COMMISSION D'INDEMNISATION DES NATIONS UNIES

CONSEIL D'ADMINISTRATION

RAPPORT ET RECOMMANDATIONS DU COMITÉ DE COMMISSAIRES
CONCERNANT LA DOUZIÈME TRANCHE DES RÉCLAMATIONS
DE LA CATÉGORIE "E4"

TABLE DES MATIÈRES

	<u>Paragraphs</u>	<u>Page</u>
Introduction	1 - 3	3
I. APERÇU GÉNÉRAL DES RÉCLAMATIONS DE LA DOUZIÈME TRANCHE	4 - 8	3
II. DÉROULEMENT DES TRAVAUX.....	9 - 22	4
III. CADRE JURIDIQUE ET MÉTHODE DE VÉRIFICATION ET D'ÉVALUATION	23 - 25	6
IV. LES RÉCLAMATIONS	26 - 73	6
A. Contrats	27 - 29	6
B. Biens immobiliers	30 - 33	7
C. Biens corporels, marchandises en stock, numéraire et véhicules.....	34 - 42	7
D. Paiements consentis ou secours accordés à des tiers	43 - 45	9
E. Manque à gagner.....	46 - 54	9
F. Sommes à recevoir.....	55 - 59	10
G. Frais de redémarrage.....	60 - 67	11
H. Autres pertes	68 - 73	12
V. AUTRES QUESTIONS	74 - 76	14
A. Dates applicables concernant le taux de change et les intérêts	74	14
B. Frais d'établissement des dossiers de réclamation	75	14
VI. INDEMNITÉS RECOMMANDÉES	76	14

Annexes

Annex I:	Recommended awards for the twelfth instalment of "E4" claims - Reported by UNSEQ and UNCC claim number and claimant name	15
Annex II:	Recommended awards for the twelfth instalment of "E4" claims - Reported by claimant name and category of loss.....	20
Annex III:	Claims deferred to a later instalment of "E4" claims pursuant to paragraphs 19-21 - Reported by UNSEQ and UNCC claim number and claimant name	141

Introduction

1. À sa vingt-quatrième session, tenue les 23 et 24 juin 1997, le Conseil d'administration de la Commission d'indemnisation des Nations Unies ("la Commission") a nommé le Comité de commissaires ("le Comité") composé de MM. Robert R. Briner (Président), Alan J. Cleary et Lim Tian Huat, qu'il a chargé d'examiner les réclamations de la catégorie "E4". Il s'agit de réclamations émanant d'entreprises et autres entités koweïtiennes – à l'exclusion de celles du secteur pétrolier et du secteur de l'environnement – habilitées à présenter des demandes d'indemnisation au moyen du formulaire de la Commission intitulé "Formulaire de réclamation pour les sociétés et autres entités" ("formulaire E").

2. Une douzième tranche de 140 réclamations "E4" a été présentée au Comité le 1er août 2000, conformément à l'article 32 des Règles provisoires pour la procédure relative aux réclamations ("les Règles") (S/AC.26/1992/10).

3. Conformément à l'article 38 des Règles, le présent rapport contient les recommandations adressées par le Comité au Conseil d'administration au sujet des réclamations de cette douzième tranche.

I. APERÇU GÉNÉRAL DES RÉCLAMATIONS DE LA DOUZIÈME TRANCHE

4. Les réclamations de cette douzième tranche ont été sélectionnées parmi les quelque 2 750 réclamations de la catégorie "E4" sur la base de critères tels que l'importance, le volume et la complexité de la réclamation, les questions soulevées sur les plans du droit, des faits et de l'évaluation et la date de dépôt de la réclamation auprès de la Commission.

5. Les pertes invoquées par les requérants dans cette douzième tranche s'élevaient au total à 42 919 532 dinars koweïtiens ("KWD") (environ 148 510 491 dollars des États-Unis ("USD")). Les requérants réclamaient également des intérêts d'un montant total de KWD 975 709 (environ USD 3 376 156) et des frais d'établissement de dossier totalisant KWD 216 616 (environ USD 749 536).

6. La nature des questions de fait et de droit soulevées par chaque réclamation et le volume de la documentation fournie à l'appui de chacune des réclamations ont permis au Comité d'achever ses vérifications dans un délai de 180 jours à compter de la date à laquelle les réclamations de la douzième tranche lui avaient été soumises.

7. Tous les requérants de la douzième tranche opéraient au Koweït avant l'invasion et l'occupation du Koweït par l'Iraq. Les activités de la plupart concernaient le commerce de diverses marchandises. Certains requérants exerçaient des activités manufacturières ou des activités de services.

8. Les deux catégories de pertes qui ont été le plus souvent évoquées sont la perte de biens corporels (principalement marchandises en stock, mobilier, agencements fixes, équipements et véhicules) et la perte de revenu ou un manque à gagner. Des requérants ont aussi, sous la rubrique "autres pertes", présenté des réclamations au titre de créances irrécouvrables, de frais de redémarrage, d'intérêts et de frais d'établissement de dossier.

