## INTRODUCCIÓN

1. En su 30º período de sesiones, celebrado los días 14 a 16 de diciembre de 1998, el Consejo de Administración de la Comisión de Indemnización de las Naciones Unidas (la "Comisión") nombró para integrar el segundo Grupo de Comisionados (el "Grupo") encargado de examinar las reclamaciones de la categoría "E4" a los Sres. Luis Olavo Baptista ("Presidente"), Jean Naudet y Jianxi Wang. Se trata de reclamaciones de sociedades del sector privado y entidades kuwaitíes, con exclusión de las presentadas por el sector petrolero y las reclamaciones por daños al medio ambiente, con derecho a pedir indemnización al amparo de los "Formularios para las reclamaciones dimanantes de sociedades u otras entidades" ("formulario E") establecidos por la Comisión.
2. De conformidad con el artículo 32 de las Normas provisionales relativas al procedimiento de tramitación de las reclamaciones (S/AC.26/1992/10) (las "Normas"), el 25 de enero de 2001 se presentó al Grupo la decimosexta serie de 121 reclamaciones "E4". Como se explica en el párrafo 10, el Grupo ha dispuesto que la secretaría transfiera una de estas reclamaciones a la categoría "D".
3. De conformidad con el artículo 38 de las Normas, el presente informe contiene las recomendaciones del Grupo al Consejo de Administración acerca de la decimosexta serie de reclamaciones.

### I. EXAMEN GENERAL DE LA DECIMOSEXTA SERIE DE RECLAMACIONES

4. Las reclamaciones de la decimosexta serie se eligieron entre unas 2.750 reclamaciones "E4" sobre la base de criterios entre los que figuran la envergadura, cuantía y complejidad de las reclamaciones, los problemas de hecho, de derecho y de valoración que plantean y la fecha en que se presentaron a la Comisión.
5. En las reclamaciones de la decimosexta serie se imputan pérdidas por un total de 55.326.805 dinares kuwaitíes ("KD") (unos 191.442.232 dólares de los EE.UU.). Los reclamantes también piden intereses por un total de 2.071.762 KD (unos 7.168.727 dólares) y el pago de los costos de preparación de las reclamaciones, por un total de 245.828 KD (unos 850.616 dólares).
6. Habida cuenta de la naturaleza de las cuestiones de hecho y de derecho planteadas en cada reclamación y el volumen de documentación aportada en apoyo de las pérdidas reclamadas, el Grupo ha podido terminar la verificación de las reclamaciones de la decimosexta serie en el plazo de 180 días a partir de la fecha de su presentación.
7. Todos los reclamantes de la decimosexta serie desarrollaban actividades en Kuwait antes de la invasión y ocupación de ese país por el Iraq. En su mayoría, esas empresas realizaban actividades mercantiles. Algunas realizaban actividades en el sector de las manufacturas y los servicios.

8. Los dos tipos de pérdidas que los reclamantes de esta serie alegan con más frecuencia son la pérdida de cosas corporales (principalmente existencias, mobiliario, accesorios, equipo y vehículos) y la pérdida de ganancias o beneficios. Dentro de la categoría "otras pérdidas", los reclamantes también han pedido indemnización por deudas incobrables, costos de reanudación de la actividad empresarial, intereses y costos de preparación de las reclamaciones.

## II. TRAMITACIÓN

9. Antes de que se presentaran al Grupo las reclamaciones de la decimosexta serie, la Secretaría efectuó una evaluación preliminar de las reclamaciones de conformidad con las Normas. Ese examen se describe en el párrafo 11 del "Informe y recomendaciones del Grupo de Comisionados acerca de la primera serie de reclamaciones "E4"" (S/AC.26/1999/4) (el "primer informe "E4"). Los resultados de este examen se introdujeron en una base de datos centralizada de la Secretaría (la "Base de datos de las reclamaciones").

10. Inicialmente, 11 reclamaciones adolecían de defectos formales y la Secretaría envió notificaciones a los reclamantes, de conformidad con el artículo 15 de las Normas. La mayoría de los reclamantes subsanaron todos los defectos formales. Se envió una notificación a un reclamante, Al Gazelle Club, en la que se pedía que se presentara una copia de los estatutos o documentos similares con la información solicitada en el párrafo 2 del artículo 14 de las Normas. En su respuesta, recibida el 11 de abril de 2001, el reclamante afirmó que no poseía estatutos puesto que su empresa tenía un único dueño, a saber, los herederos de un ciudadano kuwaití. Al tratarse de un establecimiento comercial de un único dueño, y no de una sociedad anónima, el Grupo dispuso que la Secretaría transfiriera esta reclamación a la categoría "D". Por consiguiente, el Grupo no ha formulado una recomendación en relación con esta reclamación.

11. Se llevó a cabo un examen sustantivo de las reclamaciones con el fin de determinar las cuestiones de derecho, de hecho y de valoración importantes. Los resultados del examen, incluidas las cuestiones que se consideraron importantes, se registraron en la Base de datos de las reclamaciones.

