I. Recommended awards for the nineteenth instalment of "E4" claims reported by UNSEQ and UNCC claim number and claimant name	
II. Recommended awards for the nineteenth instalment of "E4" claims reported by claimant name and category of loss	

INTRODUCCIÓN

1. En su 30º período de sesiones, celebrado los días 14 a 16 de diciembre de 1998, el Consejo de Administración de la Comisión de Indemnización de las Naciones Unidas (la "Comisión") nombró para integrar el segundo Grupo de Comisionados (el "Grupo") encargado de examinar las reclamaciones de la categoría "E4" a los Sres. Luiz Olavo Baptista ("Presidente"), Jean Naudet y Jianxi Wang. Se trata de reclamaciones de sociedades del sector privado y entidades kuwaitíes, con exclusión de las presentadas por el sector petrolero y las reclamaciones por daños al medio ambiente, con derecho a pedir indemnización al amparo de los "Formularios para las reclamaciones dimanantes de sociedades u otras entidades" ("formulario E") establecidos por la Comisión.

2. De conformidad con el artículo 32 de las Normas provisionales relativas al procedimiento de tramitación de las reclamaciones (S/AC.26/1992/10) (las "Normas"), el 31 de julio de 2001 se presentó al Grupo la decimonovena serie de 139 reclamaciones "E4".

3. De conformidad con el artículo 38 de las Normas, el presente informe contiene las recomendaciones del Grupo al Consejo de Administración acerca de la decimonovena serie de reclamaciones.

I. EXAMEN GENERAL DE LA DECIMONOVENA SERIE DE RECLAMACIONES

4. Las reclamaciones de la decimonovena serie se eligieron entre unas 2.750 reclamaciones "E4" sobre la base de criterios entre los que figuran la envergadura, cuantía y complejidad de las reclamaciones, los problemas de hecho, de derecho y de valoración que plantean y la fecha en que se presentaron a la Comisión.

5. En las reclamaciones de la decimonovena serie se imputan pérdidas por un total de 57.462.622 dinares kuwaitíes ("KD") (unos 198.832.602 dólares de los EE.UU.). Los reclamantes también piden intereses por un total de 2.774.477 KD (unos 9.600.266 dólares) y el pago de los costos de preparación de las reclamaciones, por un total de 247.875 KD (unos 857.699 dólares).

6. Habida cuenta de la naturaleza de las cuestiones de hecho y de derecho planteadas en cada reclamación y el volumen de documentación aportada en apoyo de las pérdidas reclamadas, el Grupo ha podido terminar la verificación de las reclamaciones de la decimonovena serie en el plazo de 180 días a partir de la fecha de su presentación.

7. Todos los reclamantes de la decimonovena serie desarrollaban actividades en Kuwait antes de la invasión y ocupación de ese país por el Iraq. En su mayoría, esas empresas realizaban actividades mercantiles. Unas pocas desarrollaban su actividad en el sector de las manufacturas y los servicios.

8. Los dos tipos de pérdidas que los reclamantes de esta serie alegan con más frecuencia son la pérdida de cosas corporales (principalmente existencias, mobiliario, accesorios, equipo y vehículos) y la pérdida de ganancias o beneficios. Dentro de la categoría "otras pérdidas", los reclamantes también han pedido indemnización por deudas incobrables, gastos de reanudación de la actividad empresarial, intereses y gastos de preparación de las reclamaciones.

II. TRAMITACIÓN

9. Antes de que se presentaran al Grupo las reclamaciones de la decimonovena serie, la Secretaría de la Comisión efectuó una evaluación preliminar de las reclamaciones de conformidad con las Normas. Este examen se describe en el párrafo 11 del "Informe y recomendaciones del Grupo de Comisionados acerca de la primera serie de reclamaciones "E4"" (S/AC.26/1999/4) (el "primer informe "E4""). Los resultados de este examen se introdujeron en una base de datos centralizada de la Secretaría (la "Base de datos de las reclamaciones").

10. Inicialmente, 15 reclamaciones adolecían de defectos formales y la Secretaría envió notificaciones a los correspondientes reclamantes, de conformidad con el artículo 15 de las Normas. Los reclamantes subsanaron todos los defectos formales.

11. Se llevó a cabo un examen sustantivo de las reclamaciones con el fin de determinar las cuestiones de derecho, de hecho y de valoración importantes. Los resultados del examen, incluidas las cuestiones que se consideraron importantes, se registraron en la Base de datos de las reclamaciones.

12. El Secretario Ejecutivo de la Comisión presentó al Consejo de Administración, de conformidad con el artículo 16 de las Normas, los informes Nos. 28, 29, 35 y 36, de fechas 23 de julio y 28 de octubre de 1999, 12 de abril y 10 de julio de 2001, respectivamente. Los informes abarcaban, entre otras cosas, la decimonovena serie de reclamaciones "E4", y en ellos se planteaban importantes cuestiones de hecho y de derecho observadas en estas reclamaciones. Varios gobiernos, entre ellos el del Iraq, presentaron al Secretario Ejecutivo información y opiniones adicionales en respuesta a los informes preparados de conformidad con el artículo 16.