II. DÉROULEMENT DES TRAVAUX

9. Avant de soumettre les réclamations de la douzième tranche au Comité, le secrétariat en avait entrepris une évaluation préliminaire conformément aux Règles. Cette évaluation est décrite au paragraphe 11 du document intitulé "Rapport et recommandations du Comité de commissaires concernant la première tranche des réclamations de la catégorie 'E4'" (S/AC.26/1999/4) (le "premier rapport 'E4'"). Les résultats de cette évaluation ont été incorporés dans une base de données centralisée gérée par le secrétariat (la "base de données des réclamations").

10. Initialement, 16 réclamations présentaient des irrégularités de forme, que le secrétariat a notifiées aux requérants concernés conformément à l'article 15 des Règles. Dans tous les cas, les vices de forme ont été corrigés par les requérants.

11. Les réclamations ont fait l'objet d'un examen de fond visant à recenser les principales questions soulevées sur les plans du droit, des faits et de l'évaluation. Les résultats de cet examen, y compris les principales questions soulevées, ont été incorporés dans la base de données des réclamations.

12. Le Secrétaire exécutif de la Commission a, en application de l'article 16 des Règles, établi à l'intention du Conseil d'administration les rapports 30 et 31, datés respectivement des 17 février et 28 avril 2000. Ces rapports portaient, notamment, sur la douzième tranche de réclamations de la catégorie "E4" et exposaient les principaux points de fait et de droit soulevés dans ces réclamations. Un certain nombre de gouvernements, y compris le Gouvernement iraquiens, ont communiqué des renseignements et des vues supplémentaires en réponse aux rapports établis par le Secrétaire exécutif en application de l'article 16.

13. À l'issue : i) de l'évaluation préliminaire, ii) de l'examen de fond et iii) de la présentation des rapports établis en application de l'article 16, les documents suivants ont été transmis au Comité :

- a) Les dossiers de réclamation déposés par les requérants;
- b) Les rapports d'évaluation préliminaire établis conformément à l'article 14 des Règles;
- c) Les renseignements et les vues communiqués par les gouvernements, y compris par le Gouvernement iraquiens, comme suite aux rapports établis en application de l'article 16;
- d) Les autres renseignements jugés utiles, conformément à l'article 32 des Règles, pour les travaux des commissaires.

14. Pour les raisons indiquées au paragraphe 17 du premier rapport "E4", le Comité a fait appel aux services d'un cabinet d'experts-comptables et d'un cabinet de spécialistes du règlement des sinistres. Il a chargé ces experts-conseils d'examiner chaque réclamation de la douzième tranche conformément à la méthode de vérification et d'évaluation qu'il avait mise au point et de lui présenter dans chaque cas un rapport détaillé récapitulant leurs conclusions.

15. Par son ordonnance de procédure du 1er août 2000, le Comité a fait part de son intention de mener à bien l'examen des réclamations de la douzième tranche et de présenter son rapport et ses recommandations au Conseil d'administration dans un délai de 180 jours à compter de

cette même date. Cette ordonnance de procédure a été transmise au Gouvernement iraquien et au Gouvernement koweïtien.

16. Conformément à l'article 34 des Règles, des renseignements supplémentaires ont été demandés aux requérants pour aider le Comité dans son examen des réclamations. Les requérants n'ayant pu fournir les éléments de preuve demandés ont été priés de justifier de leur incapacité à le faire. Toutes les demandes de renseignements supplémentaires ont été adressées sous couvert de l'Office public koweïtien chargé d'évaluer les indemnités à verser pour les dommages résultant de l'agression iraquienne ("PAAC"). Ces demandes ont été faites pour l'ensemble des réclamations de la catégorie "E4" et non pas simplement pour celles de la douzième tranche.

17. Les renseignements et preuves supplémentaires demandés ayant été recensés dans des rapports "E4" antérieurs, par exemple aux paragraphes 21 à 26 du document intitulé "Rapport et recommandations du Comité de commissaires concernant la deuxième tranche des réclamations de la catégorie 'E4'" (S/AC.26/1999/17) (le "deuxième rapport 'E4'") et au paragraphe 18 du document intitulé "Rapport et recommandations du Comité de commissaires concernant la sixième tranche des réclamations de la catégorie 'E4'" (S/AC.26/2000/8) (le "sixième rapport 'E4'"), le présent rapport ne revient pas sur ces demandes.

18. Il a été procédé à des vérifications supplémentaires pour déterminer si des réclamations n'avaient pas été présentées en double par des requérants ayant des liens entre eux. Cet examen est décrit au paragraphe 18 du document intitulé "Rapport et recommandations du Comité de commissaires concernant la quatrième tranche des réclamations de la catégorie 'E4'" (S/AC.26/1999/18) (le "quatrième rapport 'E4'").

