## INTRODUCCIÓN

1. En su 24º período de sesiones, celebrado los días 23 y 24 de junio de 1997, el Consejo de Administración de la Comisión de Indemnización de las Naciones Unidas (la "Comisión") nombró para integrar el primer Grupo de Comisionados (el "Grupo") encargado de examinar las reclamaciones de la categoría "E4" a los Sres. Robert R. Briner (Presidente), Alan J. Cleary y Lim Tian Huat. Se trata de reclamaciones de sociedades del sector privado y entidades kuwaitíes, con exclusión de las del sector petrolero y las relativas a daños al medio ambiente, con derecho a pedir indemnización al amparo de los "Formularios para las reclamaciones dimanantes de sociedades u otras entidades" ("formulario E").
2. La 20ª serie, integrada por 145 reclamaciones "E4", fue presentada al Grupo el 31 de julio de 2001, de conformidad con el artículo 32 de las Normas provisionales relativas al procedimiento de tramitación de las reclamaciones (S/AC.26/1992/10) (las "Normas"). Posteriormente se transfirieron a la 20ª serie de reclamaciones "E4" otras dos reclamaciones. La reclamación de Project Analysis & Control Systems Co. W.L.L., presentada anteriormente al Grupo en la 14ª serie de reclamaciones "E4", fue transferida a la presente serie de conformidad con la providencia de trámite N° 2, de 2 de octubre de 2001. La reclamación de Turner International Industries, Inc., presentada previamente al Grupo de Comisionados encargado de examinar las reclamaciones "E3", fue transferida a esta serie de conformidad con la providencia de trámite N° 44A, de 5 de octubre de 2001. Estas reclamaciones se transfirieron de sus antiguas series y se examinaron conjuntamente en la presente serie puesto que se referían a pérdidas sufridas por una empresa mixta en la que cada reclamante tenía una cuota de participación.
3. De conformidad con el artículo 38 de las Normas, el presente informe contiene las recomendaciones del Grupo al Consejo de Administración acerca de la 20ª serie de reclamaciones.

### I. EXAMEN GENERAL DE LAS RECLAMACIONES DE LA 20ª SERIE

4. Las reclamaciones de la 20ª serie se eligieron entre unas 2.750 reclamaciones "E4" sobre la base de distintos criterios, entre otros, la magnitud, cuantía y complejidad de las reclamaciones, las cuestiones de hecho, de derecho y de valoración que plantean y la fecha en que se presentaron a la Comisión.
5. En las reclamaciones de la 20ª serie se imputan pérdidas por un total de 67.643.805 dinares kuwaitíes ("KD") (unos 234.061.609 dólares de los EE.UU.). Los reclamantes también piden intereses por un total de 1.385.333 KD (unos 4.793.540 dólares) y el pago de los costos de preparación de las reclamaciones, por un total de 251.409 KD (unos 869.927 dólares).
6. Habida cuenta de la índole de las cuestiones de hecho y de derecho planteadas en cada reclamación y el volumen de documentación aportada para sustanciar las pérdidas reclamadas, el Grupo ha podido terminar su verificación de las reclamaciones en el plazo de 180 días a partir de la fecha en que se le presentaron las reclamaciones de la 20ª serie.

7. Todos los reclamantes de la 20ª serie desarrollaban actividades en Kuwait antes de la invasión y ocupación de ese país por el Iraq. La mayor parte de los reclamantes realizaba operaciones mercantiles que abarcaban diversos productos. Algunos reclamantes se dedicaban a las manufacturas y a los servicios.

8. Los dos tipos de pérdidas que los reclamantes de esta serie alegan con más frecuencia son la pérdida de bienes materiales (principalmente existencias, mobiliario, accesorios, equipo y vehículos) y la pérdida de lucro cesante. Los reclamantes también han pedido indemnización por deudas incobrables, costos de reanudación de la actividad empresarial, intereses y costos de preparación de las reclamaciones, que se incluyen en "otras pérdidas".