13. Al terminar a) la evaluación preliminar; b) el examen sustantivo; y c) la presentación de informes con arreglo al artículo 16, se pusieron a disposición del Grupo los siguientes documentos que éste tomó en consideración:

- a) Los documentos de la reclamación presentada por los reclamantes;
- b) Los informes de la evaluación preliminar preparados de conformidad con el artículo 14 de las Normas;
- c) Información y opiniones de los gobiernos, incluido el del Iraq, recibidas en respuesta a los informes previstos en el artículo 16 y
- d) Otras informaciones consideradas útiles para la labor del Grupo con arreglo al artículo 32 de las Normas.

14. Por las razones que se exponen en el párrafo 17 del primer informe "E4", el Grupo contrató los servicios de una empresa de contabilidad y de una empresa de liquidación de pérdidas. El Grupo encargó a los consultores expertos que examinaran cada reclamación de la decimonovena serie de conformidad con los métodos de verificación y valoración elaborados por el Grupo y pidió a los consultores expertos que le presentaran un informe detallado sobre cada reclamación, junto con un resumen de sus conclusiones.

15. En virtud de su providencia de trámite de fecha 31 de julio de 2001, el Grupo comunicó su intención de terminar su examen de las reclamaciones de la decimonovena serie y presentar su

informe y sus recomendaciones al Consejo de Administración en el plazo de 180 días a partir de la fecha indicada. La providencia de trámite se remitió al Gobierno del Iraq y al Gobierno de Kuwait.

16. De conformidad con el artículo 34 de las Normas, se pidió a los reclamantes información y pruebas adicionales para ayudar al Grupo en su examen de las reclamaciones. Cuando los reclamantes no pudieron presentar las pruebas solicitadas, se les pidió que expusieran las razones por las que no habían podido hacerlo. Todas las peticiones de información y de pruebas adicionales se enviaron por conducto de la Autoridad Pública de Kuwait para la evaluación de las indemnizaciones por daños resultantes de la agresión iraquí ("PAAC"). Se pidió información adicional sobre todas las reclamaciones "E4" y no sólo sobre las reclamaciones de la decimonovena serie.

17. Las peticiones de información y de pruebas adicionales se han descrito en informes anteriores de la categoría "E4", por ejemplo en los párrafos 21 a 26 del "Informe y recomendaciones del Grupo de Comisionados acerca de la segunda serie de reclamaciones "E4"" (S/AC.26/1999/17) (el "segundo informe "E4""") y en el párrafo 18 del "Informe y recomendaciones del Grupo de Comisionados acerca de la sexta serie de reclamaciones "E4"" (S/AC.26/2000/8) (el "sexto informe "E4"""). En el presente informe no se reproducen estas peticiones de información.

18. Se llevó a cabo una nueva verificación para determinar si ciertos reclamantes relacionados entre sí habían presentado reclamaciones por duplicado. Este examen se describe en el párrafo 18 del "Informe y recomendaciones del Grupo de Comisionados acerca de la cuarta serie de reclamaciones "E4"" (S/AC.26/1999/18) (el "cuarto informe "E4""").

19. Forman parte de la 19^a serie seis reclamaciones que el Grupo extrajo de la décima serie "E4" al advertir una posible superposición con reclamaciones individuales por pérdidas comerciales. En los párrafos 19 a 21 del "Informe y recomendaciones del Grupo de Comisionados acerca de la décima serie de reclamaciones "E4"" (S/AC.26/2000/22) (el "décimo informe "E4""") se explica por qué se aplazó el examen de estas reclamaciones. El Grupo ha llegado posteriormente a la conclusión de que dichas reclamaciones no se sobreponen a otras reclamaciones individuales por pérdidas comerciales. En consecuencia, las seis reclamaciones son objeto de examen dentro de la 19^a serie.

20. Basándose en el examen de los documentos presentados y de la información adicional obtenida, el Grupo llegó a la conclusión de que las cuestiones planteadas por las reclamaciones de la decimonovena serie se habían sustanciado adecuadamente, lo que hacía innecesaria cualquier actuación oral para examinar las reclamaciones con más detenimiento.

III. MARCO JURÍDICO Y MÉTODOS DE VERIFICACIÓN Y VALORACIÓN

21. El marco jurídico y los métodos de verificación y valoración aplicados a la evaluación de las reclamaciones de esta serie son los mismos que se utilizaron en anteriores series "E4". Este marco y estos métodos se examinan en los párrafos 25 a 62 del primer informe "E4". En los informes "E4" posteriores se examinan otras cuestiones jurídicas y de verificación y valoración que se plantearon en relación con estas series de reclamaciones "E4". En el presente informe no se repiten los diversos elementos del examen efectuado por el Grupo, pero en cambio se hace referencia a las secciones de los informes "E4" precedentes en que se trataron estas cuestiones.