19. Au cours de l'examen par le Comité des réclamations de la présente tranche, le secrétariat a informé le Comité qu'il existait une possibilité de chevauchement entre des réclamations de cette tranche et certaines réclamations dont était saisie la Commission au titre de pertes commerciales ou industrielles de personnes physiques. Ce problème a été identifié et signalé au Conseil d'administration, lors de l'examen initial des réclamations pour pertes commerciales ou industrielles émanant de requérants de la catégorie "D", dans le rapport No 30 du 17 février 2000 présenté par le Secrétaire exécutif de la Commission en application de l'article 16 des Règles.

20. À la demande du Comité, le secrétariat a procédé à une recherche dans la base de données des réclamations et a identifié 19 réclamations "E4" de la présente tranche présentant un risque de chevauchement avec d'autres réclamations déposées auprès de la Commission par des particuliers au titre de pertes commerciales ou industrielles. Ces 19 réclamations "E4" sont énumérées à l'annexe III du présent rapport.

21. Le Comité estime qu'un délai supplémentaire est nécessaire pour déterminer la nature et l'étendue du chevauchement potentiel entre ces réclamations "E4" et d'autres réclamations pour pertes commerciales ou industrielles de personnes physiques. À ce stade, pour pouvoir obtenir des éclaircissements supplémentaires sur ces réclamations et permettre leur plus ample examen, le Comité a recommandé que les réclamations énumérées à l'annexe III du présent rapport soient reportées sur une tranche ultérieure de réclamations de la catégorie "E4". En conséquence, il n'a formulé aucune conclusion concernant ces réclamations. Lorsqu'il est fait mention, dans la suite

du présent rapport, de la douzième tranche de réclamations, il s'agit des 121 réclamations restantes, énumérées à l'annexe I.

22. Se fondant sur son examen des documents présentés et des renseignements supplémentaires obtenus, le Comité a conclu que les questions soulevées par les réclamations de la douzième tranche avaient été suffisamment éclaircies et qu'il n'était pas nécessaire d'entreprendre une procédure orale pour l'aider dans son examen des réclamations.

III. CADRE JURIDIQUE ET MÉTHODE DE VÉRIFICATION ET D'ÉVALUATION

23. Le cadre juridique et la méthode de vérification et d'évaluation retenus pour la douzième tranche sont les mêmes que pour les tranches précédentes de réclamations de la catégorie "E4". Ils ont été exposés aux paragraphes 25 à 62 du premier rapport "E4". Des rapports "E4" ultérieurs analysent les questions supplémentaires de droit et de vérification et d'évaluation soulevées dans les tranches concernées. Le présent rapport ne revient pas sur ces différents points. Il renvoie simplement aux sections des rapports précédents où ils ont été abordés.

24. Dans les cas où il s'est trouvé devant des problèmes nouveaux non traités dans les rapports "E4" précédents, le Comité a élaboré des méthodes de vérification et d'évaluation des préjudices. Ces problèmes nouveaux sont examinés dans la suite du présent rapport. Les recommandations précises du Comité concernant les pertes invoquées dans les réclamations de la douzième tranche sont récapitulées et expliquées dans les annexes au rapport.

25. Avant d'en venir aux recommandations d'indemnisation précises du Comité concernant les réclamations de la douzième tranche, il importe de rappeler que la démarche adoptée par le Comité en matière de vérification et d'évaluation de ces réclamations consiste à mettre en balance l'incapacité dans laquelle se trouve le requérant de toujours fournir les meilleures preuves, d'une part, et, de l'autre, le "risque de surestimation" qui découle d'une insuffisance de preuves. Dans ce contexte, l'expression "risque de surestimation", définie au paragraphe 34 du premier rapport "E4", s'applique aux cas où la demande d'indemnisation est accompagnée de preuves insuffisantes ne permettant pas un chiffrage précis et risque donc d'être surestimée.

IV. LES RÉCLAMATIONS

26. Le Comité a examiné les réclamations en les classant selon la nature et le type de la perte recensée. Ses recommandations sont donc présentées par type de perte. Les pertes qui ont fait l'objet d'un reclassement figurent dans la section relative à la catégorie de pertes dans laquelle le Comité les a reclassées.

A. Contrats

27. Trois requérants de la douzième tranche ont présenté des réclamations pour pertes liées aux contrats, représentant un montant total de KWD 485 158 (environ USD 1 678 747). Les réclamations de cette tranche pour pertes liées aux contrats ne concernent ni des contrats passés avec le Gouvernement iraquiens ni des contrats nécessitant une exécution en Iraq.