12. El Secretario Ejecutivo de la Comisión presentó al Consejo de Administración, de conformidad con el artículo 16 de las Normas, los informes Nos. 32 y 33, de fechas 6 de julio de 2000 y 6 de octubre de 2000, respectivamente. Los informes abarcaban, entre otras cosas, la decimosexta serie de reclamaciones "E4", y en ellos se presentaban importantes cuestiones de hecho y de derecho observadas en esas reclamaciones. Varios gobiernos, entre ellos el Gobierno del Iraq, presentaron a la Secretaría información y opiniones adicionales en respuesta a los informes preparados por el Secretario Ejecutivo de conformidad con el artículo 16.

13. Al terminar i) la evaluación preliminar; ii) el examen sustantivo; y iii) la presentación de informes con arreglo al artículo 16, se pusieron a disposición del Grupo los siguientes documentos:

- a) Documentos de la reclamación presentada por los reclamantes;
- b) Informes de la evaluación preliminar preparados de conformidad con el artículo 14 de las Normas;

- c) Información y opiniones de los gobiernos, incluido el del Iraq, recibidas en respuesta a los informes previstos en el artículo 16; y
- d) Otras informaciones consideradas útiles para la labor del Grupo con arreglo al artículo 32 de las Normas.

14. Por las razones que se exponen en el párrafo 17 del primer informe "E4", el Grupo contrató los servicios de una empresa de contabilidad y de una empresa de liquidación de pérdidas. El Grupo encargó a los consultores expertos que examinaran cada reclamación de la decimosexta serie de conformidad con los métodos de verificación y valoración elaborados por el Grupo y pidió a los consultores expertos que le presentaran un informe detallado sobre cada reclamación, junto con un resumen de sus conclusiones.

15. En virtud de su providencia de trámite de fecha 25 de enero de 2001, el Grupo comunicó su intención de terminar su examen de las reclamaciones de la decimosexta serie y presentar su informe y sus recomendaciones al Consejo de Administración en el plazo de 180 días a partir de esa fecha. Esa providencia de trámite se remitió al Gobierno del Iraq y al Gobierno de Kuwait.

16. De conformidad con el artículo 34 de las Normas, se pidió a los reclamantes información y pruebas adicionales para ayudar al Grupo en su examen de las reclamaciones. Cuando los reclamantes no pudieron presentar las pruebas solicitadas se les pidió que expusieran las razones por las que no habían podido hacerlo. Todas las peticiones de información y de pruebas adicionales se enviaron por conducto de la Autoridad Pública de Kuwait para la evaluación de las indemnizaciones por daños resultantes de la agresión iraquí ("PAAC"). Se pidió información adicional sobre todas las reclamaciones "E4" y no sólo sobre las reclamaciones de la decimosexta serie.

17. Las peticiones de información y de pruebas adicionales se han descrito en informes anteriores de esta categoría, por ejemplo en los párrafos 19 a 24 del "Informe y recomendaciones del Grupo de Comisionados acerca de la cuarta serie de reclamaciones "E4"" (S/AC.26/1999/18) (el "cuarto informe "E4"") y en el párrafo 18 del "Informe y recomendaciones del Grupo de Comisionados acerca de la sexta serie de reclamaciones "E4"" (S/AC.26/2000/8) (el "sexto informe "E4""). En el presente informe no se vuelven a indicar esas peticiones de información.

18. Se llevó a cabo una nueva verificación para determinar si ciertos reclamantes relacionados entre sí habían presentado reclamaciones por duplicado. Ese examen se describe en el párrafo 18 del "cuarto informe "E4"". De conformidad con el artículo 34 de las Normas, la Secretaría también pidió aclaraciones específicas a un reclamante de la decimosexta serie, la Kuwait Food Processing Company. El Grupo ha considerado la respuesta presentada por este reclamante.

19. Basándose en el examen de los documentos presentados y de la información adicional obtenida, el Grupo llegó a la conclusión de que las cuestiones planteadas por las reclamaciones de la decimosexta serie se habían sustanciado adecuadamente, lo que hacía innecesaria cualquier actuación oral para ayudar al Grupo a examinar las reclamaciones.

### III. MARCO JURÍDICO Y MÉTODOS DE VERIFICACIÓN Y VALORACIÓN

20. El marco jurídico y los métodos de verificación y valoración aplicados a la evaluación de las reclamaciones de esta serie son los mismos que se utilizaron en anteriores series "E4". Ese marco y esos métodos se examinan en los párrafos 25 a 62 del primer informe "E4". En los informes "E4" posteriores se examinan otras cuestiones jurídicas y de verificación y valoración que se plantearon en relación con esas series de reclamaciones "E4". En el presente informe no se repiten esos diversos elementos del examen efectuado por el Grupo, pero en cambio se hace referencia a las secciones de los informes "E4" precedentes en que se trataron esas cuestiones.

21. En los casos en que el Grupo encontró nuevas cuestiones que no se habían tratado en los anteriores informes "E4", el Grupo elaboró métodos para verificar y valorar las pérdidas. Estas nuevas cuestiones se examinan en el texto del presente informe. Las recomendaciones concretas del Grupo sobre las pérdidas por las que se pide indemnización en esta serie y las razones de dichas recomendaciones se exponen en los anexos del presente informe.