22. En los casos en que el Grupo encontró nuevas cuestiones que no se habían tratado en los anteriores informes "E4", el Grupo elaboró métodos para verificar y valorar las pérdidas. Estas nuevas cuestiones se examinan en el texto del presente informe. Las recomendaciones concretas del Grupo sobre las pérdidas por las que se pide indemnización en esta serie y las razones de dichas recomendaciones se exponen en los anexos del presente informe.

23. Antes de examinar las recomendaciones concretas del Grupo respecto de las indemnizaciones correspondientes a las reclamaciones de la decimonovena serie, es importante insistir en que la manera en que el Grupo hace la verificación y valoración de esas reclamaciones establece un equilibrio entre la incapacidad del reclamante para aportar en todos los casos las pruebas más idóneas y el "riesgo de exageración" que entraña la insuficiencia de pruebas. En este contexto, la expresión "riesgo de exageración", según se define en el párrafo 34 del primer informe "E4", se utiliza para referirse a aquellos casos en que las reclamaciones no están suficientemente probadas, lo que impide su cuantificación exacta y supone, por lo tanto, el riesgo de que se hayan exagerado.

IV. RECLAMACIONES

24. El Grupo examinó las reclamaciones según la naturaleza y el tipo de pérdida especificados. En consecuencia, las recomendaciones del Grupo se exponen según los tipos de pérdida. Las pérdidas reclasificadas se han tratado en la sección relativa a los tipos de pérdidas en que el Grupo las reclasificó.

A. Pérdidas contractuales

25. Ocho reclamantes de la presente serie afirmaron haber sufrido pérdidas contractuales por la suma de 651.593 KD (unos 2.254.647 dólares). Las reclamaciones por pérdidas contractuales de esta serie no se refieren a contratos con el Gobierno del Iraq o a contratos que debían ejecutarse en ese país.

26. El criterio adoptado por el Grupo respecto de la resarcibilidad de las pérdidas contractuales se expone en anteriores informes "E4", y el método de verificación y valoración adoptado por el Grupo para las reclamaciones por pérdidas contractuales se examina en los párrafos 77 a 84 del primer informe "E4".

27. La empresa Securities Group Company K.S.C. ha presentado una reclamación por los gastos suplementarios que ha debido efectuar para terminar la construcción de su oficina central, en curso el 2 de agosto de 1990. El reclamante ha declarado que la construcción quedó interrumpida como resultado de la invasión y ocupación de Kuwait por el Iraq. Después de la liberación de Kuwait, el reclamante ha conservado a su servicio a un administrador de las obras, un supervisor y un departamento de mobiliario encargados de colaborar en la administración, supervisión y equipamiento de la oficina. La cantidad reclamada corresponde a los honorarios mensuales facturados por el administrador, el supervisor y el departamento de mobiliario a lo largo de la prórroga necesaria para dar fin al contrato. El reclamante ha solicitado también ser resarcido de los mayores gastos facturados por el contratista general, mantenido para terminar las obras. El reclamante ha suministrado pruebas acerca de los gastos en que habría incurrido normalmente, junto con pruebas sobre el aumento de los gastos efectivos necesarios para terminar las obras. El reclamante ha pedido también resarcimiento por el costo de restablecer el lugar de la construcción

como estaba antes de la invasión y por el costo de los materiales que fueron extraídos de dicho lugar durante la invasión y ocupación de Kuwait por el Iraq.

28. Para adoptar su decisión, el Grupo se ha referido a los párrafos 67 a 76 del primer informe "E4", en el que el primer Grupo "E4" consideró que una parte del aumento de los gastos de construcción realizados por un reclamante después de la reanudación de un contrato eran el resultado directo de la invasión y ocupación de Kuwait por el Iraq. El primer Grupo "E4" llegó a la conclusión de que el grado en que dichos aumentos se debían directamente a la invasión y ocupación de Kuwait por el Iraq dependía de los hechos y las circunstancias de cada caso. El Grupo tuvo también presentes las conclusiones del Grupo "F3" en el "Informe y recomendaciones del Grupo de Comisionados acerca de la primera serie de reclamaciones "F3" (S/AC.26/1999/24) (el "primer informe "F3"""). Según se indica en los párrafos 59 a 64 del primer informe "F3", el Grupo "F3" llegó a la conclusión de que, después de la liberación de Kuwait, hubo un aumento general del precio de los bienes y servicios en Kuwait y que este aumento se debió a muchos factores que no estaban necesariamente relacionados con la invasión. El Grupo sólo ha podido determinar que existía un nexo de causalidad directo entre tres tipos de costos y la invasión y ocupación de Kuwait por el Iraq. Se trata en estos casos del aumento de los gastos de transporte, seguros y restauración de los lugares de las obras, entre ellos los gastos relacionados con el reemplazamiento de los materiales y el equipo perdidos durante la invasión por los materiales y el equipo que se necesitaron para reanudar las obras de construcción. El Grupo considera que las conclusiones del Grupo "F3" están en armonía con los párrafos 67 a 76 del primer informe "E4". Aunque ha demostrado que había tenido que realizar gastos suplementarios para terminar las obras como resultado de la invasión, el reclamante no ha demostrado que estos gastos estuviesen comprendidos dentro de las categorías enumeradas por el Grupo "F3". Por consiguiente, el Grupo no recomienda que se pague una indemnización por esta reclamación.

