I. Рекомендуемая компенсация по претензиям "Е4" двадцать второй партии с указанием номеров претензий ЮНСЕК и ККООН и наименования заявителя	19
II. Рекомендуемая компенсация по претензиям "Е4" двадцать второй партии с указанием наименования заявителя и категории потерь	26

Введение

1. На своей тридцатой сессии, состоявшейся 14-16 декабря 1998 года, Совет управляющих Компенсационной комиссии Организации Объединенных Наций ("Комиссия") назначил гг. Луиса Олаво Баптисту (Председатель), Жана Ноде и Цзяньси Вана в состав Группы уполномоченных ("Группа"), которой было поручено рассмотрение претензий категории "Е4". Категория "Е4" охватывает претензии, представленные кувейтскими корпорациями и другими юридическими лицами (за исключением претензий предприятий нефтяного сектора и претензий, касающихся ущерба окружающей среде), имеющими право подавать претензии в соответствии с разработанными Комиссией "Формами претензий для корпораций и других юридических лиц" ("Форма Е").
2. Двадцать вторая партия претензий, состоящая из 139 претензий "Е4", была передана Группе 31 января 2002 года в соответствии со статьей 32 Временного регламента урегулирования претензий (S/AC.26/1992/10) ("Регламента").
3. В соответствии со статьей 38 Регламента настоящий доклад содержит рекомендации Группы Совету управляющих в отношении двадцать второй партии претензий.

I. ОБЩИЕ СВЕДЕНИЯ О ПРЕТЕНЗИЯХ ДВАДЦАТЬ ВТОРОЙ ПАРТИИ

4. Претензии двадцать второй партии были отобраны из приблизительно 2 750 претензий "Е4" на основе таких критериев, как, в частности, размер, объем и сложность претензии, а также правовые, фактические вопросы и вопросы стоимостной оценки, возникающие в связи с претензией, дата представления претензии в Комиссию и т.д.
5. В претензиях двадцать второй партии заявлены потери на общую сумму 40 132 453 кувейтских динара (приблизительно 138 866 619 долл. США). Заявители также требуют выплаты процентов в общей сложности на сумму 813 425 кувейтских динаров (приблизительно 2 814 619 долл. США) и компенсации расходов на подготовку претензий в размере 202 521 кувейтских динаров (приблизительно 700 765 долл. США)¹.
6. Характер правовых и фактических вопросов, возникающих в связи с каждой претензией, и объем документации, представленной в обоснование каждой претензии, позволили Группе провести их проверку в течение 180 дней, считая с даты, когда претензии двадцать второй партии были переданы Группе.

7. Все заявители претензий двадцать второй партии осуществляли свою деятельность в Кувейте до вторжения Ирака и оккупации им Кувейта. Большинство заявителей занимались торговлей, ряд заявителей действовали в сферах промышленного производства и услуг.

8. К двум наиболее часто встречающимся категориям потерь, компенсации которых требуют заявители претензий данной партии, относятся потери материальной собственности (главным образом товарно-материальных запасов, мебели, арматуры и сантехники, оборудования и транспортных средств) и упущенная выгода. Заявители претензий также претендуют на возмещение безнадёжной дебиторской задолженности, расходов на возобновление деятельности, процентов и расходов на подготовку претензий, относящихся к категории "прочие потери".

II. ПРОЦЕДУРА РАССМОТРЕНИЯ ПРЕТЕНЗИЙ

9. Перед тем как двадцать вторая партия претензий была представлена Группе в соответствии с Регламентом секретариат Комиссии провел предварительную оценку этих претензий. Методика оценки изложена в пункте 11 «доклада и рекомендаций Группы уполномоченных в отношении первой партии претензий "Е4"» (S/AC.26/1999/4) («первом докладе "Е4"»). Результаты проведенного анализа были введены в централизованную базу данных, которая составляется секретариатом ("базу данных о претензиях").

10. Двадцать шесть претензий первоначально содержали формальные дефекты, и секретариат в соответствии со статьей 15 Регламента уведомил об этом соответствующих заявителей. Каждый из заявителей устранил все формальные дефекты.