## II. ACTUACIONES

9. Antes de que se presentaran al Grupo las reclamaciones de la 20ª serie, la Secretaría de la Comisión efectuó una evaluación preliminar de las reclamaciones de conformidad con las Normas. Ese examen se describe en el párrafo 11 del "Informe y recomendaciones del Grupo de Comisionados acerca de la primera serie de reclamaciones "E4"" (S/AC.26/1999/4) (el "primer informe "E4""). Los resultados de este examen se introdujeron en una base de datos centralizada que mantiene la Secretaría (la "Base de datos de las reclamaciones").

10. Inicialmente, 14 reclamaciones adolecían de defectos formales, por lo que, de conformidad con el artículo 15 de las Normas, la Secretaría envió notificaciones a los reclamantes. Éstos subsanaron todos los defectos formales.

11. Se llevó a cabo un examen sustantivo de las reclamaciones con el fin de determinar las cuestiones de derecho, de hecho y de valoración importantes. Los resultados del examen, incluidas las cuestiones que se consideraron importantes, se registraron en la Base de datos de las reclamaciones.

12. El Secretario Ejecutivo de la Comisión presentó al Consejo de Administración, de conformidad con el artículo 16 de las Normas, los informes Nos. 15, 28, 29, 30, 31, 35 y 36, de 30 de abril de 1996, 23 de julio de 1999, 28 de octubre de 1999, 17 de febrero de 2000, 28 de abril de 2000, 12 de abril de 2001 y 10 de julio de 2001, respectivamente. Los informes abarcaban, entre otras cosas, la 20ª serie de reclamaciones "E4", y en ellos se presentaban importantes cuestiones de hecho y de derecho observadas en esas reclamaciones. Algunos gobiernos, entre ellos el Gobierno del Iraq, presentaron información y opiniones adicionales en respuesta a los informes preparados por el Secretario Ejecutivo de conformidad con el artículo 16.

13. Al terminar a) la evaluación preliminar; b) el examen sustantivo; y c) la presentación de informes con arreglo al artículo 16, se pusieron a disposición del Grupo los siguientes documentos, que el Grupo tuvo en cuenta:

- a) Documentos de las reclamaciones presentadas por los reclamantes;
- b) Informes preliminares de evaluación preparados de conformidad con el artículo 14 de las Normas;

- c) Información y opiniones de los gobiernos, incluido el del Iraq, recibidas en respuesta a los informes previstos en el artículo 16; y
- d) Otras informaciones consideradas útiles para la labor del Grupo con arreglo al artículo 32 de las Normas.

14. Por las razones que se exponen en el párrafo 17 del primer informe "E4", el Grupo contrató los servicios de una empresa de contabilidad y de una empresa de liquidación de pérdidas. El Grupo encargó a los consultores expertos que examinaran cada reclamación de la 20ª serie de conformidad con los métodos de verificación y valoración elaborados por el Grupo y pidió a los consultores expertos que le presentaran un informe detallado sobre cada reclamación, junto con un resumen de sus conclusiones.

15. En virtud de su providencia de trámite de fecha 31 de julio de 2001, el Grupo comunicó su intención de terminar su examen de las reclamaciones de la 20ª serie y presentar su informe y sus recomendaciones al Consejo de Administración en el plazo de 180 días a partir de esa fecha. Esa providencia de trámite se remitió al Gobierno del Iraq y al Gobierno de Kuwait.

16. De conformidad con el artículo 34 de las Normas, se pidió a los reclamantes información y pruebas adicionales para ayudar al Grupo en su examen de las reclamaciones. Cuando los reclamantes no pudieron presentar las pruebas solicitadas se les pidió que expusieran las razones por las que no habían podido hacerlo. Todas las peticiones de información y de pruebas adicionales se enviaron por conducto de la Autoridad Pública de Kuwait para la evaluación de las indemnizaciones por daños resultantes de la agresión iraquí ("PAAC"). Las peticiones se hicieron en relación con todas las reclamaciones "E4" y no sólo sobre las reclamaciones de la 20ª serie.