22. Antes de examinar las recomendaciones concretas del Grupo respecto de las indemnizaciones correspondientes a las reclamaciones de la decimosexta serie, es importante insistir en que la manera en que el Grupo enfoca la verificación y valoración de esas reclamaciones establece un equilibrio entre la incapacidad del reclamante para aportar en todos los casos las pruebas más idóneas y el "riesgo de exageración" que entraña la insuficiencia de pruebas. En este contexto, la expresión "riesgo de exageración", según se define en el párrafo 34 del primer informe "E4", se utiliza para referirse a aquellos casos en que las reclamaciones no están suficientemente probadas, lo que impide su cuantificación exacta y supone, por lo tanto, el riesgo de que se hayan exagerado.

### IV. RECLAMACIONES

23. El Grupo examinó las reclamaciones según la naturaleza y el tipo de pérdida especificados. En consecuencia, las recomendaciones del Grupo se exponen según los tipos de pérdida. Las pérdidas reclasificadas se han tratado en la sección relativa a los tipos de pérdidas en que el Grupo las reclasificó.

#### A. Pérdidas contractuales

24. Dos reclamantes de la presente serie afirmaron haber sufrido pérdidas contractuales por la suma de 39.574 KD (unos 136.934 dólares). Las reclamaciones por pérdidas contractuales de esta serie no se refieren a contratos con el Gobierno del Iraq o a contratos que debían ejecutarse en ese país.

25. El criterio adoptado por el Grupo respecto de la resarcibilidad de las pérdidas contractuales se expone en anteriores informes "E4", y el método de verificación y valoración adoptado por el Grupo para las reclamaciones por pérdidas contractuales se examina en los párrafos 77 a 84 del primer informe "E4".

26. Najd Industry & Trading Co. presentó una reclamación por pérdidas en el tipo de cambio utilizado en un contrato. En junio de 1990, el reclamante celebró un contrato con el Instituto

Kuwaití para la Investigación Científica ("KISR") para instalar una unidad sistemática para probar materiales catalíticos. El contrato debía haberse finalizado en junio de 1991, pero su ejecución fue interrumpida por la invasión y ocupación de Kuwait por el Iraq. En octubre de 1991, el reclamante y el KISR convinieron en reactivar el contrato con un período ampliado de ejecución pero sin modificación en el precio. En 1992, el reclamante efectuó gastos en relación con la importación de materiales necesarios para el contrato. El reclamante sostuvo que los tipos de cambio aplicables en 1992 eran superiores a los que habrían sido aplicables si hubiera podido importar los materiales en 1990. El reclamante pide indemnización por el aumento de los costos debido a los tipos de cambio en 1992.

27. En sus comunicaciones, el reclamante indicó que cuando decidió reactivar el contrato con el KISR sabía que sufriría algunas pérdidas si la reactivación se convenía a los precios anteriores a la invasión. Sin embargo, en su relación de daños y perjuicios, el reclamante afirmó que había optado por reactivar el contrato sin modificar el precio a fin de proteger su relación comercial con el KISR para contratos futuros. Por consiguiente, el Grupo estimó que la pérdida sufrida en relación con el contrato reactivado fue el resultado de una decisión comercial independiente tomada por el reclamante y no una consecuencia directa de la invasión y ocupación de Kuwait por el Iraq. Por consiguiente, el Grupo no recomienda una indemnización respecto de esta reclamación.

28. Las recomendaciones del Grupo sobre las pérdidas contractuales se resumen en el anexo II.

#### B. Bienes inmuebles

29. Veintidós reclamantes de esta serie presentaron reclamaciones por pérdida de bienes inmuebles por un total de 2.998.841 KD (unos 10.376.612 dólares). Esas reclamaciones se referían a daños causados a diversos locales en propiedad o arrendamiento en Kuwait.

30. Las normas de resarcibilidad y los métodos de verificación y valoración adoptados por el Grupo para las reclamaciones por pérdida de bienes inmuebles se exponen en los párrafos 89 a 101 del primer informe "E4".

31. Los reclamantes de esta serie presentaron el mismo tipo de pruebas que el Grupo tuvo ante sí cuando examinó las reclamaciones por bienes inmuebles en series anteriores "E4". Las pruebas se describen en los párrafos 102 a 106 del primer informe "E4".

32. Al Jahma Cement Bricks & General Contracting Co. presentó una reclamación por daños sufridos en el edificio de su fábrica. El reclamante facilitó fotografías y declaraciones testimoniales para sustanciar la pérdida sufrida. El reclamante también presentó pruebas que demostraban que en 1994 había vendido el edificio afectado por un valor considerablemente superior al valor contable neto que tenía el 2 de agosto de 1990. El reclamante no presentó pruebas que indicaran que había efectuado gastos o realizado obras que habrían aumentado el valor del edificio entre el 2 de agosto de 1990 y la fecha de la venta. Habida cuenta de la venta, el Grupo estimó que el reclamante no proporcionó pruebas suficientes que demostraran haber sufrido una pérdida en relación con el edificio. Por consiguiente, el Grupo no recomienda indemnización respecto de esta reclamación.

33. Las recomendaciones del Grupo sobre las pérdidas de bienes inmuebles se resumen en el anexo II.

C. Cosas corporales, existencias, dinero en efectivo y vehículos

34. En su mayoría, los reclamantes de la decimosexta serie alegan pérdidas de cosas corporales. Las pérdidas, correspondientes a existencias, mobiliario y accesorios, equipo, vehículos y dinero en efectivo, ascienden en total a 25.085.646 KD (unos 86.801.543 dólares).