11. Для выявления существенных юридических и фактических вопросов, а также вопросов оценки был проведен анализ претензий по существу. Результаты такого анализа, включая выявленные существенные вопросы, были введены в базу данных о претензиях.

12. 23 июля 1999 года, 28 октября 1999 года, 28 апреля 2000 года, 6 июля 2000 года, 10 января 2001 года, 12 апреля 2001 года, 10 июля 2001 года и 18 октября 2001 года Исполнительный секретарь Комиссии представил Совету управляющих, подавшим претензии правительствам и правительству Ирака соответственно 28, 29, 31, 32, 34, 35, 36 и 37-й доклады, предусмотренные статьей 16 Регламента ("доклады по статье 16"). Эти доклады касались, в частности, претензий "Е4", которые вошли в состав двадцать второй партии, и в них излагались существенные правовые и фактические вопросы, выявленные в результате анализа этих претензий. В ответ на доклады Исполнительного секретаря по

статье 16 ряд правительств, в том числе правительство Ирака, представили дополнительную информацию и соображения.

13. По завершении а) предварительной оценки; б) рассмотрения претензий по существу и с) работы в связи с докладами, представленными в соответствии со статьей 16 Регламента, Группа получила и рассмотрела следующие документы:

- а) документы по претензиям, представленные заявителями;
- б) доклады о результатах предварительной оценки, подготовленные секретариатом в соответствии со статьей 14 Регламента;
- с) информацию и соображения, полученные от правительств, в том числе от правительства Ирака, в ответ на доклады, представленные в соответствии со статьей 16; и
- д) прочую информацию, которая в соответствии со статьей 32 Регламента была сочтена полезной для работы Группы.

14. В силу причин, указанных в пункте 17 первого доклада "Е4", Группа заручилась услугами бухгалтерской фирмы и фирмы по оценке потерь в качестве экспертов-консультантов. Группа поручила экспертам-консультантам провести анализ каждой претензии двадцать второй партии в соответствии с разработанной ею методикой проверки и стоимостной оценки. Группа также поручила экспертам-консультантам представить ей подробный доклад по каждой претензии с кратким изложением своих выводов.

15. В своем процедурном постановлении от 31 января 2002 года Группа заявила о своем намерении завершить рассмотрение двадцать второй партии претензий и представить свой доклад и рекомендации Совету управляющих в течение 180 дней, считая с 31 января 2002 года. Это процедурное постановление было препровождено правительствам Ирака и Кувейта.

16. В соответствии со статьей 34 Регламента у заявителей была запрошена дополнительная информация и доказательства, которые могли бы облегчить работу Группы по рассмотрению претензий. Заявителям, не представившим запрошенные доказательства, было предложено сообщить о причинах, по которым они не могли этого сделать. Все запросы в отношении дополнительной информации были направлены через кувейтский Государственный орган по оценке компенсации за ущерб в результате

иракской агрессии (ГООК). Такие запросы были направлены в связи со всеми претензиями "Е4", а не только по двадцать второй партии претензий.

17. Запросы в отношении дополнительной информации и доказательств описываются в предыдущих докладах "Е4", например в пунктах 21-26 доклада и рекомендаций Группы уполномоченных по второй партии претензий "Е4" (S/AC.26/1999/17) («второго доклада "Е4"») и в пункте 18 доклада и рекомендаций Группы уполномоченных по шестой партии претензий "Е4" (S/AC.26/2000/8) («шестого доклада "Е4"»). В настоящем докладе эти запросы повторно не излагаются.

18. Была проведена дополнительная проверка, с тем чтобы установить, не представили ли соответствующие заявители претензии, дублирующие друг друга. Информация об этой проверке содержится в пункте 18 доклада и рекомендаций Группы уполномоченных по четвертой партии претензий "Е4" (S/AC.26/1991/18) («четвертого доклада "Е4"»).