29. La empresa Al-Kulaib & Ramasamy Mechanical, Electrical & Civil Contracting Company W.L.L. era subcontratista de tres obras realizadas por cuenta del Ministerio de Comunicaciones de Kuwait. El reclamante ha presentado una reclamación por los gastos correspondientes a materiales que se encontraban en el lugar de las obras y por los gastos correspondientes al empleo de mano de obra en relación con las tres operaciones, gastos que no se habían facturado todavía cuando ocurrió la invasión y ocupación de Kuwait por el Iraq. El reclamante ha declarado que todos los contratos con entidades oficiales quedaron cancelados como resultado de la invasión y ocupación de Kuwait por el Iraq y que, como no se reanudó el contrato, el reclamante no puede resarcirse de estos gastos. El Grupo ha examinado el efecto de la invasión y ocupación de Kuwait sobre los contratos entre contratistas y el Gobierno de Kuwait. En particular, el Grupo ha tenido en cuenta la Orden N° 148, de fecha 27 de enero de 1991, del Consejo de Ministros de Kuwait, según la cual estos contratos se rigen por las normas aplicables a las obligaciones contractuales en general y, por consiguiente, han quedado sin efecto por causa de fuerza mayor. Por consiguiente, el Grupo considera que los subcontratos del reclamante quedaron cancelados como resultado directo de la invasión y ocupación de Kuwait por el Iraq.

30. El Grupo ha tenido en cuenta el "Informe y recomendaciones del Grupo de Comisionados acerca de la 16^a serie de reclamaciones de la categoría "E3" (el "16º informe "E3") (S/AC.26/2001/28); en este informe el Grupo "E3" llegó a la conclusión de que eran indemnizables en principio gastos tales como los realizados antes de la licitación que el reclamante preveía recuperar a lo largo de la vigencia del contrato. El Grupo considera que los gastos correspondientes al empleo de mano de obra serían gastos irrecuperables que no se podrían

facturar con arreglo a los respectivos contratos, pero que se habrían recuperado de no haberse puesto término a los contratos. Como el reclamante ha suministrado pruebas en apoyo de las cantidades reclamadas en concepto de gastos correspondientes al empleo de mano de obra, el Grupo recomienda que se pague una indemnización por esta parte de la reclamación. Ahora bien, el reclamante no ha suministrado pruebas que confirmen la existencia de materiales en el lugar de las obras. En estas condiciones, el Grupo no ha recomendado que se pague una indemnización por esta parte de la reclamación.

31. Las recomendaciones del Grupo sobre las pérdidas contractuales se resumen en el anexo II.

B. Bienes inmuebles

32. Treinta y dos reclamantes de esta serie presentaron reclamaciones por la pérdida de bienes inmuebles por un total de 1.922.995 dinares kuwaitíes (unos 6.653.962 dólares). Estas reclamaciones se referían a daños causados a diversos locales de propiedad o en arrendamiento en Kuwait.

33. Las reclamaciones de esta serie por la pérdida de bienes inmuebles no han planteado nuevas cuestiones jurídicas o de verificación y valoración. Las normas de resarcibilidad y el método de verificación y valoración adoptado por el Grupo para las reclamaciones por la pérdida de bienes inmuebles se exponen en los párrafos 89 a 101 del primer informe "E4".

34. Los reclamantes de esta serie han presentado pruebas de la misma clase que las pruebas que el Grupo tomó en consideración en anteriores series "E4" cuando examinó las reclamaciones relativas a la pérdida de bienes inmuebles. Estas pruebas se describen en los párrafos 48 a 50 del segundo informe "E4".

35. Las recomendaciones del Grupo con respecto a la pérdida de bienes inmuebles se resumen en el anexo II.

C. Cosas corporales, existencias, dinero en efectivo y vehículos

36. La mayoría de los reclamantes de la 19^a serie afirma haber sufrido pérdidas de cosas corporales. Las pérdidas alegadas, que se refieren a existencias, mobiliario y accesorios, equipo, vehículos y dinero en efectivo, suman 33.021.194 dinares kuwaitíes (unos 114.260.187 dólares).

37. En lo que respecta a la resarcibilidad y la verificación y valoración de estas reclamaciones por la pérdida de cosas corporales, el Grupo aplicó el criterio enunciado en los párrafos 108 a 135 del primer informe "E4".

38. Un reclamante, la empresa Kuwait United Dairy Co., ha presentado una reclamación por la pérdida de ganado. El reclamante era propietario de ganado para la producción de leche y de ganado para la producción de carne. El reclamante no ha suministrado un desglose que permita determinar la importancia de cada una de las dos clases de ganado. Ahora bien, a la vista de los estados financieros del reclamante, éste obtenía la mayor parte de sus ingresos con el ganado para la producción de leche. Al verificar y valorar la reclamación, el Grupo se ha referido a las conclusiones del Grupo "E4" en el "Informe y recomendaciones del Grupo de Comisionados acerca de la novena serie de reclamaciones "E4"" (S/AC.26/2001/13) (el "noveno informe "E4""), y, por consiguiente, el Grupo ha decidido que el ganado del reclamante tenía el carácter de activo fijo y que, por tanto, el costo de este activo se amortizaría durante su vida útil.