17. Las peticiones de información y de pruebas adicionales se han descrito en informes anteriores de esta categoría, por ejemplo en los párrafos 21 a 26 del "Informe y recomendaciones del Grupo de Comisionados acerca de la segunda serie de reclamaciones "E4"" (S/AC.26/1999/17) (el "segundo informe "E4"") y en el párrafo 18 del "Informe y recomendaciones del Grupo de Comisionados acerca de la sexta serie de reclamaciones "E4"" (S/AC.26/2000/8) (el "sexto informe "E4""). En el presente informe no se vuelven a indicar esas peticiones de información.

18. Se llevó a cabo una nueva verificación para determinar si ciertos reclamantes relacionados entre sí habían presentado reclamaciones por duplicado. Ese examen se describe en el párrafo 18 del "Informe y recomendaciones del Grupo de Comisionados acerca de la cuarta serie de reclamaciones "E4"" (S/AC.26/1999/18) (el "cuarto informe "E4"").

19. Durante el examen de las reclamaciones de esta serie por el Grupo, la Secretaría informó al Grupo de la posible duplicación entre la reclamación presentada por Al-Othman Trading & Cont. Co. en esta serie y una reclamación individual por pérdidas comerciales presentada ante la Comisión. El Grupo considera que se necesita más tiempo para determinar la índole y el grado de la posible duplicación entre la reclamación "E4" y la reclamación individual por pérdidas comerciales. Por el momento, con miras a disponer de tiempo suficiente para tramitar y examinar más debidamente las reclamaciones, el Grupo ha recomendado que la reclamación presentada por Al-Othman Trading & Cont. Co. se incluya en la 24ª serie de reclamaciones "E4".

Por consiguiente, el Grupo no ha formulado conclusiones en relación con esta reclamación por pérdidas por un total de 1.431.560 KD (unos 4.953.495 dólares) y gastos de preparación de la reclamación por un total de 1.825 KD (unos 6.315 dólares). Las referencias que se hacen en este informe a las reclamaciones de la 20ª serie no incluyen la reclamación de Al-Othman Trading & Cont. Co. sino que se circunscriben a las 146 reclamaciones restantes enunciadas en el anexo I.

20. La 20ª serie de reclamaciones incluye cinco reclamaciones que el Grupo había aplazado en series anteriores de reclamaciones "E4" debido a posibles duplicaciones con reclamaciones individuales por pérdidas comerciales. Tres reclamaciones se habían aplazado en la octava serie y dos en la 12ª serie. La explicación del aplazamiento de estas reclamaciones se describe en los párrafos 20 a 22 del "Informe y recomendaciones del Grupo de Comisionados acerca de la octava serie de reclamaciones "E4"" (S/AC.26/2000/21) y en los párrafos 19 a 21 del "Informe y recomendaciones del Grupo de Comisionados acerca de la 12ª serie de reclamaciones "E4"" (S/AC.26/2001/4). Posteriormente, el Grupo llegó a la conclusión de que las reclamaciones en cuestión en realidad no eran duplicaciones de reclamaciones individuales por pérdidas comerciales. Por consiguiente, las reclamaciones se han incluido en la 20ª serie para examen.

21. Sobre la base del examen de los documentos presentados y de la información adicional obtenida, el Grupo llegó a la conclusión de que las cuestiones planteadas por las reclamaciones de la 20ª serie se habían sustanciado adecuadamente, lo que hacía innecesaria cualquier actuación oral para ayudar al Grupo en su examen de las reclamaciones.

### III. MARCO JURÍDICO Y MÉTODOS DE VERIFICACIÓN Y VALORACIÓN

22. El marco jurídico y los métodos de verificación y valoración aplicados a la evaluación de las reclamaciones de esta serie son los mismos que se utilizaron en anteriores series "E4". Ese marco y esos métodos se examinan en los párrafos 25 a 62 del primer informe "E4". En los informes "E4" posteriores se examinan otras cuestiones jurídicas y de verificación y valoración que se plantearon en relación con ulteriores series de reclamaciones "E4". En el presente informe no se repiten esos diversos elementos del examen efectuado por el Grupo, pero en cambio se hace referencia a las secciones de los informes "E4" precedentes en que se trataron esas cuestiones.