19. Один заявитель, "Эль-Камаль трейдинг лтд", в сроки, установленные Комиссией, подал две формы "Е". Заявитель сообщил Комиссии о том, что он просит ее рассмотреть вторую претензию, которая была предъявлена на меньшую сумму, чем первая. Заявитель препроводил эту информацию уже после издания Группой своего процедурного постановления № 1 в отношении претензий двадцать второй партии. При рассмотрении данной претензии Группа исходила из меньшей из запрошенных заявителем сумм.

20. Претензии двадцать второй партии включают четыре претензии десятой партии и одну претензию тринадцатой партии претензий "Е4", рассмотрение которых было отложено Группой из-за возможного дублирования ими индивидуальных претензий о компенсации коммерческих потерь. Причины, по которым рассмотрение этих претензий было отложено, поясняются в пунктах 19-21 доклада и рекомендаций Группы уполномоченных по десятой партии претензий "Е4" (S/AC.26/2000/22) («десятого доклада "Е4"») и в пунктах 20-22 доклада и рекомендаций Группы уполномоченных по тринадцатой партии претензий "Е4" (S/AC.26/2001/5) («тринадцатого доклада "Е4"»). Впоследствии Группа пришла к выводу, что данные претензии не демонстрируют какого-либо дублирования с претензиями отдельных лиц о компенсации коммерческих потерь. В результате эти претензии были включены для рассмотрения в состав двадцать второй партии.

21. Рассмотрев представленные документы и полученную дополнительную информацию, Группа пришла к выводу, что вопросы, связанные с двадцать второй партией претензий, должным образом проработаны и что устных слушаний для дополнительного изучения данных вопросов не требуется.

III. ПРАВОВАЯ ОСНОВА И МЕТОДИКА ПРОВЕРКИ И СТОИМОСТНОЙ ОЦЕНКИ

22. Правовая основа и методика проверки и стоимостной оценки, применявшиеся при рассмотрении претензий данной партии, аналогичны тем, которые использовались в связи с предыдущими партиями претензий "Е4". Эта основа и методика рассмотрены в пунктах 25-62 первого доклада "Е4". В последующих докладах "Е4" обсуждаются дополнительные вопросы, касающиеся правовой основы, проверки и стоимостной оценки, с которыми пришлось столкнуться в связи с указанными партиями претензий "Е4". Этот ряд элементов проведенного Группой анализа в настоящем докладе повторно не приводится. Вместо этого в нем указываются ссылки на разделы предыдущих докладов "Е4", в которых рассматривались эти вопросы.

23. Сталкиваясь с новыми вопросами, не затронутыми в предыдущих докладах "Е4", Группа разрабатывала методологии проверки и стоимостной оценки потерь. Эти новые вопросы рассмотрены в настоящем докладе. Конкретные рекомендации Группы в отношении потерь, заявленных в этой партии претензий, а также их обоснование изложены в приложениях к настоящему докладу.

24. Прежде чем перейти к обсуждению конкретных рекомендаций Группы относительно компенсации по претензиям двадцать второй партии, важно вновь указать, что в ходе проверки и стоимостной оценки претензий Группа стремилась найти баланс между неспособностью заявителей во всех случаях представить убедительные доказательства потерь и "риском завышения суммы таких потерь", обусловленным доказательственными изъянами. В данном контексте термин "риск завышения суммы потерь", определяемый в пункте 34 первого доклада "Е4", используется в тех случаях, когда претензии страдают доказательственными изъянами, затрудняющими их точную стоимостную оценку, и поэтому есть риск того, что их сумма может быть завышена.

IV. ПРЕТЕНЗИИ

25. Группа рассматривала претензии с учетом характера и категории заявленных потерь. Поэтому рекомендации Группы приводятся по категориям потерь. Реклассифицированные потери рассматриваются в разделах, касающихся тех категорий потерь, к которым они были отнесены Группой в результате их реклассификации.

А. Контракт

26. Претензии этой партии в отношении потери контракта предъявляются пятью заявителями и составляют в общей сложности 602 881 кув. дин. (приблизительно 2 086 093 долл. США). Эти претензии не связаны с контрактами с правительством Ирака или контрактами, требовавшими исполнения в Ираке.