39. Los reclamantes de esta serie han suministrado pruebas del mismo tipo que las examinadas por el Grupo en anteriores series "E4", cuando se ocupó de las reclamaciones relativas a la pérdida de cosas corporales. Estas pruebas se describen en los párrafos 55 y 56 del segundo informe "E4".

40. En el caso de la mayoría de los reclamantes, la existencia, la propiedad y el valor de las existencias perdidas han quedado comprobados con la aportación de copias de cuentas verificadas, facturas originales de compra y cálculos arrastrados según se define en el párrafo 119 del primer informe "E4". Algunos reclamantes se han basado principalmente en las deposiciones de empleados o de terceros relacionados con ellos para establecer el hecho de la pérdida de existencias. En los casos en que el hecho de la pérdida no ha quedado suficientemente corroborado por pruebas que certifiquen pérdidas extraordinarias en los estados financieros verificados después de la liberación, el Grupo ha recomendado que no se pague indemnización por estas pérdidas.

41. Tres reclamantes (Al Nasrallah International General Trading and Contracting Company, Bayan Agriculture & Food Company y Naif Fresh Dairy Co.) han pedido indemnizaciones por la pérdida de existencias constituidas por reses de ganado. Los reclamantes Al Nasrallah International General Trading and Contracting Company y Bayan Agriculture & Food Company eran propietarios de reses de ganado vacuno y de ganado ovino, así como de aves de corral, para la producción de carne o para la venta y estos bienes figuraban como existencias en sus estados financieros anteriores a la invasión. Por consiguiente, el Grupo ha valorado y verificado estas reclamaciones considerándolas como reclamaciones por la pérdida de existencias. La empresa Naif Fresh Dairy Co. era propietaria de ganado para la producción de leche y para la producción de carne. Sobre la base de las informaciones suministradas, el Grupo no ha podido determinar en qué medida la empresa se dedicaba a la producción de leche y en qué medida, a la de carne; sin embargo, el Grupo ha observado que la empresa consideraba también su ganado como existencias en sus estados financieros anteriores a la invasión. Teniendo en cuenta estos hechos, el Grupo ha decidido que la reclamación de Naif Fresh Dairy Co. relativa al ganado debía considerarse como reclamación por la pérdida de existencias y ha aplicado el método de verificación y valoración expuesto en los párrafos 39 a 42 del noveno informe "E4".

42. Al igual que en series anteriores de reclamaciones "E4", las reclamaciones por la pérdida de mercancías en tránsito se refieren a mercancías que se encontraban en Kuwait el día de la invasión por el Iraq y que no han sido halladas luego. Se han aceptado las solicitudes de los reclamantes que presentaron pruebas suficientes del pago de las mercancías y acreditativas de la propiedad, la existencia y la pérdida de éstas mediante certificados emitidos por las autoridades portuarias o por consignatarios de buques kuwaitíes.

43. Las reclamaciones de esta serie por la pérdida de dinero en efectivo no han planteado nuevas cuestiones jurídicas o de verificación o valoración. Muchos reclamantes que han pedido una indemnización por la pérdida de dinero en efectivo han basado sus reclamaciones en declaraciones de testigos con los que habían tenido alguna relación sin aportar otras pruebas para sustanciar sus reclamaciones. Cuando las reclamaciones por la pérdida de dinero en efectivo no han estado corroboradas por pruebas contemporáneas que acreditaran la posesión y el importe del dinero en efectivo el 2 de agosto de 1990, el Grupo ha recomendado que no se pague ninguna indemnización. Ninguno de los reclamantes de la 19^a serie ha podido aportar pruebas contemporáneas acreditativas de sus reclamaciones.

44. Las reclamaciones de esta serie presentadas por la pérdida de vehículos no han planteado nuevas cuestiones jurídicas o de verificación o valoración. La mayoría de los reclamantes que han

denunciado la pérdida de vehículos han podido demostrarla mediante copias de certificados de baja y documentos adicionales, entre ellos cuentas verificadas posteriores a la liberación y deposiciones de testigos que han corroborado el hecho y las circunstancias de la pérdida.

45. Las recomendaciones del Grupo en relación con la pérdida de cosas corporales, existencias, dinero en efectivo y vehículos se resumen en el anexo II.

D. Pagos efectuados o reparación prestada a terceros

46. Veintiún reclamantes de esta serie han presentado reclamaciones por pagos efectuados o reparación prestada a terceros por un total de 597.795 dinares kuwaitíes (unos 2.068.495 dólares).

47. Las reclamaciones de esta serie por los pagos efectuados o la reparación prestada a terceros no han planteado nuevas cuestiones jurídicas o de verificación y valoración. Al examinar estas reclamaciones por los pagos efectuados o la reparación prestada a terceros, el Grupo ha seguido el criterio y ha aplicado el método de verificación y valoración descrito en anteriores informes "E4", a saber, en los párrafos 71 a 75 del segundo informe "E4".