35. En lo que respecta a la resarcibilidad y la verificación y valoración de esas reclamaciones, el Grupo aplicó el criterio enunciado en los párrafos 108 a 135 del primer informe "E4".

36. Las reclamaciones por pérdida de cosas corporales en esta serie no plantearon nuevas cuestiones jurídicas o de verificación y valoración. Los reclamantes de esta serie presentaron el mismo tipo de pruebas que se habían presentado al Grupo en anteriores series "E4" en relación con reclamaciones por pérdida de cosas corporales. Estas pruebas se describen en los párrafos 47 y 48 del cuarto informe "E4".

37. Las reclamaciones por pérdida de existencias y mercancías en tránsito presentadas en esta serie no plantearon nuevas cuestiones jurídicas o de verificación y valoración. La mayoría de los reclamantes demostraron la existencia, la propiedad y el valor de las existencias perdidas con copias de cuentas comprobadas, facturas originales de compra y cálculos "arrastrados", según se define en el párrafo 119 del primer informe "E4". Algunos reclamantes se basaron principalmente en las deposiciones de empleados o de terceros relacionados con ellos para establecer el hecho de la pérdida de existencias. En los casos en que el hecho de la pérdida no quedó suficientemente corroborado por pruebas, tales como pérdidas extraordinarias en los estados financieros comprobados después de la liberación, el Grupo recomendó que no se pagara indemnización.

38. Al igual que en series anteriores "E4", la mayoría de las reclamaciones por pérdida de mercancías en tránsito se refieren a mercancías presentes en Kuwait el día de la invasión por el Iraq y perdidas posteriormente. Los reclamantes cuyas reclamaciones fueron aceptadas presentaron pruebas suficientes del pago de las mercancías y demostraron la propiedad, existencia y pérdida de éstas mediante certificados emitidos por autoridades portuarias o consignatarios de buques kuwatíes.

39. Muchos reclamantes que pedían una indemnización por pérdida de dinero en efectivo basaron sus reclamaciones en deposiciones de terceros con los que habían tenido alguna relación y no aportar otras pruebas para sustanciar esas reclamaciones. Cuando las reclamaciones por pérdida de dinero en efectivo no estaban sustanciadas por pruebas contemporáneas suficientes que acreditaran la posesión y el importe del dinero en efectivo en poder del reclamante el 2 de agosto de 1990, el Grupo recomendó que no se las indemnizara.

40. Saleh Jamal & Co. presentó una reclamación por pérdida de dinero en efectivo. La mayor parte de su reclamación se refería a dinero en efectivo que, según se afirmaba, había estado depositado en bancos del Iraq el 2 de agosto de 1990. El reclamante presentó una declaración del banco Al Rafidain en el Iraq y un documento interno manuscrito que indicaba el saldo al 31 de marzo de 1990. En la declaración del banco Al Rafidain se indicaba que el reclamante poseía

algunos fondos en el Iraq al 30 de septiembre de 1989. El reclamante afirmó que el dinero representaba pagos en cuotas correspondientes a contratos que se ejecutaban en el Iraq y que el dinero se transfería a Kuwait cada trimestre. El Grupo también tuvo en cuenta las opiniones del Grupo "E3" en relación con las reclamaciones de dinero depositado en bancos iraquíes de que "para que esas reclamaciones prosperen habría que probar en cada caso que el Iraq habría permitido el cambio de esos fondos en divisa convertible con fines de exportación". ("Informe y recomendaciones del Grupo de Comisionados acerca de la cuarta serie de reclamaciones "E3"", S/AC.26/1999/14, párr. 144). Si bien el reclamante afirmó que las sumas podían ser repatriadas, no presentó pruebas que sustentaran esta afirmación. Además, el reclamante no presentó pruebas del movimiento de dinero en efectivo entre el 30 de septiembre de 1989 y el 2 de agosto de 1990. El reclamante tampoco presentó documentos probatorios del saldo en el Iraq el 2 de agosto de 1990. Por consiguiente, el Grupo estimó que el reclamante no presentó pruebas suficientes que sustentaran su reclamación, por lo que recomendó que no se otorgara indemnización respecto de esa reclamación.

41. Las reclamaciones por pérdida de vehículos presentadas en esta serie no plantearon nuevas cuestiones jurídicas o de verificación y valoración. La mayoría de los reclamantes que alegaban pérdida de vehículos pudieron demostrar sus pérdidas presentando copias de certificados de baja y documentos adicionales, como cuentas comprobadas posteriores a la liberación y deposiciones de testigos que corroboraban el hecho y las circunstancias de las pérdidas.

42. Las recomendaciones del Grupo sobre pérdidas de cosas corporales, existencias, dinero en efectivo y vehículos se resumen en el anexo II.

#### D. Pagos efectuados o reparación prestada a terceros

43. Diez reclamantes de esta serie presentaron reclamaciones por pagos efectuados o reparación prestada a terceros por un total de 383.530 KD (aproximadamente 1.327.093 dólares).

44. Al examinar estas reclamaciones, el Grupo aplicó el criterio y los métodos de verificación y valoración descritos en informes anteriores "E4", por ejemplo en los párrafos 59 a 63 del cuarto informe "E4".