28. Les demandes d'indemnisation de la présente tranche pour pertes liées aux contrats n'ont pas soulevé de nouveaux problèmes de droit ou de vérification et d'évaluation. L'approche du Comité concernant les critères de détermination du caractère indemnisable des pertes liées

aux contrats est exposée dans les précédents rapports "E4" et la méthode de vérification et d'évaluation adoptée par le Comité pour les réclamations au titre de pertes liées aux contrats est examinée aux paragraphes 77 à 84 du premier rapport "E4".

29. Les recommandations du Comité concernant les pertes liées aux contrats sont récapitulées à l'annexe II.

B. Biens immobiliers

30. Quinze requérants de la présente tranche ont déposé des réclamations au titre de la perte de biens immobiliers, pour un montant total de KWD 602 734 (environ USD 2 085 585). Les requérants demandaient à être indemnisés pour des dommages causés à un certain nombre de locaux dont ils étaient propriétaires ou locataires au Koweït.

31. Les demandes d'indemnisation pour pertes de biens immobiliers de la présente tranche n'ont pas soulevé de nouveaux problèmes de droit ou de vérification et d'évaluation. Les critères de détermination du caractère indemnisable des pertes et la méthode de vérification et d'évaluation adoptés par le Comité pour ce type de demandes sont exposés aux paragraphes 89 à 101 du premier rapport "E4".

32. Les requérants de la douzième tranche ont présenté des moyens de preuve analogues à ceux que le Comité a eu l'occasion d'examiner dans le cadre des tranches précédentes des réclamations "E4" concernant des pertes de biens immobiliers. Ces moyens de preuve sont exposés aux paragraphes 48 à 50 du deuxième rapport "E4".

33. Les recommandations du Comité concernant les pertes de biens immobiliers sont récapitulées à l'annexe II.

C. Biens corporels, marchandises en stock, numéraire et véhicules

34. La majorité des requérants de la douzième tranche invoquent des pertes de biens corporels (marchandises en stock, mobilier et agencements fixes, équipements, véhicules et numéraire), pour un montant total de KWD 21 676 080 (environ USD 75 003 737).

35. Pour déterminer si ces pertes de biens corporels étaient indemnisables et les vérifier et les évaluer, le Comité a suivi la démarche exposée aux paragraphes 108 à 135 du premier rapport "E4".

36. Les réclamations pour pertes de biens corporels présentées dans cette tranche n'ont pas soulevé de nouveaux problèmes de droit ou de vérification et d'évaluation. Les requérants de la présente tranche ont fourni à l'appui de leurs demandes d'indemnisation pour pertes de biens corporels le même type de preuves que celles qui avaient été soumises au Comité dans les tranches "E4" antérieures. Ces preuves sont décrites aux paragraphes 55 et 56 du deuxième rapport "E4".

37. Dans la plupart des cas, l'existence, l'appartenance et la valeur des marchandises en stock dont les requérants alléguait la perte étaient étayées par des copies de leurs comptes vérifiés, des factures d'achat des stocks initiaux et des calculs de "réactualisation" tels qu'ils ont été

définis au paragraphe 119 du premier rapport "E4". Quelques requérants se sont fondés principalement, pour établir la matérialité de la perte de marchandises en stock, sur des témoignages d'employés ou de personnes en relation avec l'entreprise. Lorsque la matérialité de la perte de stocks n'était pas corroborée par des preuves suffisantes, indiquant par exemple des pertes exceptionnelles dans les états financiers vérifiés établis après la libération, le Comité n'a recommandé aucune indemnisation.

38. La société Moh'd Al-Fadaghi Trading and General Contracting Company a demandé à être indemnisée pour la perte de marchandises en stock. Le requérant a présenté des comptes vérifiés pour les exercices financiers allant de janvier 1987 à août 1990. Dans son formulaire de réclamation, présenté en 1995, le requérant a déclaré qu'il avait repris ses activités commerciales après la fin de l'invasion et de l'occupation du Koweït par l'Iraq. Dans l'exposé de sa réclamation, il a déclaré de nouveau qu'il avait repris ses activités commerciales le 1er juin 1991 et qu'il employait alors 20 personnes. En réponse à une demande de présentation d'états financiers pour les périodes qui avaient suivi la reprise des activités, le requérant a simplement déclaré qu'il n'avait pas repris d'activités, sans donner d'explication sur l'apparente contradiction. Il n'a pas fourni d'états financiers indiquant la quantité de marchandises en stock perdues ou retrouvées après l'invasion et l'occupation du Koweït par l'Iraq. Les témoignages fournis par le requérant ne donnaient pas de détails sur la valeur des marchandises en stock qui auraient été perdues. Compte tenu de ce qui précède, le Comité a conclu que le requérant n'avait pas fourni suffisamment d'éléments de preuve décrivant les circonstances de la perte alléguée et la valeur de cette perte. En conséquence, il a recommandé qu'il ne soit versé aucune indemnité à ce titre.