27. Подход Группы к критериям компенсируемости контрактных потерь изложен в предыдущих докладах "Е4". Используемые Группой методы проверки и стоимостной оценки в отношении связанных с контрактами претензий рассмотрены в пунктах 77-84 первого доклада "Е4".

28. Все претензии в отношении контрактных потерь касались утраты или уничтожения материалов, хранившихся на различных строительных объектах. При решении вопроса о компенсируемости этих претензий Группа учитывала пункты 67-76 первого доклада "Е4", а также пункт 28 "Доклада и рекомендаций Группы уполномоченных в отношении девятнадцатой партии претензий "Е4" (S/AC.26/2002/4) (девятнадцатый доклад "Е4"). Группа рассматривала вопрос о том, представили ли заявители достаточные доказательства для подтверждения с разумной степенью достоверности следующего:

а) что материалы действительно существовали и находились на конкретном строительном объекте на момент вторжения Ирака и оккупации им Кувейта;

б) что заявитель имел интерес в материалах на момент вторжения Ирака и оккупации им Кувейта; и

с) что материалы были утрачены и уничтожены в результате вторжения Ирака и оккупации им Кувейта.

29. Только один заявитель смог представить достаточные доказательства в соответствии с критериями, перечисленными в пункте 28 выше. Группа рекомендовала присудить компенсацию по его претензии.

30. Рекомендации Группы в отношении контрактных потерь излагаются в приложении II ниже.

В. Недвижимость

31. Претензии в связи с потерей недвижимого имущества на общую сумму 1 605 843 кувейтских динара (приблизительно 5 556 550 долл. США) представил в рамках данной партии 21 заявитель. Эти претензии касались ущерба, причиненного ряду зданий и помещений в Кувейте, находившихся в собственности или в аренде.

32. Претензии о компенсации потери недвижимости в данной партии не вызывают каких-либо новых юридических вопросов или вопросов проверки и оценки. Критерии компенсируемости и методология проверки и стоимостной оценки, принятые Группой для претензий о компенсации потери недвижимого имущества, изложены в пунктах 89-101 первого доклада "Е4".

33. Заявители данной партии претензий представили доказательства, аналогичные тем, которые Группа изучила при рассмотрении претензий в связи с потерей недвижимости в предыдущих партиях претензий "Е4". Эти доказательства описаны в пунктах 48-50 второго доклада "Е4".

34. Рекомендации Группы по претензиям о компенсации потерь недвижимости резюмируются в приложении II.

С. Материальное имущество, товарно-материальные запасы, наличность и транспортные средства

35. Претензии в связи с потерями материального имущества в рамках двадцать второй партии представило большинство заявителей. Общая сумма заявленных потерь товарно-материальных запасов, мебели, арматуры и сантехники, оборудования, транспортных средств и наличности составляет 25 048 057 кувейтских динаров (приблизительно 86 671 478 долл. США).

36. В отношении компенсируемости, проверки и стоимостной оценки претензий в связи с потерями материальной собственности, запасов, наличности и транспортных средств Группа применяла подход, изложенный в пунктах 108-135 первого доклада "Е4".

37. В рамках этой партии претензий заявители представляли доказательства, аналогичные тем, с которыми Группа сталкивалась при рассмотрении предыдущих партий претензий "Е4" в связи с потерями материального имущества. Эти доказательства описаны в пунктах 55-56 второго доклада "Е4".

38. В отношении претензий большинства заявителей факт потери товарно-материальных запасов, право собственности на них и их стоимость подтверждались копиями ревизованных счетов, подлинными товарными квитанциями и данными "текущей оценки", процедуры которой описаны в пункте 119 первого доклада "Е4". Ряд заявителей подтверждали потери товарно-материальных запасов главным образом свидетельствами своих работников и контрагентов. В тех случаях, когда факт утраты товарно-материальных запасов не подтверждался достаточными доказательствами, например, отражением непредвиденных потерь в ревизованной финансовой отчетности заявителя в период после освобождения, Группа не рекомендует компенсации за такие потери.