23. En los casos en que el Grupo encontró nuevas cuestiones que no se habían tratado en informes anteriores "E4", el Grupo elaboró métodos para verificar y valorar las pérdidas. Estas nuevas cuestiones se examinan en el texto del presente informe. Las recomendaciones concretas del Grupo sobre las pérdidas por las que se pide indemnización en esta serie y las razones de dichas recomendaciones se exponen en los anexos del presente informe.

24. Antes de examinar las recomendaciones concretas del Grupo respecto de las indemnizaciones correspondientes a las reclamaciones de la 20ª serie, es importante insistir en que la manera en que el Grupo enfoca la verificación y valoración de esas reclamaciones establece un equilibrio entre la incapacidad del reclamante para aportar en todos los casos las pruebas más idóneas y el "riesgo de exageración" asociado a la insuficiencia de las pruebas. En este contexto, la expresión "riesgo de exageración", según se define en el párrafo 34 del primer informe "E4", se utiliza para referirse a aquellos casos en que las reclamaciones no están

suficientemente probadas, lo que impide su cuantificación exacta y supone, por lo tanto, el riesgo de que se hayan exagerado.

#### IV. RECLAMACIONES

25. El Grupo examinó las reclamaciones según la naturaleza y el tipo de pérdida identificados. En consecuencia, las recomendaciones del Grupo se exponen según los tipos de pérdida. Las pérdidas reclasificadas se han tratado en la sección relativa a los tipos de pérdidas en que el Grupo las reclasificó.

##### A. Pérdidas relacionadas con contratos

26. Dos reclamantes de esta serie presentaron reclamaciones por pérdidas relacionadas con contratos, por un valor total de 46.874 KD (unos 162.194 dólares). Las reclamaciones por pérdidas relativas a contratos incluidas en esta serie no se refieren a contratos con el Gobierno del Iraq ni a contratos que tuvieran que ejecutarse en el Iraq.

27. Las reclamaciones por pérdidas relacionadas con contratos incluidas en esta serie no plantearon ninguna nueva cuestión jurídica ni de verificación y valoración. El criterio adoptado por el Grupo respecto de la resarcibilidad de las pérdidas relacionadas con contratos se expone en los anteriores informes "E4", y el método de verificación y valoración utilizado por el Grupo para este tipo de pérdidas se examina en los párrafos 77 a 84 del primer informe "E4".

28. Las recomendaciones del Grupo sobre las pérdidas relacionadas con contratos se resumen en el anexo II.

##### B. Bienes inmuebles

29. Veintitrés reclamantes de esta serie presentaron reclamaciones por pérdida de bienes inmuebles por un total de 1.867.894 KD (unos 6.463.301 dólares). Esas reclamaciones se referían a daños causados a diversos locales en propiedad o arrendamiento en Kuwait.

30. Las normas de resarcibilidad y los métodos de verificación y valoración adoptados por el Grupo para las reclamaciones por pérdida de bienes inmuebles se exponen en los párrafos 89 a 101 del primer informe "E4".

31. Los reclamantes de esta serie presentaron el mismo tipo de pruebas que el Grupo había recibido en anteriores series "E4", en que se examinaron pérdidas de bienes inmuebles. Esas pruebas se describen en los párrafos 102 a 106 del primer informe "E4".

32. La Autoridad Pública para la Juventud y los Deportes ("PAYS"), una entidad del Gobierno de Kuwait, se encarga de promover el desarrollo de los jóvenes de Kuwait y del bienestar físico en general (véanse los párrafos 128 a 130 del "Informe y recomendaciones del Grupo de Comisionados acerca de la primera serie de reclamaciones "F3"" (S/AC.26/1999/24) (el "primer informe "F3)"). PAYS presta apoyo financiero en forma de contribuciones anuales a determinados jóvenes y clubes deportivos kuwaitíes, incluido el club deportivo Al-Nasr, un reclamante de esta serie. Las actividades de PAYS eran anteriormente realizadas por el Ministerio de Asuntos Sociales y Trabajo del Gobierno de Kuwait (el "Ministerio de Kuwait").

33. PAYS presentó una reclamación a la Comisión en la que pedía indemnización por los gastos en que había incurrido esa entidad, o el Ministerio de Kuwait, para financiar las reparaciones o la reposición de algunos bienes inmuebles y bienes materiales dañados en sus clubes deportivos y de jóvenes, incluido el club deportivo Al-Nasr. En el primer informe "F3", el Grupo "F3" recomendó que se otorgara una indemnización a PAYS respecto de sus reclamaciones por pérdidas de bienes inmuebles y bienes materiales.

