la categoría "E4" figuran en el anexo I del presente informe. Los principios en que se basan las recomendaciones del Grupo respecto de esta serie se resumen en el anexo II del presente informe. Al haberse redondeado al KD más próximo todas las cantidades, éstas pueden variar en un KD respecto de las cantidades enunciadas en el formulario E.

Ginebra, 30 de junio de 2000