39. Comme dans le cas des tranches précédentes de réclamations "E4", les réclamations pour pertes de biens en cours de transport visaient essentiellement des biens qui se trouvaient au Koweït à la date de l'invasion par l'Iraq et qui ont été ensuite perdus. Les requérants dont la réclamation a été acceptée sont ceux qui ont pu produire une preuve suffisante du paiement des biens et établir l'appartenance, l'existence et la perte de ceux-ci au moyen de certificats émis par les autorités portuaires ou les transitaires koweïtiens.

40. Les réclamations pour pertes de numéraire de la présente tranche n'ont pas soulevé de nouveaux problèmes de droit ou de vérification et d'évaluation. Un grand nombre des requérants demandant à être indemnisés pour pertes de numéraire ont produit des témoignages de parties avec lesquelles ils étaient liés, sans fournir d'autres preuves à l'appui de leur réclamation. Lorsque les pertes de numéraire alléguées n'étaient pas étayées par des éléments de preuve contemporains suffisants, établissant la possession et le montant des espèces détenues à la date du 2 août 1990, le Comité a recommandé de ne verser aucune indemnité.

41. Les réclamations pour perte de véhicules de la présente tranche n'ont pas soulevé de nouveaux problèmes de droit ou de vérification et d'évaluation. La plupart des requérants demandant à être indemnisés pour perte de véhicules ont pu justifier de leur perte en produisant des copies d'attestation de retrait d'immatriculation ainsi que des pièces supplémentaires telles que des comptes vérifiés postérieurs à la libération et des dépositions de témoins étayant la réalité et les circonstances des pertes.

42. Les recommandations du Comité concernant les pertes de biens corporels, de marchandises en stock, de numéraire et de véhicules sont récapitulées à l'annexe II.

D. Paiements consentis ou secours accordés à des tiers

43. Deux requérants de la présente tranche ont présenté des réclamations pour paiements consentis ou secours accordés à des tiers, représentant un montant total de KWD 20 043 (environ USD 69 353).

44. Les réclamations de la présente tranche pour paiements consentis ou secours accordés à des tiers n'ont pas soulevé de nouveaux problèmes de droit ou de vérification et d'évaluation. Dans l'examen de ces réclamations pour paiements consentis ou secours accordés à des tiers, le Comité a appliqué la démarche et la méthode de vérification et d'évaluation exposées dans les rapports "E4" précédents, par exemple aux paragraphes 70 à 74 du deuxième rapport "E4".

45. Les recommandations du Comité concernant les demandes d'indemnisation pour paiements consentis ou secours accordés à des tiers sont récapitulées à l'annexe II.

E. Manque à gagner

46. Près de 85 % des requérants de la présente tranche ont présenté des réclamations pour manque à gagner, représentant un montant total de KWD 8 163 811 (environ USD 28 248 481).

47. Les quatre questions importantes de fait et de droit qui ont été soulevées par les réclamations de la première tranche se sont également posées pour les réclamations de la présente tranche. Ces questions concernent l'incidence et l'évaluation i) des avantages reçus dans le cadre du programme de règlement des créances institué par le Gouvernement koweïtien après la libération, ii) des gains ou bénéfices exceptionnels réalisés par les requérants dans la période qui a suivi immédiatement la libération du Koweït, iii) de la période pour laquelle une indemnité pour manque à gagner peut être octroyée et iv) des demandes d'indemnisation pour manque à gagner fondées uniquement sur les activités les plus rentables. Les conclusions du Comité sur ces quatre questions sont exposées aux paragraphes 161 à 193 du premier rapport "E4". Le Comité en a tenu compte dans l'examen des demandes d'indemnisation pour manque à gagner de la présente tranche et dans les recommandations qu'il a formulées à ce sujet.

48. Bien qu'ils en aient été priés à plusieurs reprises, certains requérants de la douzième tranche n'ont pas soumis les comptes annuels des trois exercices financiers antérieurs et postérieurs à l'invasion et à l'occupation du Koweït par l'Iraq. Le Comité a noté que, dans certains cas, les requérants avaient donné de cette omission une explication satisfaisante, en faisant valoir par exemple que leur activité commerciale avait débuté entre 1987 et 1990 ou qu'elle avait cessé à la suite de l'invasion et de l'occupation du Koweït par l'Iraq.

49. Les réclamations pour manque à gagner émanant d'entreprises qui n'avaient pas fourni une série complète de comptes annuels vérifiés pour les périodes considérées ont été jugées présenter un "risque de surestimation", sauf lorsque les entreprises avaient expliqué de façon satisfaisante pourquoi elles n'avaient pas soumis ces comptes.

50. La méthode de vérification et d'évaluation adoptée par le Comité à l'égard des réclamations pour manque à gagner est exposée aux paragraphes 194 à 202 du premier rapport "E4".