48. Las recomendaciones del Grupo en relación con los pagos efectuados o la reparación prestada a terceros se resumen en el anexo II.

E. Lucro cesante

49. Ochenta y uno de los reclamantes de esta serie han presentado reclamaciones por lucro cesante por un total de 14.493.718 dinares kuwaitíes (unos 50.151.273 dólares).

50. Las reclamaciones de esta serie han puesto sobre el tapete cuatro importantes cuestiones de hecho y de derecho que ya se plantearon en relación con las reclamaciones de la primera serie. Estas reclamaciones se refieren a los efectos y a la evaluación de: a) los beneficios obtenidos gracias al programa del Gobierno de Kuwait para la liquidación de las deudas después de la liberación, b) los beneficios imprevistos o extraordinarios conseguidos por los reclamantes durante el período inmediatamente posterior a la liberación de Kuwait, c) el período de indemnización fijado para las reclamaciones por lucro cesante y d) las reclamaciones por lucro cesante basadas selectivamente en sectores de actividad rentable. Las conclusiones a que llegó el Grupo en relación con estas cuestiones figuran en los párrafos 161 a 193 del primer informe "E4". En su examen y recomendaciones, el Grupo ha aplicado estas conclusiones a las reclamaciones de la presente serie por lucro cesante.

51. A pesar de haber recibido varias peticiones, algunos reclamantes de la 19^a serie no han presentado los estados anuales de cuentas correspondientes a los tres ejercicios financieros anteriores y posteriores a la invasión y ocupación de Kuwait por el Iraq. El Grupo ha señalado que en algunos casos el reclamante ha explicado suficientemente el hecho de no haber presentado los estados de cuentas, por ejemplo, si había iniciado su actividad comercial entre 1987 y 1990 o bien si había puesto fin a esta actividad después de la invasión y ocupación de Kuwait por el Iraq.

52. Se ha considerado que las reclamaciones por lucro cesante presentadas por empresas que no han aportado la serie completa de los estados anuales de cuentas verificadas de los períodos correspondientes conllevaban un "riesgo de exageración" si no se explicaba suficientemente por qué no se habían aportado las cuentas.

53. La empresa Al-Ghanim and Al-Majid Shipping Company W.L.L. presentó una reclamación por lucro cesante. El reclamante había dado comienzo a sus operaciones el 26 de junio de 1990. El reclamante, haciendo referencia a las cuentas posteriores a la liberación, ha basado su reclamación por lucro cesante en los beneficios previstos. El Grupo ha señalado que el reclamante no ha podido aportar informaciones que le acrediten como empresa rentable. El reclamante no ha podido presentar otras pruebas que den al Grupo la posibilidad de determinar sus beneficios anteriores de manera razonablemente cierta. El Grupo ha tenido en cuenta las recomendaciones hechas en informes anteriores, entre ellos el "Informe y recomendaciones del Grupo de Comisionados acerca de la 13^a serie de reclamaciones "E4"" (S/AC.26/2001/5) (el "decimotercer informe "E4"")) y en el sexto informe "E4", así como en el cuarto informe "E4". Teniendo en cuenta lo insuficiente de las pruebas, el Grupo ha recomendado que no se pague ninguna indemnización por esta reclamación.

54. Los métodos de verificación y valoración adoptados por el Grupo para las reclamaciones por lucro cesante se describen en los párrafos 194 a 202 del primer informe "E4".

55. Las recomendaciones del Grupo sobre las reclamaciones por lucro cesante se resumen en el anexo II.

F. Cuentas por cobrar

56. Trece reclamantes de esta serie han presentado reclamaciones por "deudas de dudoso cobro" que suman en total 2.537.089 dinares kuwaitíes (unos 8.778.855 dólares). Casi todas estas reclamaciones se refieren a cantidades adeudadas por empresas o particulares establecidos en Kuwait antes de la invasión por el Iraq.

57. Al igual que en series anteriores de reclamaciones "E4", la mayoría de los reclamantes ha pedido una indemnización por deudas que no se pudieron cobrar porque los deudores no regresaron a Kuwait después de la liberación. El Grupo confirma su decisión al respecto tal como se expone en los párrafos 209 y 210 del primer informe "E4": en las reclamaciones por deudas que no se hayan podido cobrar como consecuencia de la invasión y ocupación de Kuwait por el Iraq se habrá de demostrar, mediante pruebas documentales u otras pruebas idóneas, el carácter y la cuantía de la deuda, así como indicar las circunstancias que hicieron que la deuda resultara incobrable.

58. Las reclamaciones de la 19^a serie por deudas incobrables se verificaron y valoraron de la manera que se describe en los párrafos 211 a 215 del primer informe "E4".