39. Один заявитель, "Эр-Рифия полтри фарм ко", находящийся в процессе ликвидации, предъявил претензию в отношении потерь поголовья домашней птицы, которую он назвал "молодыми цыпами". При проверке оценке данной претензии Группа пользовалась заключениями первой группы "Е4" в пунктах 39-42 "Доклада и рекомендаций Группы уполномоченных по девятой партии претензий "Е4" (S/AC.26/2001/13), а также своими предыдущими выводами в пунктах 38-41 девятнадцатого доклада "Е4". На основе представленных заявителем подтверждений Группа не смогла установить с разумной достоверностью, что заявитель надлежащим образом оценил размеры своих потерь домашней птицы. В частности, заявитель не представил данных о поголовье "молодых цып", которых он содержит, что помешало Группе сравнить оценку стоимости единицы поголовья с ценой на кувейтском рынке в 1990 году. В силу этого было сочтено, что в связи с данной претензией возникает "риск завышения потерь". Группа рекомендует компенсацию, скорректированную для учета такого риска завышения.

40. Как и в случае предыдущих партий претензий "Е4", большинство претензий в связи с потерей товара в пути касались товаров, которые находились в Кувейте в день вторжения в него Ирака и впоследствии были утрачены. Заявители утвержденных к оплате претензий смогли представить достаточные доказательства оплаты товаров и установить право собственности, факт существования и потери товаров на основе сертификатов, выданных кувейтскими портовыми властями или экспедиторскими фирмами.

41. Претензии о возмещении потерь наличных в составе данной партии не вызывают каких-либо новых юридических вопросов или вопросов проверки и оценки. Большинство заявителей, истребующих компенсацию потерь наличных, ограничились свидетельствами очевидцев, не представив других доказательств, подтверждающих обоснованность их претензий. В случаях, когда претензии в связи с потерей наличных не были подкреплены относящимися к соответствующему периоду доказательствами, подтверждающими

наличие таких денежных средств и их сумму по состоянию на 2 августа 1990 года, Группа не рекомендовала компенсации. Ни один из заявителей претензий двадцать второй партии не смог представить в подтверждение своей претензии достаточных относящихся к соответствующему периоду свидетельств.

42. По претензиям в связи с потерей транспортных средств в рамках данной партии не возникло никаких новых юридических вопросов или вопросов проверки и стоимостной оценки. Большинство заявителей претензий в связи с потерей транспортных средств смогли подтвердить свои потери, представив копии справок о снятии с учета и дополнительные документы, например ревизованные счета, относящиеся к периоду после освобождения, и свидетельства очевидцев, подтверждающие факт и обстоятельства утраты транспортных средств.

43. Рекомендации Группы относительно претензий в связи с потерями материального имущества, товарно-материальных запасов, наличных и транспортных средств резюмируются в приложении II ниже.

D. Выплаты или помощь другим лицам

44. Претензии в связи с выплатами или оказанием помощи третьим лицам на общую сумму 47 927 кувейтских динаров (приблизительно 165 837 долл. США) представили в рамках данной партии два заявителя.

45. Претензии о компенсации выплат или помощи другим лицам в составе данной партии не вызывают новых юридических вопросов или вопросов проверки и стоимостной оценки. При рассмотрении этих претензий в связи с выплатой или оказанием помощи третьим лицам Группа применяла подход и методику проверки и стоимостной оценки, описанные в предыдущих докладах "Е4", например в пунктах 71-75 второго доклада "Е4".

46. Рекомендации Группы по претензиям в связи с выплатами или помощью другим лицам резюмируются в приложении II.

E. Упущенная выгода

47. Претензии, связанные с упущенной выгодой на общую сумму в 10 909 729 кувейтских динаров (приблизительно 37 749 927 долл. США), представили в рамках данной партии 78% заявителей.

48. Четыре существенных юридических и фактических вопроса, возникших в связи с первой партией претензий, в равной степени относятся и к их настоящей партии. Эти вопросы касаются влияния и оценки: а) выплат, полученных в рамках принятой

правительством Кувейта программы урегулирования задолженности после освобождения страны, b) непредвиденной или дополнительной прибыли, полученной заявителями сразу после освобождения Кувейта, c) периода времени, подпадающего под компенсацию упущенной выгоды, и d) претензий в связи с упущенной выгодой, основанных на наиболее прибыльных видах деятельности. Выводы по этим вопросам, к которым пришла Группа, изложены в пунктах 161-193 первого доклада "Е4". На основе этих выводов Группа и формулировала свои соображения и рекомендации в отношении претензий данной партии, связанных с упущенной выгодой.