51. La Kuwait Collection Company était une société de recouvrement de créances active avant l'invasion du Koweït par l'Iraq. Elle a présenté une réclamation pour pertes liées aux contrats, que le Comité a reclasée dans la catégorie des réclamations pour manque à gagner car elle concernait les revenus découlant de contrats de recouvrement de créances. La société requérante touchait des commissions sur un portefeuille de dettes impayées lorsqu'elle recouvrait les créances. Elle a déclaré qu'en raison de l'invasion et de l'occupation du Koweït par l'Iraq, elle n'a pas pu recouvrer les créances et toucher de commission.

52. Le Comité a noté que les gains de la société requérante dépendaient du recouvrement de créances. La société requérante ne touchait aucune avance et n'avait pas de source de revenu garantie. L'examen des états financiers de la société a indiqué que celle-ci avait subi une baisse de recettes et des pertes globales avant l'invasion du Koweït par l'Iraq. Le Comité a également examiné la question de savoir si les dettes impayées étaient devenues irrécouvrables en conséquence directe de l'invasion et de l'occupation du Koweït par l'Iraq. L'examen des contrats de recouvrement a révélé que tant les contrats que les dettes impayées étaient très anciens, ce qui signifiait que les dettes étaient devenues irrécouvrables avant l'invasion du Koweït par l'Iraq. La société requérante n'ayant pas donné la preuve de l'existence d'une rentabilité antérieure et les dettes impayées n'étant pas devenues irrécouvrables en conséquence directe de l'invasion et de l'occupation du Koweït par l'Iraq, le Comité a recommandé de ne verser aucune indemnité à ce titre.

53. La société International Contracting Co. – S.A.K. a présenté une réclamation pour perte de revenu net dans le cadre d'un contrat de construction qu'elle exécutait avant l'invasion du Koweït par l'Iraq. Le Comité a reclasé cette réclamation dans la catégorie des réclamations pour manque à gagner. Lorsqu'il a examiné les états financiers de la société requérante, le Comité a noté qu'une part importante du revenu de celle-ci provenait de gains réalisés sur des dépôts bancaires et des investissements étrangers. Les états financiers de la société requérante indiquaient que ces gains étaient réalisés indépendamment de la principale activité commerciale de la société et n'avaient pas souffert de l'invasion et de l'occupation du Koweït par l'Iraq. Le Comité n'a donc pas pris ces gains en considération lorsqu'il a examiné la rentabilité antérieure des activités de la société. Le revenu net calculé sans tenir compte des gains tirés des intérêts et des investissements a indiqué que la société avait subi des pertes dans ses activités commerciales avant le 2 août 1990. Les états financiers de la société n'ayant pas fait apparaître de rentabilité antérieure due à ces activités commerciales, le Comité a recommandé de n'accorder aucune indemnité au titre de cette réclamation pour manque à gagner.

54. Les recommandations du Comité concernant les demandes d'indemnisation pour manque à gagner sont récapitulées à l'annexe II.

F. Sommes à recevoir

55. Dix requérants de la présente tranche ont présenté des réclamations pour "créances douteuses", représentant un montant total de KWD 603 982 (environ USD 2 089 903). La plupart de ces réclamations portaient sur des sommes dues par des entreprises ou des personnes physiques qui se trouvaient au Koweït avant l'invasion iraquienne.

56. Les réclamations de la présente tranche pour sommes à recevoir n'ont pas soulevé de nouveaux problèmes de droit ou de vérification et d'évaluation. Comme dans le cas des tranches antérieures de réclamations de la catégorie "E4", la plupart des requérants ont demandé

réparation pour des créances qu'ils n'avaient pas été en mesure de recouvrer parce que leurs débiteurs n'étaient pas revenus au Koweït après la libération. Le Comité réaffirme à ce sujet les critères qu'il a établis aux paragraphes 209 et 210 du premier rapport "E4". Ainsi, les réclamations au titre de créances devenues irrécouvrables à la suite de l'invasion et de l'occupation du Koweït par l'Iraq doivent être étayées par des pièces justificatives ou autres éléments de preuve établissant la nature et le montant de la créance en cause et les circonstances qui l'ont rendue irrécouvrable.

57. Les réclamations de la douzième tranche pour créances irrécouvrables ont été vérifiées et évaluées de la manière exposée aux paragraphes 211 à 215 du premier rapport "E4".

58. Comme il est indiqué plus haut, le Comité ne recommande aucune indemnisation dans le cas de réclamations reposant uniquement sur l'affirmation selon laquelle des créances non recouvrées sont *ipso facto* irrécouvrables parce que les débiteurs ne sont pas rentrés au Koweït. La plupart des requérants n'ont fourni aucun élément établissant que l'incapacité de payer dans laquelle se trouvaient leurs débiteurs était une conséquence directe de l'invasion et de l'occupation du Koweït par l'Iraq. Cette lacune a été portée à l'attention des requérants lorsque des demandes de renseignements supplémentaires leur ont été adressées (voir le paragraphe 17 ci-dessus). Un certain nombre de réponses ont été reçues des requérants, mais très peu d'entre elles répondaient aux critères susmentionnés.