45. La Sociedad de la Media Luna Roja Kuwaití presentó una reclamación por pagos efectuados o reparación prestada a terceros que incluía el costo correspondiente a la compra de vestimenta y medicamentos con fines de socorro. El reclamante también pidió indemnización por el costo de transporte de los suministros de socorro de Bahrein a Kuwait. El Grupo tuvo en cuenta la opinión del grupo "F2" en cuanto a la necesidad de determinar el carácter temporal y extraordinario de estos gastos. (Véase el "Informe y recomendaciones del Grupo de Comisionados acerca de la primera serie de reclamaciones "F2"", S/AC.26/1999/23, párr. 31.) Por consiguiente, al examinar esas reclamaciones, el Grupo observó que era necesario determinar el carácter de los gastos realizados. Sobre la base de las pruebas presentadas, el Grupo estimó que los gastos relacionados con la compra de vestimenta y medicamentos eran gastos generales y ordinarios efectuados por el reclamante como parte de sus operaciones normales. Por consiguiente, el Grupo recomienda que esta parte de la reclamación se reclasifique como lucro cesante. El Grupo estimó que los gastos de transporte eran gastos temporales y extraordinarios efectuados como consecuencia directa de la invasión y ocupación de Kuwait por el Iraq dado que el reclamante tuvo que trasladar sus operaciones a Bahrein. El

Grupo examinó las pruebas presentadas en relación con los gastos de transporte y observó que el reclamante había proporcionado pruebas suficientes de la suma total reclamada en concepto de gastos de transporte, pero que debía hacerse un ajuste en la reclamación debido a los tipos de cambio utilizados por el reclamante en el cálculo de los costos. Puesto que se trató de una consecuencia directa de la invasión y ocupación de Kuwait por el Iraq, y que se acompañó a la reclamación pruebas suficientes, el Grupo recomienda que se indemnicen estos gastos de transporte específicos y no ordinarios previo ajuste por los tipos de cambio.

46. Las recomendaciones del Grupo sobre las reclamaciones por pagos o reparación a terceros se resumen en el anexo II.

#### E. Lucro cesante

47. El 80% de los reclamantes de esta serie presentaron reclamaciones por lucro cesante por un total de 17.262.428 KD (unos 59.731.585 dólares).

48. Las reclamaciones de esta serie plantearon cuatro importantes cuestiones de hecho y de derecho que ya planteaban las reclamaciones de la primera serie. Esas cuestiones se refieren al impacto y la evaluación de: i) los beneficios recibidos en virtud del programa del Gobierno de Kuwait de liquidación de deudas con posterioridad a la liberación, ii) los beneficios inesperados o excepcionales obtenidos por los reclamantes durante el período inmediatamente posterior a la liberación de Kuwait, iii) el período de indemnización para las reclamaciones por lucro cesante, y iv) las reclamaciones por lucro cesante basadas selectivamente en sectores de actividad rentable. Las cuestiones a que llegó el Grupo en relación con estas cuestiones figuran en los párrafos 161 a 193 del primer informe "E4". En su examen y recomendaciones, el Grupo ha aplicado esas conclusiones a las reclamaciones por lucro cesante de la presente serie.

49. Los métodos de verificación y valoración adoptados por el Grupo para las reclamaciones por lucro cesante se describen en los párrafos 194 a 202 del primer informe "E4".

50. Aunque se les pidió reiteradamente, algunos reclamantes de la decimosexta serie no presentaron cuentas anuales de los tres ejercicios financieros anteriores y posteriores a la invasión y ocupación de Kuwait por el Iraq. El Grupo observó que en algunos casos se explicó suficientemente el hecho de no haber presentado las cuentas, por ejemplo, cuando el reclamante había iniciado sus actividades comerciales en el período entre 1987 y 1990, o cuando el reclamante había cesado sus actividades tras la invasión y ocupación de de Kuwait por el Iraq.

51. Se consideró que las reclamaciones por lucro cesante de las empresas que no aportaron un conjunto completo de cuentas comprobadas de los períodos pertinentes presentaban un "riesgo de exageración", a menos que se explicara suficientemente la razón de no haber presentado esas cuentas.

52. La Sociedad de la Media Luna Roja Kuwaití presentó una reclamación por pérdida de ingresos de alquiler y pérdida de fondos provenientes del Ministerio de Asuntos Sociales del Gobierno de Kuwait. Debido al carácter de estas reclamaciones el Grupo procedió a su verificación y valoración, junto con las reclamaciones por gastos ordinarios mencionadas en el párrafo 45, considerándolas reclamaciones por lucro cesante o pérdida de ingresos supervitarios. Al examinar los estados financieros del reclamante correspondientes a los

períodos entre 1987 y 1993, el Grupo observó que el superávit neto anual promedio del reclamante en los estados financieros correspondientes a 1990-1991 excedía con creces el superávit neto anual promedio histórico del reclamante. El Grupo también observó que las donaciones de dinero en efectivo al reclamante habían aumentado de manera sustancial e inexplicable en el mismo período. Debido al aumento significativo de las donaciones de dinero en efectivo recibidas y el aumento del superávit neto anual promedio en 1990-1991, el Grupo llegó a la conclusión de que el reclamante no presentó pruebas suficientes que determinaran que había sufrido una pérdida de ingresos superavitarios. Por consiguiente, el Grupo no recomienda una indemnización respecto de esta reclamación.