34. El club deportivo Al-Nasr también pidió indemnización por pérdidas de bienes inmuebles y bienes materiales (véanse los párrafos 44 y 45 *infra* respecto de la reclamación del reclamante por pérdida de bienes materiales). La reclamación por pérdida de bienes inmuebles se refiere a las reparaciones efectuadas en algunas de sus instalaciones, o su reposición. El reclamante confirmó que todos los contratos para reparar o reponer sus instalaciones se habían celebrado en su nombre por el Ministerio de Kuwait. El reclamante indica que, tras la liberación de Kuwait, el Ministerio de Kuwait retuvo las contribuciones al reclamante hasta que se hubieran reembolsado al Ministerio de Kuwait los costos de reparación y reposición.

35. Al examinar esta reclamación, el Grupo también consideró la reclamación presentada por PAYS ante el Grupo "F3". El Grupo observó que dos contratos relativos a reparaciones o a la reposición de bienes inmuebles del reclamante eran objeto tanto de la reclamación presentada por PAYS como de la reclamación presentada por el reclamante. Puesto que se ha recomendado otorgar una indemnización a PAYS por el valor de dichos contratos, el Grupo recomienda que no se indemnice al reclamante respecto de esos contratos, puesto que de lo contrario habría una doble reparación. Respecto de los demás contratos para efectuar reparaciones o reponer bienes inmuebles del reclamante, el Grupo estima que existe un riesgo de que el reclamante no se haya hecho cargo de todos los costos de los contratos. Como se describe anteriormente, los contratos se celebraron en nombre del Ministerio de Kuwait, y el Grupo observa que el reclamante no presentó pruebas suficientes que demostraran que reembolsó esos costos a PAYS o al Ministerio de Kuwait. Por consiguiente, el Grupo recomienda que la reclamación del reclamante por el valor de los contratos no específicamente reclamados por PAYS se ajusten por "riesgo de exageración" derivado de la insuficiencia de pruebas.

36. Las recomendaciones del Grupo sobre pérdidas de bienes inmuebles se resumen en el anexo II.

#### C. Bienes materiales, existencias, dinero en efectivo y vehículos

37. La mayoría de los reclamantes de esta serie alegaron pérdidas de bienes materiales. Las pérdidas, correspondientes a existencias, mobiliario y accesorios, equipo, vehículos y dinero en efectivo, ascienden a un total de 42.042.950 KD (unos 145.477.335 dólares).

38. En lo que respecta a la resarcibilidad y la verificación y valoración de esas reclamaciones por pérdida de bienes materiales, el Grupo aplicó el criterio enunciado en los párrafos 108 a 135 del primer informe "E4".

39. Las reclamaciones por pérdida de bienes materiales incluidas en esta serie no plantearon ninguna nueva cuestión jurídica ni de verificación y valoración. Los reclamantes de esta serie presentaron el mismo tipo de pruebas que el Grupo había recibido en anteriores series "E4", en que se examinaron pérdidas de bienes materiales. Esas pruebas se describen en los párrafos 111 a 116 del primer informe "E4".

40. En cuanto a las reclamaciones por pérdida de existencias, la mayoría de los reclamantes aportaron pruebas de la existencia, la propiedad y el valor de las existencias perdidas mediante copias de cuentas comprobadas, facturas originales de adquisición y cálculos "arrastrados", según se definen en el párrafo 119 del primer informe "E4". Algunos reclamantes intentaron basarse principalmente en las deposiciones de empleados o de terceros relacionados con ellos para establecer el hecho de la pérdida de existencias. En los casos en que el hecho de la pérdida no haya quedado suficientemente corroborado por pruebas, tales como estados financieros comprobados que demostraran pérdidas extraordinarias después de la liberación, el Grupo recomendó que no se pagara indemnización.