59. Les recommandations du Comité concernant les demandes d'indemnisation au titre de sommes à recevoir sont récapitulées à l'annexe II.

G. Frais de redémarrage

60. Huit requérants de la présente tranche ont déposé des réclamations au titre de frais de redémarrage, pour un montant total de KWD 562 961 (environ USD 1 947 962). Les réclamations présentées à ce titre ont été examinées selon la méthode exposée aux paragraphes 221 à 223 du premier rapport "E4" et aux paragraphes 93 à 96 du deuxième rapport "E4".

61. La société Al-Julaiah Trading & Contracting a présenté une réclamation pour frais encourus dans le cadre de l'expédition de conduites. Se fondant sur les éléments de preuve fournis, le Comité a déterminé ce qui suit.

62. En mars 1990, le requérant, une société de commerce koweïtienne, a ouvert des lettres de crédit en vue de l'achat de conduites auprès d'un fournisseur aux États-Unis d'Amérique. Les conduites avaient été commandées par la Kuwait Oil Company ("la KOC"). Les conduites ont été expédiées des États-Unis le 22 juillet 1990. Le 27 juillet 1990, le fournisseur a présenté les documents d'expédition à la succursale new yorkaise de la National Bank of Kuwait ("la NBK"). La NBK a accepté les documents mais, avant que le paiement n'ait été effectué, l'Iraq avait envahi le Koweït. Parallèlement, les marchandises n'ont pas pu être livrées au Koweït et le navire a regagné un port aux États-Unis. Les biens ont ensuite été saisis et entreposés par les autorités douanières aux États-Unis.

63. En juin 1991, la NBK a contesté sa responsabilité en matière de paiement au fournisseur des conduites, invoquant le motif de la force majeure. Les tribunaux des États-Unis, saisis de la question, se sont prononcés en faveur du fournisseur, déclarant que celui-ci était en droit d'être payé sur présentation en bonne et due forme des documents. Les tribunaux ont enjoint la NBK de verser au fournisseur un montant correspondant à la valeur des marchandises, plus l'intérêt accumulé. Dans une procédure distincte, les tribunaux des États-Unis ont également enjoint la NBK de rembourser aux autorités douanières et aux agents d'expédition des États-Unis les frais de déchargement, d'entreposage et d'entretien des conduites aux États-Unis.

64. La NBK a prélevé toutes les sommes demandées sur le compte bancaire du requérant (soit le coût des conduites, l'intérêt et les frais de douane et d'expédition). Entre-temps, entre 1991 et 1993, le requérant a engagé des négociations avec la KOC concernant cette expédition. La KOC a estimé initialement que sa commande avait été annulée le 2 août 1990 pour des raisons de force majeure. En juin 1993, elle a consenti à l'achat des conduites. Toutefois, elle a déclaré qu'elle ne prendrait à sa charge que le coût des conduites et les frais supplémentaires d'inspection nécessaires pour vérifier l'état des conduites. En conséquence, le requérant a dû assumer les frais relatifs à l'intérêt et aux dépenses de douane et d'expédition. Ce dernier demande à être indemnisé pour les frais ainsi assumés. La question qui se pose est de savoir si ces frais ont été une conséquence directe de l'invasion et de l'occupation du Koweït par l'Iraq.

65. Le Comité considère que les coûts afférents aux intérêts ont été dus au refus de la NBK de payer les sommes en question lorsqu'elles ont été dues. Ce fait a été le résultat d'une décision commerciale prise indépendamment par la NBK de contester la validité du paiement et les coûts afférents à l'intérêt n'ont en conséquence pas été directement dus à l'invasion et à l'occupation du Koweït par l'Iraq. C'est pourquoi le Comité a recommandé de ne pas accorder d'indemnité au titre des frais afférents à l'intérêt.

66. Le Comité considère toutefois que les pertes représentées par les montants versés aux autorités douanières américaines et à l'agent d'expédition ont été subies lorsque le navire est retourné aux États-Unis, ce qui a été une conséquence directe de l'invasion du Koweït par l'Iraq. Il a recommandé en conséquence le versement d'une indemnité au titre de ces montants. Il a effectué un ajustement pour certains des montants réclamés au titre des frais de douane et d'expédition en raison de l'insuffisance des moyens de preuve fournis dans les documents présentés et du fait que certains des frais (par exemple les frais de déchargement des marchandises au Koweït) ne s'ajoutaient pas aux frais prévus dans l'opération initiale d'expédition.

67. Les recommandations du Comité relatives aux frais de redémarrage sont récapitulées à l'annexe II.

H. Autres pertes

68. Onze requérants de la présente tranche ont présenté des réclamations au titre d'autres pertes, pour un montant total de KWD 383 241 (environ USD 1 326 093).