53. Las recomendaciones del Grupo sobre las reclamaciones por lucro cesante se resumen en el anexo II.

#### F. Cuentas por cobrar

54. Veintinueve reclamantes de esta serie presentaron reclamaciones, por un total de 3.443.619 KD (unos 11.915.637 dólares), por "deudas de dudoso cobro". La mayoría de estas reclamaciones se refieren a cantidades adeudadas por empresas o particulares establecidos en Kuwait antes de la invasión por el Iraq.

55. Las reclamaciones por pérdida de deudas por cobrar presentadas en esta serie no plantearon nuevas cuestiones jurídicas o de verificación y valoración. Al igual que en series anteriores de reclamaciones "E4", la mayoría de los reclamantes pidió indemnización por deudas que no se habían podido cobrar porque los deudores no habían regresado a Kuwait tras la liberación. El Grupo reitera su decisión sobre esta cuestión, que figura en los párrafos 209 y 210 del primer informe "E4", a saber, que en las reclamaciones por deudas que hayan resultado incobrables como consecuencia directa de la invasión y ocupación de Kuwait por el Iraq hay que demostrar, mediante pruebas documentales u otras pruebas idóneas, la naturaleza y la cuantía de la deuda de que se trate y las circunstancias que hicieron que la deuda resultara incobrable.

56. Las reclamaciones de la decimosexta serie por deudas incobrables se verificaron y valoraron de la manera que se describe en los párrafos 211 a 215 del primer informe "E4". Como se ha indicado más arriba, el Grupo ha desestimado las reclamaciones basadas en la simple afirmación de que las deudas no cobradas eran ipso facto incobrables porque los deudores no habían regresado a Kuwait. Casi ningún reclamante presentó pruebas que demostraran que la incapacidad de los deudores para pagar era consecuencia directa de la invasión y ocupación de Kuwait por el Iraq. Esta situación se puso en conocimiento de los reclamantes, en el contexto de la información adicional que se les pedía (véase párrafo 17 supra). Aunque se recibieron de los reclamantes diversas respuestas, ninguna cumplía los criterios mencionados.

57. Las recomendaciones del Grupo sobre las reclamaciones por deudas incobrables se resumen en el anexo II.

#### G. Costos de reanudación de la actividad comercial

58. Dieciseis reclamantes de esta serie presentaron reclamaciones por un total de 753.131 KD (unos 2.605.990 dólares) por costos de reanudación de la actividad comercial.

59. Las reclamaciones por costos de reanudación de la actividad comercial no plantearon nuevas cuestiones jurídicas o de verificación y valoración. Las sumas reclamadas como costos de reanudación de la actividad comercial se han examinado utilizando el método expuesto en los párrafos 221 a 223 del primer informe "E4" y en los párrafos 86 a 91 del cuarto informe "E4".

60. Las recomendaciones del Grupo sobre los costos de reanudación de la actividad comercial se resumen en el anexo II.

#### H. Otras pérdidas

61. Veintiocho reclamantes de esta serie presentaron reclamaciones por "otras pérdidas" por un total de 4.850.036 KD (unos 16.782.131 dólares).

62. Muchas de estas reclamaciones se referían a "otras pérdidas" ya examinadas por el Grupo en informes anteriores (por ejemplo, reclamaciones por billetes cancelados y gastos pagados de antemano). Las reclamaciones por "otras pérdidas" incluidas en series anteriores "E4" se examinaron de la manera indicada en informes anteriores "E4". (Véase, por ejemplo, el cuarto informe "E4", párrafos 93 y 94, sobre la cuestión de los billetes cancelados y el párrafo 103 sobre los gastos pagados de antemano.)

63. Gulf Trading & Refrigerating Company W.L.L. presentó una reclamación por gastos de flete adicionales. El reclamante indicó que para impedir la pérdida de mercancías enviadas en el momento de la invasión de Kuwait por el Iraq, había dispuesto que un cargamento de una empresa de Inglaterra se desviara de Kuwait. El reclamante también indicó que los gastos de flete adicionales por este desvío iban a ser sufragados por igual entre el reclamante y la empresa del Reino Unido. El reclamante presentó una nota de débito de su banco en Kuwait que indicaba que se había hecho una transferencia de fondos a la empresa de Inglaterra. La cantidad indicada en la nota de débito era igual a la cantidad reclamada por los gastos de envío. Sin embargo, el reclamante no presentó pruebas que demostraran que las mercancías habían sido desviadas a otro puerto. La empresa de Inglaterra era un proveedor regular del reclamante y éste habría adeudado periódicamente a esa empresa dinero por sus compras habituales de mercancías. A ese respecto, el reclamante tampoco presentó pruebas que demostraran que la cantidad pagada en la nota de débito presentada era en concepto de los gastos de flete adicionales reclamados, o que de otra manera debía aplicarse a esos gastos. Por consiguiente, el Grupo llegó a la conclusión de que el reclamante no presentó suficientes documentos probatorios de los hechos y las circunstancias de la reclamación, por lo que no recomienda una indemnización respecto de esta cantidad.