41. Al igual que en series anteriores de reclamaciones "E4", las reclamaciones por pérdidas de mercancías en tránsito se refieren a mercancías presentes en Kuwait el día de la invasión por el Iraq y perdidas posteriormente. Los reclamantes cuyas reclamaciones fueron aceptadas pudieron presentar pruebas suficientes del pago de la mercancía y establecer la propiedad, existencia y pérdida de la mercancía mediante certificados emitidos por autoridades portuarias o consignatarios de buques kuwaitíes.

42. Las reclamaciones por pérdida de dinero en efectivo incluidas en esta serie no plantearon ninguna nueva cuestión jurídica o de verificación y valoración. Muchos reclamantes que pedían una indemnización por pérdida de dinero en efectivo intentaron basarse en deposiciones de terceros relacionados con ellos, sin dar más pruebas en apoyo de esas reclamaciones. Cuando las reclamaciones por pérdida de dinero en efectivo no estaban fundamentadas en pruebas contemporáneas que establecieran la posesión y el importe del dinero en efectivo en poder del reclamante el 2 de agosto de 1990, el Grupo recomendó que no se pagara ninguna indemnización.

43. La mayoría de los reclamantes que alegaban pérdida de vehículos pudieron demostrar sus pérdidas presentando copias de certificados de baja y documentos adicionales, como cuentas comprobadas posteriores a la liberación y deposiciones de testigos que corroboraban el hecho y las circunstancias de las pérdidas.

44. Como se describe en los párrafos 32 a 35, el club deportivo Al-Nasr pidió una indemnización por ciertas pérdidas de bienes inmuebles y bienes materiales. La reclamación por bienes materiales se refiere a la pérdida de 22 autobuses registrados en nombre del reclamante. La reclamación por pérdida de bienes materiales presentada por PAYS también se refería, entre otras cosas, a autobuses. PAYS presentó pruebas que demostraban que, después de la liberación de Kuwait, había adquirido 167 autobuses para reponer los autobuses perdidos por sus clubes deportivos y de jóvenes. PAYS no presentó pruebas que demostraran qué autobuses concretos se habían reemplazado o qué clubes los había recibido.

45. Al examinar esta reclamación, el Grupo también consideró la reclamación presentada por PAYS ante el Grupo "F3". Como se describe anteriormente, el Grupo "F3" recomendó que se otorgara una indemnización a PAYS respecto de su reclamación por pérdida de bienes materiales. Por consiguiente, el Grupo considera que existe un "riesgo de exageración" de la reclamación en la medida en que algunos de los autobuses perdidos del reclamante pudieron haber sido repuestos por los autobuses adquiridos por PAYS. Por consiguiente, el Grupo recomienda que la reclamación por pérdida de vehículos se ajuste para contrarrestar este "riesgo de exageración".

46. Las recomendaciones del Grupo sobre bienes materiales, existencias, dinero en efectivo y vehículos se resumen en el anexo II.

#### D. Pagos o socorro a terceros

47. Doce reclamantes de esta serie presentaron reclamaciones por pagos o socorro a terceros por un total de 570.215 KD (aproximadamente 1.973.062 dólares).

48. Las reclamaciones por pagos o socorro a terceros no plantearon ninguna nueva cuestión jurídica ni de verificación y valoración. Al examinar estas reclamaciones, el Grupo aplicó los criterios y los métodos de verificación y valoración descritos en anteriores informes "E4", por ejemplo en los párrafos 70 a 75 del segundo informe "E4".

49. Las recomendaciones del Grupo sobre las reclamaciones por pagos o socorro a terceros se resumen en el anexo II.

#### E. Lucro cesante

50. El 78% de los reclamantes de esta serie presentaron reclamaciones por lucro cesante por un total de 16.841.798 KD (unos 58.276.118 dólares).

51. Las reclamaciones de esta serie plantearon cuatro importantes cuestiones de hecho y de derecho que ya planteaban las reclamaciones de la primera serie. Esas cuestiones se refieren al impacto y la evaluación de: a) los beneficios recibidos en virtud del programa del Gobierno de Kuwait de liquidación de deudas con posterioridad a la liberación, b) los beneficios inesperados o excepcionales obtenidos por los reclamantes durante el período inmediatamente posterior a la liberación de Kuwait, c) el período de indemnización para las reclamaciones por lucro cesante y d) las reclamaciones por lucro cesante basadas selectivamente en sectores de actividad rentables. Las conclusiones a que llegó el Grupo en relación con estas cuestiones figuran en los párrafos 161 a 193 del primer informe "E4". En su examen y recomendaciones el Grupo ha aplicado esas conclusiones a las reclamaciones por lucro cesante de la presente serie.