69. Un requérant, la société Al A'mara Construction Materials & Contracting Abdul Majeed Zalzalah & Partner W.L.L, a déclaré qu'avant l'invasion du Koweït par l'Iraq, elle avait versé une somme à titre de capital de sympathie ou de "pas-de-porte" pour obtenir certains locaux loués

au Koweït. La société requérante a déclaré qu'en raison de l'invasion et de l'occupation du Koweït par l'Iraq, ses activités commerciales avaient cessé jusqu'en 1993 et qu'elle avait abandonné son contrat de location. Elle demande une indemnisation pour la somme versée au titre du "pas-de-porte". Elle a présenté un reçu attestant du versement de la somme correspondante. Ses états financiers indiquaient également que cette somme constituait un actif.

70. Toutefois, les pièces présentées ont révélé qu'après l'invasion et l'occupation du Koweït par l'Iraq, la société requérante avait de son plein gré restitué les locaux à leur propriétaire. La société requérante a déclaré qu'elle n'avait pas récupéré le montant du "pas-de-porte" en cédant la location, du fait de la situation économique défavorable existant au Koweït. Elle n'a pas fourni de preuve de mesures prises pour récupérer cette somme en cédant la location. Elle n'a pas non plus fourni d'éléments de preuve indiquant que les locaux loués avaient été matériellement endommagés de telle sorte qu'il en aurait résulté une diminution de la valeur du "pas-de-porte" demandé. Compte tenu de ce qui précède, le Comité a conclu que la société requérante aurait pu céder la location pour récupérer le "pas-de-porte", mais qu'elle a pris indépendamment la solution de ne pas le faire. En conséquence, toute perte subie à cet égard a été le résultat de cette décision indépendante. La perte n'ayant pas été une conséquence directe de l'invasion et de l'occupation du Koweït par l'Iraq, le Comité a recommandé de ne verser aucune indemnité à ce titre.

71. Une autre société requérante, la Burgan Kuwait Company for Used Cars, a déclaré qu'elle avait fait l'acquisition d'une part de 50 % d'un garage koweïtien auprès d'un particulier jordanien un an avant l'invasion du Koweït par l'Iraq. Elle a fourni un contrat justifiant de cet achat. Elle a déclaré qu'au cours de l'invasion et de l'occupation du Koweït par l'Iraq, le vendeur jordanien avait quitté le Koweït et n'y était pas revenu. Elle déclare également que, l'ensemble des biens étant inscrit au nom du particulier jordanien, elle a perdu la valeur de l'investissement qu'elle avait effectué au moment de l'achat de sa part des biens. Elle n'indique pas la raison pour laquelle les biens sont restés inscrits au nom du vendeur uniquement un an après qu'elle ait acquis 50 % des biens. La société requérante n'a pas fourni de preuve indiquant qu'elle se soit efforcée de récupérer son investissement. Elle n'a pas non plus fourni d'informations sur le statut actuel des biens au Koweït. Compte tenu de ce qui précède, le Comité a considéré que les éléments de preuve présentés n'étaient pas suffisants pour étayer les circonstances et le montant de la perte alléguée. Il a recommandé en conséquence qu'aucune indemnité ne soit accordée à ce titre.

72. Les demandes d'indemnisation au titre d'"autres pertes" qui ont été traitées dans les précédentes tranches de réclamations de la catégorie "E4" ont été examinées de la manière exposée dans les rapports "E4" antérieurs. (Voir, par exemple, le deuxième rapport "E4", par. 108, pour ce qui est du traitement des dépenses réglées à l'avance.)

73. Les recommandations du Comité concernant les autres pertes sont récapitulées à l'annexe II.

V. AUTRES QUESTIONS

A. Dates applicables concernant le taux de change et les intérêts

74. Pour déterminer les dates applicables en ce qui concerne le taux de change et les intérêts, le Comité a suivi l'approche qui est exposée aux paragraphes 226 à 233 du premier rapport "E4".

B. Frais d'établissement des dossiers de réclamation

75. Le Comité a été informé par le Secrétaire exécutif de la Commission que le Conseil d'administration avait l'intention de régler la question des frais d'établissement des dossiers de réclamation à une date ultérieure. Le Comité n'a donc fait aucune recommandation concernant l'indemnisation au titre de ces frais.

VI. INDEMNITÉS RECOMMANDÉES

76. Compte tenu de ce qui précède, les indemnités que le Comité a recommandé d'accorder aux requérants inclus dans la douzième tranche de réclamations "E4" sont indiquées à l'annexe I du présent rapport. Les principes qui sous-tendent les recommandations du Comité concernant les réclamations de cette tranche sont récapitulés dans l'annexe II du présent rapport. Tous les montants ont été arrondis au dinar koweïtien (KWD) le plus proche et peuvent donc varier de KWD 1 par rapport aux montants portés sur le formulaire E.