49. Несмотря на неоднократные просьбы, многие заявители претензий двадцать второй партии не представили годовой отчетности за три финансовых года до и после вторжения Ирака в Кувейт и оккупации им Кувейта. Группа отметила, что в ряде случаев непредставление некоторой отчетности объяснялось объективными причинами, например тем, что в период 1987-1990 годов заявитель только начал свою коммерческую деятельность, или тем, что заявитель прекратил свою деятельность после вторжения Ирака в Кувейт и оккупации им Кувейта.

50. Претензии в связи с упущенной выгодой, заявленные предприятиями, не представившими полного набора ревизованной отчетности за соответствующие периоды, могли быть завышены, если только непредставление таких счетов не было связано с объективными причинами, подтвержденными заявителями.

51. Два заявителя, которые начали хозяйственную деятельность незадолго до вторжения Ирака и оккупации им Кувейта, представили претензии в отношении упущенной выгоды. "Кувейти/Эджипшн менеджмент консалтантс" начала операции 22 мая 1990 года. "Галф ченнелз трейдинг ко" начала операции 27 июня 1990 года. Заявители положили в основу расчета своей упущенной выгоды довоенные прибыли со ссылкой на довоенные счета, которые охватывали период в два месяца или еще меньше. Группа отметила, что заявители оказались не в состоянии представить информацию, которая бы достаточно достоверно подтверждала прошлую прибыльность. Группа учла рекомендации, вынесенные в предыдущих докладах, включая девятнадцатый доклад "Е4", тринадцатый доклад "Е4", шестой доклад "Е4" и четвертый доклад "Е4". Из-за недостаточных доказательств Группа рекомендовала не присуждать компенсации по этим претензиям.

52. Методика проверки и оценки, принятая Группой применительно к претензиям о возмещении упущенной выгоды, изложена в пунктах 194-202 первого доклада "Е4".

53. Рекомендации Группы по претензиям о компенсации упущенной выгоды резюмируются в приложении II ниже.

Г. Дебиторская задолженность

54. "Безнадежной задолженности" в рамках рассматриваемой партии касались 14 претензий на общую сумму 1 385 933 кувейтских динаров (приблизительно 4 795 616 долл. США). Большинство заявителей этих претензий требовали компенсации потерь в связи с долгами коммерческих предприятий и частных лиц, действовавших или проживавших в Кувейте до иракского вторжения.

55. Как и в случаях с предыдущими партиями претензий "Е4", большинство заявителей истребовали компенсацию задолженности, которая осталась непогашенной, поскольку должники не вернулись в Кувейт после его освобождения. Группа подтверждает свое заключение по данному вопросу, сформулированное в пунктах 209-210 первого доклада "Е4". Претензии в отношении долгов, ставших безнадежными в результате вторжения Ирака в Кувейт и оккупации им Кувейта, должны содержать документальные и другие свидетельства, подтверждающие характер и размер долга, а также обстоятельства, при которых он стал безнадежным.

56. Проверка и стоимостная оценка претензий в связи с безнадежной задолженностью, предъявленных в рамках двадцать второй партии претензий, были проведены в соответствии с методикой, изложенной в пунктах 211-215 первого доклада "Е4".

57. Как было отмечено выше, Группа рекомендует оставить без удовлетворения претензии, в которых утверждается, что непогашенная задолженность стала безнадежной *ipso facto*, поскольку должники не вернулись в Кувейт. Почти никто из заявителей не представил убедительных доказательств того, что неспособность должников погасить свои долги стала прямым результатом вторжения Ирака в Кувейт и оккупации им Кувейта. Это обстоятельство было доведено до сведения заявителей путем направления им запросов о дополнительной информации (см. пункты 16-17 выше). Хотя от ряда заявителей были получены ответы, только один из них удовлетворял упомянутым выше критериям. Группа рекомендовала компенсацию по этой претензии.