64. Al Homaizi Foodstuff Company W.L.L. presentó una reclamación por costos en relación con seis proyectos que, según se afirmaba, estaban en vías de ejecución el 2 de agosto de 1990. Los proyectos consistían en el establecimiento de varios restaurantes en Kuwait y otros países de Oriente Medio. El reclamante proporcionó estados de cuentas preparados por él mismo respecto de cada proyecto. En los estados financieros comprobados del reclamante correspondientes a 1991 aparece una pérdida extraordinaria en relación con las obras iniciadas. Sin embargo, el reclamante no proporcionó pruebas suficientes que demostraran que los costos indicados se referían a proyectos no reanudados como consecuencia directa de la invasión y ocupación de Kuwait por el Iraq. El reclamante tampoco presentó pruebas que demostraran que los proyectos eran factibles antes de la invasión de Kuwait por el Iraq o que los proyectos fueron abandonados como consecuencia directa de la invasión y ocupación de Kuwait por el Iraq. El Grupo estimó

que el reclamante no presentó pruebas suficientes para sustanciar los hechos y circunstancias de la pérdida reclamada, por lo que no recomienda indemnización alguna respecto de esta reclamación.

65. Al Mulla Security Services Co. W.L.L. prestaba servicios de recaudación de dinero en efectivo y servicios de seguridad a distintas compañías kuwaitíes. Antes de la invasión y ocupación de Kuwait por el Iraq, el reclamante celebró un contrato para prestar algunos de estos servicios a la empresa kuwaití Safat Catering Company ("Safat"). El contrato establecía que el reclamante debía retirar cheques de sueldos de Safat y, dentro de las 24 horas de ese retiro, cobrar los cheques y distribuir los sueldos a los empleados de Safat. El contrato establecía que el reclamante no era responsable ante Safat por pérdidas debidas a guerra, invasiones o actos de enemigos extranjeros.

66. Las pruebas presentadas indicaban que el 31 de julio de 1990 el reclamante había recogido los cheques de sueldos de Safat y el 1º de agosto de 1990 los había cobrado. Sin embargo, el reclamante no distribuyó los sueldos a los empleados de Safat el 1º de agosto de 1990, como estipulaba el contrato. Tras la invasión y ocupación de Kuwait por el Iraq, Safat demandó al reclamante en los tribunales kuwaitíes, quienes estimaron que el reclamante había incumplido su obligación contractual de distribuir los sueldos el 1º de agosto de 1990 y debía indemnizar a Safat por el valor de los cheques de sueldos cobrados, así como por las costas judiciales y otros gastos. El reclamante pide indemnización por la pérdida de las sumas correspondientes a los sueldos, así como por las costas y gastos adicionales pagados como resultado de las decisiones del tribunal kuwaití.

67. Tras haber examinado todas las pruebas presentadas, el Grupo llegó a la conclusión de que la pérdida de las sumas correspondientes a los sueldos durante la invasión y ocupación de Kuwait por el Iraq constituyó un hecho distinto de las pérdidas determinadas en la causa por incumplimiento del contrato entre Safat y el reclamante. La causa por incumplimiento del contrato entre Safat y el reclamante se refería a los acontecimientos que ocurrieron el 1º de agosto de 1990. No obstante, el fallo de los tribunales kuwaitíes en esa causa permitió determinar las pérdidas sufridas por el reclamante después del 1º de agosto de 1990 como consecuencia directa de la invasión y ocupación de Kuwait por el Iraq. Los tribunales kuwaitíes estimaron que el 1º de agosto de 1990 el reclamante retuvo el dinero en efectivo correspondiente a los salarios. Las pruebas presentadas por el reclamante demostraron que ese dinero fue robado después de esa fecha como consecuencia directa de la invasión y ocupación de Kuwait por el Iraq. Los estados financieros del reclamante correspondientes a 1993 también arrojaban pérdidas extraordinarias, lo que indicaba que el reclamante había absorbido el costo de ese robo. Por consiguiente, el Grupo recomienda una indemnización por el dinero en efectivo robado como consecuencia directa de la invasión y ocupación de Kuwait por el Iraq. Sin embargo, como se señala más arriba, la reclamación por costas judiciales y otros gastos se referían al incumplimiento del contrato ocurrido el 1º de agosto de 1990. Por consiguiente, el Grupo estima que esos costos no son una consecuencia directa de la invasión y ocupación de Kuwait por el Iraq, por lo que no ha recomendado ninguna indemnización respecto de ellos.

68. El mismo reclamante, Al Mulla Security Services Co. W.L.L., también presentó otra reclamación en la que pedía indemnización por bolsas con dinero en efectivo que, según afirmaba, habían sido robadas de su caja fuerte. El reclamante afirmó que mantenía las bolsas con dinero en efectivo en nombre de varios clientes. La cantidad reclamada por dichas pérdidas

se basó en las estimaciones a las que llegó el reclamante a partir de un registro de caja fuerte que mantenía la empresa. El reclamante también procuró justificar su reclamación presentando contratos de muestra celebrados con los clientes en nombre de quienes el dinero se mantenía, así como copias de fotografías y declaraciones testimoniales de partes asociadas. Tras examinar todas las pruebas presentadas, incluidas las copias de los estados financieros del reclamante y los contratos de muestra, el Grupo observó que el reclamante no había presentado pruebas suficientes que demostraran la pérdida reclamada. El Grupo recomienda que no se indemnice esta parte de la reclamación debido a que el reclamante no ha proporcionado pruebas suficientes que respalden los hechos y las circunstancias de la pérdida reclamada.