59. Como se ha indicado más arriba, el Grupo recomienda que no se pague ninguna indemnización por las reclamaciones basadas en la simple afirmación de que las deudas no cobradas eran ipso facto incobrables porque los deudores no habían regresado a Kuwait. La mayoría de los reclamantes no ha presentado pruebas que demuestren que el impago fue consecuencia directa de la invasión y ocupación de Kuwait por el Iraq. Se ha señalado esta deficiencia a la atención de los reclamantes en relación con las informaciones suplementarias pedidas (véanse más arriba los párrafos 16 y 17). Se han recibido de los reclamantes diversas respuestas, pero solamente dos se ajustaban a los criterios antes expuestos. El Grupo ha recomendado que se pague una indemnización por estas dos reclamaciones.

60. Las recomendaciones del Grupo en relación con las reclamaciones por deudas incobrables se resumen en el anexo II.

G. Costos de reanudación de la actividad comercial

61. Diez reclamantes de esta serie han presentado reclamaciones por los costos de reanudación de su actividad comercial que suman en total 573.098 dinares kuwaitíes (alrededor de 1.983.038 dólares). Las cantidades reclamadas como costos de reanudación de la actividad comercial se han examinado utilizando el método expuesto en los párrafos 221 a 223 del primer informe "E4" y en los párrafos 93 a 96 del segundo informe "E4".

62. Las reclamaciones por costos de reanudación de la actividad comercial no han planteado nuevas cuestiones jurídicas o de verificación y valoración. Las recomendaciones del Grupo en relación con dichos costos se resumen en el anexo II.

H. Otras pérdidas

63. Diecisiete reclamantes de esta serie han presentado reclamaciones por otras pérdidas que suman en total 3.665.140 dinares kuwaitíes (unos 12.682.145 dólares).

64. Las reclamaciones por "otras pérdidas" que se tramitaron en precedentes series "E4" se han examinado de la manera expuesta en anteriores informes "E4". (Véanse, por ejemplo, el párrafo 108 del segundo informe "E4", sobre el trámite de los gastos pagados de antemano, y los párrafos 93 y 94 del cuarto informe "E4", sobre la cuestión de los billetes en dinares kuwaitíes que habían sido cancelados.)

65. La empresa Kuwait Dubai Electronic Co. W.L.L. ha presentado una reclamación por fondos robados por su contable antes de la invasión y ocupación de Kuwait por el Iraq. Según el reclamante, no pudo recuperar los fondos a causa de la intervención de los iraquíes, que pusieron en libertad al contable durante la invasión y ocupación de Kuwait por el Iraq. El reclamante ha aportado una declaración de su interventor de cuentas en la que se indica que el contable confesó haber robado los fondos, pero en la declaración del interventor se indica también que la pérdida se debió a la ausencia de controles internos en la empresa del reclamante. Por consiguiente, el Grupo considera que la pérdida del reclamante no fue una consecuencia directa de la invasión y ocupación de Kuwait por el Iraq. El Grupo no recomienda que se pague una indemnización por esta reclamación.

66. La empresa Kuwait Carpets Manufacturing and Trading Co. K.S.C. ha presentado una reclamación por la pérdida de valor de su negocio. El reclamante ha declarado que, antes de la invasión y ocupación de Kuwait por el Iraq, había recibido una oferta de adquisición de su empresa. Después de la liberación, el valor del solar y los locales, de las cuentas por cobrar y de los depósitos bancarios del titular era considerablemente inferior al valor de la oferta original de compra. Por consiguiente, el reclamante ha solicitado una indemnización que cubra la diferencia entre el valor de su propiedad después de la liberación y la oferta de compra hecha antes de la invasión.

67. El Grupo ha observado que las cuentas verificadas del reclamante correspondientes a los ejercicios 1987 a 1989 estaban basadas en la marcha de las operaciones y que en las cuentas correspondientes a 1987 y 1988 los verificadores del reclamante declararon que era imposible determinar si el valor contable neto de la fábrica del reclamante había sido indicado con exactitud.

El Grupo ha observado también que en la reclamación presentada debía haber figurado una indicación relativa a la importancia de la clientela para tener en cuenta la diferencia entre el valor contable neto del activo antes de la invasión y el valor de la oferta de compra. Ahora bien, el Grupo observa que en la provisión por pérdidas extraordinarias en las cuentas del reclamante posteriores a la liberación figuran ciertas cantidades correspondientes a pérdidas sufridas como consecuencia de la invasión y ocupación de Kuwait por el Iraq. Por consiguiente, el Grupo considera que el reclamante ha sufrido ciertas pérdidas de cosas corporales como consecuencia de la invasión y ocupación de Kuwait por el Iraq. Por este motivo, el Grupo ha reclasificado parte de la reclamación dentro de otras clases de pérdidas teniendo en cuenta las cantidades inscritas en las cuentas del reclamante posteriores a la liberación y se ha ocupado de las pérdidas reclasificadas en las secciones correspondientes a la categoría aplicable a la pérdida. En lo que se refiere al resto de la reclamación, el Grupo considera que el reclamante no ha demostrado que hubiera sufrido una pérdida directa como consecuencia de la invasión y ocupación de Kuwait por el Iraq y, en estas condiciones, el Grupo no recomienda que se pague una indemnización.