58. "Эль-Ансари энд Эм-Мусви констракшнл матириалз дженерал контрактинг ко" представила претензию в отношении невозвращенной задолженности по трем отдельным строительным проектам. Заявитель представил подтверждения контрактов, но препроводил доказательства только для подтверждения неполучения долга от кувейтского частного лица за работу, которая была проделана только по одному из контрактов. Хотя

заявитель приложил заявление должника о том, что он оказался не в состоянии вернуть долг в результате вторжения Ирака и оккупации им Кувейта, он не препроводил никаких дополнительных подтверждений в обоснование этого заявления. Группа также отметила, что данное лицо, по-видимому, вернулось в Кувейт и что заявитель не представил доказательств, которые свидетельствовали бы о том, что должник обанкротился или "иным образом лишился бизнеса непосредственно в результате вторжения Ирака в Кувейт" (см. пункт 21 четвертого доклада "Е4"). В этих обстоятельствах Группа приходит к выводу о том, что представленные заявителем доказательства являются недостаточными. Поэтому Группа не рекомендует компенсацию по данной претензии.

59. "Султан эдюкешнл фаундейшн" представила претензию в отношении ссуд учащимся, предоставленным в период с 1977 по 1990 год, которые не были возвращены на момент вторжения Ирака и оккупации им Кувейта. Хотя заявитель представил проверенные ревизорами счета в обоснование своей претензии, он не препроводил доказательств производства студентам выплат или подтверждений, касающихся их личности или гражданства. Поскольку заявитель не смог доказать, что должники обанкротились или иным образом оказались не в состоянии вернуть долг непосредственно в результате вторжения Ирака и оккупации им Кувейта, Группа не рекомендует компенсацию по этой претензии.

60. Рекомендации Группы по претензиям о компенсации дебиторской задолженности резюмируются в приложении II ниже.

G. Расходы на возобновление деятельности

61. Четыре заявителя претензий данной партии истребовали компенсацию расходов на возобновление деятельности в сумме 28 102 кувейтских динара (приблизительно 97 239 долл. США). Суммы, истребовавшиеся в качестве расходов на возобновление деятельности, были рассмотрены с использованием методики, описанной в пунктах 221-223 первого доклада "Е4" и в пунктах 93-96 второго доклада "Е4".

62. Претензии о компенсации расходов на возобновление деятельности данной партии не создают каких-либо новых юридических вопросов или вопросов проверки и оценки. Рекомендации Группы по расходам на возобновление деятельности резюмируются в приложении II ниже.

Н. Прочие потери

63. Девять заявителей претензий данной партии истребуют прочие потери на общую сумму 503 981 кувейтский динар (приблизительно 1 743 879 долл. США).
64. Претензии о компенсации "прочих потерь", рассмотренные в составе предыдущих партий "Е4", были урегулированы в порядке, изложенном в предыдущих докладах "Е4" (см., например, пункт 108 второго доклада "Е4" об урегулировании заранее оплаченных расходов и пункте 93-94 четвертого доклада "Е4" об аннулированных банкнотах в кувейтских динарах).
65. "Тхувайни трейдинг компани" представила претензию в отношении консигнационного груза. Она заявила, что имела контракт с компанией "Хьюз тулз ко" на консигнацию груза заявителю. Заявитель также сообщил, что на момент вторжения Ирака и оккупации им Кувейта консигнационный груз находился на складах "Кувейт ойл ко". Он был проведен проходкой отдельной строкой в довоенных счетах заявителя, и заявитель представил инвентарную опись груза, хранившегося на складах "Кувейт ойл ко" вместе с подтверждающими счетами-фактурами и транспортными документами". Однако заявитель не представил доказательств в обоснование утверждения о том, что консигнационный груз, который фигурирует в его счетах, фактически является грузом компании "Хьюз тулз ко". Аналогичным образом заявитель не представил подтверждений, которые свидетельствовали о том, что все товары, находящиеся на складах "Кувейт ойл ко", являлись товарами, поставленными компанией "Хьюз тулз ко". Кроме того, заявитель не представил каких-либо контрактов для объяснения своих договорных отношений с компанией "Хьюз тулз ко".
66. Группа считает, что заявитель не продемонстрировал удовлетворительным образом, что он понес потерю в размере консигнационного груза. В частности, заявитель не продемонстрировал того, что у него был какой-либо интерес в этом грузе или что он был обязан оплатить компании "Хьюз тулз ко" потерянный груз. Так, заявитель указал, что до вторжения он был обязан перечислять оплату компании "Хьюз тулз ко" только после того, как он сам, в свою очередь, получит за него оплату. Таким образом, Группа приходит к заключению об отсутствии достаточных доказательств, свидетельствующих о том, при каких обстоятельствах до вторжения Ирака и оккупации им Кувейта заявитель был бы обязан произвести оплату компании "Хьюз тулз ко" по консигнационному соглашению. Кроме того, Группа приходит к заключению об отсутствии достаточных доказательств того, что заявитель понес потерю консигнационного груза непосредственно в результате вторжения Ирака и оккупации им Кувейта. В свете вышеизложенного Группа рекомендует не присуждать компенсации по этой претензии.