69. Bubiyan Fisheries Co. K.S.C. (Closed) indicó que antes del 2 de agosto de 1990, había intentado comprar 18 cajas flotantes al precio de 20.000 KWD por unidad (unos 69.204 dólares de los EE.UU.) para producir 240 toneladas de pescado "sobeiti". Sin embargo el reclamante indicó que debido a la invasión y ocupación de Kuwait por el Iraq y la pérdida de los estudios correspondientes se demoró en comprar las cajas. Una vez reanudadas las operaciones normales, el costo de las cajas casi se había duplicado. La suma reclamada representaba la diferencia entre los dos precios de compra. El reclamante no presentó pruebas que demostraran que había celebrado un contrato para comprar las cajas antes del 2 de agosto de 1990, o se había comprometido de otra manera a hacerlo. Por consiguiente el Grupo estimó que el reclamante no facilitó pruebas suficientes que demostraran los hechos y circunstancias de la pérdida, por lo que recomienda que no se otorgue una indemnización respecto de esa reclamación.

70. El mismo reclamante, Bubiyan Fisheries Co. K.S.C. (Closed), también presentó una reclamación en relación con el costo de gastos capitalizados de investigaciones, estudios y experimentos realizados antes de la invasión y ocupación de Kuwait por el Iraq. El reclamante indicó que había pagado a distintos organismos kuwaitíes por trabajos de investigación y estudios realizados en 1987, 1988 y 1990 en relación con los proyectos de granjas piscícolas. En 1988 el reclamante comenzó a amortizar las cantidades pagadas por los estudios. Sin embargo, los estados financieros de 1989 indicaban que el reclamante había dejado de amortizar. En las cuentas correspondientes a 1989, los auditores del reclamante explicaron, que la Junta de Directores del reclamante había decidido posponer la amortización de las cantidades hasta que comenzaran los trabajos de los proyectos que debían haberse iniciado como resultado de los estudios.

71. El Grupo consideró las recomendaciones del Grupo "F3" en relación con la valoración de una reclamación similar. Este Grupo está de acuerdo con las conclusiones del Grupo "F3" de que las reclamaciones de ese tipo debían valorarse sobre la base de los costos históricos de la inversión previo ajuste en función de la "información existente después de la liberación y la información que no conservaba un valor significativo al 2 de agosto de 1990". ("Informe y recomendaciones del Grupo de Comisionados acerca de la segunda serie de reclamaciones "F3", S/AC.26/2001/7, párr. 143).

72. En el presente caso, si bien la mayoría de los estudios se habían finalizado el 31 de diciembre de 1987, no se habían iniciado los trabajos correspondientes a los proyectos a la fecha de la invasión y ocupación de Kuwait por el Iraq, es decir, 31 meses más tarde. Además de las actas de una reunión de la junta celebrada en marzo de 1987, según las cuales los estudios indicaban la posibilidad de un éxito económico y técnico sujeto a la recepción de los fondos necesarios, el reclamante no presentó pruebas que demostraran que se habrían iniciado los

proyectos o que los estudios no se habrían descartado por no ser factibles. En particular, el reclamante no presentó pruebas de ningún intento de conseguir financiación para los proyectos antes del 2 de agosto de 1990. El reclamante tampoco presentó pruebas de que después de la liberación se había intentado restituir los estudios perdidos o comenzar algunos de los proyectos. En vista de ello, el Grupo estimó que el reclamante no proporcionó pruebas suficientes que demostraran que la información perdida conservaba valor significativo el 2 de agosto de 1990. Por consiguiente, el Grupo no recomienda una indemnización respecto de esta reclamación.

73. Las recomendaciones del Grupo sobre las reclamaciones por "otras pérdidas" se resumen en el anexo II.

## V. OTRAS CUESTIONES

### A. Fechas aplicables al tipo de cambio de monedas y a los intereses

74. Para la determinación de las fechas aplicables al tipo de cambio de monedas y a los intereses, el Grupo ha adoptado el mismo criterio que se expone en los párrafos 226 a 233 del primer informe "E4".

### B. Costos de preparación de las reclamaciones

75. El Secretario Ejecutivo de la Comisión ha informado al Grupo de que el Consejo de Administración se propone resolver en una fecha futura la cuestión de los costos de preparación de las reclamaciones. En consecuencia, el Grupo no ha formulado recomendación alguna sobre la indemnización de los costos de preparación de las reclamaciones.

## VI. INDEMNIZACIONES RECOMENDADAS

76. Basándose en lo que antecede, las indemnizaciones recomendadas por el Grupo para los reclamantes de la decimosexta serie de reclamaciones de la categoría "E4" figuran en el anexo I del presente informe. Los principios en que se basan las recomendaciones del Grupo respecto de esta serie se resumen en el anexo II del presente informe. Al haberse redondeado al dinar kuwaití más próximo todas las cantidades, éstas pueden variar en un dinar kuwaití respecto de las cantidades enunciadas en el formulario E.