68. La empresa Securities Group Company K.S.C. estaba enfrascada en la construcción de su oficina central cuando ocurrió la invasión y ocupación de Kuwait por el Iraq. Se había previsto que las obras terminarían el 31 de diciembre de 1990, pero no quedaron efectivamente concluidas hasta el 31 de diciembre de 1992. El reclamante ha declarado que la demora se debió a la invasión y ocupación de Kuwait por el Iraq y ha pedido una indemnización por el alquiler que tuvo que pagar durante dos años hasta el fin de las obras. El Grupo ha decidido que los gastos de alquiler son gastos comerciales corrientes que corresponden a un valor percibido por el reclamante y, en estas condiciones, el Grupo no recomienda que se pague una indemnización por esta reclamación.

69. Cuatro reclamantes -Tires Center Company, Ducting & Servicing Co. (Dasco) W.L.L. Abdul Husain Mohammed Rafie Marafie & Partners, Al Riyadh Landscaping Company/Abdul Haleem Mohammad Marfie & Co. W.L.L. y Heirs of Hussain Marafie General Trading Co.- han presentado reclamaciones por los pagos efectuados a guardias durante el período de la ocupación para que protegieran sus locales. El Grupo tuvo en cuenta el análisis de este asunto hecho en el "Informe y recomendaciones del Grupo de Comisionados acerca de la 14^a serie de reclamaciones "E4"" (S/AC.26/2001/22) (el "decimocuarto informe "E4"). El Grupo ha utilizado el análisis hecho en el 14º informe "E4" y ha llegado a la conclusión de que recomienda una indemnización cuando el reclamante ha suministrado informaciones que demuestran que dichos gastos se han realizado efectivamente y cuando el Grupo ha podido determinar de modo suficiente que los pagos a los guardias eran gastos suplementarios, es decir, que eran superiores a los gastos en que normalmente habría incurrido por este concepto. El Grupo ha recomendado que se pague una indemnización en el caso de las dos reclamaciones que se ajustaban a los criterios expuestos.

70. La empresa Tires Center Company ha presentado también una reclamación por los sobornos pagados a soldados iraquíes para impedir el saqueo de sus existencias. Basándose en el análisis expuesto en el 14º informe "E4", el Grupo no recomienda que se pague una indemnización por esta reclamación teniendo en cuenta consideraciones de prueba y teniendo en cuenta además que estos pagos voluntarios no fueron pérdidas directas como consecuencia de la invasión y ocupación de Kuwait por el Iraq.

71. La empresa Zehra Al-Yasmin Jewellery Co. ha presentado una reclamación relativa a "honorarios de artesanía áurea". El reclamante no ha suministrado informaciones suficientes

acerca del carácter, la finalidad o la cuantía de la reclamación. Por consiguiente, el Grupo recomienda que no se pague ninguna indemnización.

72. La empresa Kuwait Hotels Company K.S.C. ha presentado una reclamación por los gastos relacionados con la eliminación de las minas situadas en su propiedad de Dubaiya Resort, gastos necesarios para seguir utilizando las instalaciones y proteger a la clientela. El reclamante ha aportado el contrato concertado con una empresa especializada en la eliminación de minas y explosivos, así como pruebas de haber efectuado los gastos objeto de la reclamación.

El Grupo "F1" está examinando una reclamación relacionada con los gastos que el Ministerio de Defensa del Irán ha debido hacer en el Golfo Pérsico para la eliminación de minas terrestres y ha llegado a la conclusión de que el gasto necesario para la eliminación de minas es una pérdida resarcible. El Grupo coincide con las conclusiones del Grupo "F1". Por consiguiente, el Grupo recomienda que se pague una indemnización por esta reclamación.

73. Las recomendaciones del Grupo relativas a "otras pérdidas" se resumen en el anexo II.

V. OTRAS CUESTIONES

A. Fechas aplicables al tipo de cambio de monedas y a los intereses

74. Para la determinación de las fechas aplicables al tipo de cambio de monedas y a los intereses, el Grupo ha adoptado el criterio que se expone en los párrafos 226 a 233 del primer informe "E4".

B. Costos de preparación de las reclamaciones

75. El Secretario Ejecutivo de la Comisión ha informado al Grupo de que el Consejo de Administración se propone resolver más adelante la cuestión de los costos de preparación de las reclamaciones. En consecuencia, el Grupo no ha formulado recomendación alguna sobre la indemnización de los costos de preparación de las reclamaciones.

VI. INDEMNIZACIONES RECOMENDADAS

76. Basándose en lo que antecede, las indemnizaciones recomendadas por el Grupo para los reclamantes de la decimonovena serie de reclamaciones de la categoría "E4" figuran en el anexo I del presente informe. Los principios en que se basan las recomendaciones del Grupo respecto de esta serie se resumen en el anexo II del presente informe. Al haberse redondeado al dinar kuwaití más próximo todas las cantidades, éstas pueden variar en un dinar kuwaití respecto de las cantidades enunciadas en el formulario E.