67. Компания "Интернэшнл видео фильм ко" представила претензию в отношении потери прав на кинопродукцию. Она заявляет, что до вторжения Ирака и оккупации им Кувейта она купила права на различные кинофильмы, включая эксклюзив на аренду и продажу некоторых фильмов на видеокассетах населению и на торговлю ими на киноярмарках, а также право на аренду некоторых фильмов телевизионным станциям и кинотеатрам как в Кувейте, так и за его пределами. В подтверждение своей претензии заявитель представил перечень счетов, свидетельствующих о покупке прав. Однако заявитель не представил каких-либо контрактов для подтверждения условий его прав на различные фильмы и видеокассеты (например, лицензирование, продажа, тиражирование и т.д. фильмов). Кроме того, хотя заявитель представил свидетельства того, что мастеркопии фильмов были украдены или уничтожены, он не препроводил подтверждений того, что он лишился своих прав на фильмы или что он не смог восстановить свои права после вторжения Ирака и оккупации им Кувейта. В результате этого Группа приходит к заключению о том, что заявитель не продемонстрировал того, что он лишился прав на фильмы непосредственно в результате вторжения Ирака и оккупации им Кувейта. Поэтому Группа рекомендует не присуждать компенсации по данной претензии.

68. Рекомендации Группы по прочим потерям резюмируется в приложении II ниже.

V. ПРОЧИЕ ВОПРОСЫ

A. Даты, используемые при определении валютного курса и процентов

69. В отношении дат, по состоянию на которые должны определяться валютные курсы и проценты, Группа использовала подход, описанный в пунктах 226-233 первого доклада "Е4".

B. Расходы на подготовку претензий

70. Исполнительный секретарь Комиссии информировал Группу о том, что Совет управляющих намерен решить вопрос о расходах на подготовку претензий позднее. Поэтому Группа воздерживается от каких-либо рекомендаций в отношении компенсации расходов на подготовку претензий.

VI. РЕКОМЕНДОВАННЫЕ ВЫПЛАТЫ

71. Суммы компенсации, которые Группа с учетом вышеизложенного рекомендовала выплатить заявителям претензий "Е4" двадцать второй партии, указаны в приложении I к

настоящему докладу. Основные принципы, которыми Группа руководствовалась при вынесении рекомендаций по таким претензиям, кратко излагаются в приложении II к настоящему докладу. Все суммы были округлены с точностью до одного кувейтского динара, вследствие чего они могут отличаться от сумм, указанных в форме "Е", на 1 кувейтский динар.

Женева, 20 июня 2002 года

Примечание

¹ При рассмотрении двадцать второй партии претензий Группа обратила внимание на некоторые расхождения между суммами, запрошенными заявителями, и суммами, указанными в качестве итоговых запрошенных сумм в ее процедурном постановлении № 1. Общая сумма, запрошенная по двадцать второй партии, была соответствующим образом исправлена в приложениях I и II ниже.