52. Aunque se les pidió específicamente, algunos reclamantes de la 20ª serie no presentaron cuentas anuales de los tres ejercicios financieros anteriores y posteriores a la invasión y ocupación de Kuwait por el Iraq. El Grupo observó que en algunos casos se explicó suficientemente el hecho de no haber presentado las cuentas, por ejemplo, cuando el reclamante había iniciado sus actividades comerciales en el período entre 1987 y 1990 o cuando el reclamante había cesado sus actividades tras la invasión y ocupación de Kuwait por el Iraq.

53. Se consideró que las reclamaciones por lucro cesante de las empresas que no aportaron un conjunto completo de cuentas comprobadas de los períodos pertinentes presentaban un "riesgo de exageración", a menos que se explicara suficientemente la razón de no haber presentado esas cuentas.
54. El método de verificación y valoración adoptado por el Grupo para las reclamaciones por lucro cesante se expone en los párrafos 194 a 202 del primer informe "E4".
55. Etemadco Trading and Travel Co. Ltd. -Abdul Rahman Al-Bisher & Partners- W.L.L. presentó pruebas de que había alquilado un bien inmueble en Kuwait al Ministerio de Educación del Gobierno de la República Islámica del Irán (el "Ministerio del Irán") para ser utilizado como local para la escuela iraní. El reclamante pide indemnización por pérdida de ingresos de alquiler respecto de dicho bien inmueble. El reclamante indicó que debido a la invasión y ocupación de Kuwait por el Iraq no pudo cobrar el alquiler del Ministerio del Irán desde la fecha de la invasión hasta el 31 de mayo de 1991.
56. El Grupo pidió a la Secretaría que determinara si el Ministerio del Irán había presentado a la Comisión una reclamación duplicada. La Secretaría examinó la reclamación presentada por el Ministerio del Irán ante el Grupo de Comisionados "F1". Se observó que el Ministerio del Irán había presentado una reclamación respecto de la escuela iraní en Kuwait en la que afirmaba que había pagado el alquiler al reclamante pero no había podido utilizar el inmueble como resultado directo de la invasión y ocupación de Kuwait por el Iraq. Para sustanciar la reclamación del Ministerio del Irán, el reclamante presentó un certificado que confirmaba que el Ministerio efectivamente había pagado el alquiler al reclamante respecto de la escuela iraní en Kuwait durante el período de la invasión y ocupación de Kuwait por el Iraq. El Grupo recomienda que, puesto que el reclamante ha presentado pruebas contradictorias con respecto al alquiler pagadero por el Ministerio del Irán, no se otorgue ninguna indemnización por la reclamación por pérdida de ingresos provenientes de alquiler.
57. Las recomendaciones del Grupo sobre las reclamaciones por lucro cesante se resumen en el anexo II.

#### F. Cuentas por cobrar

58. Once reclamantes de esta serie presentaron reclamaciones por un total de 2.344.454 KD (unos 8.112.298 dólares) por "deudas de dudoso cobro". Casi todas estas reclamaciones se refieren a cantidades adeudadas por empresas o particulares establecidos en Kuwait antes de la invasión por el Iraq.
59. Las reclamaciones por pérdidas relativas a cuentas por cobrar en esta serie no plantearon ninguna nueva cuestión jurídica ni de verificación y valoración. Al igual que en series anteriores de reclamaciones "E4", la mayoría de los reclamantes pidió una indemnización por deudas que no se habían podido cobrar porque los deudores no habían regresado a Kuwait tras la liberación. El Grupo reitera su resolución sobre esta cuestión, que figura en los párrafos 209 y 210 del primer informe "E4", a saber, que en las reclamaciones por deudas que hayan resultado incobrables como consecuencia directa de la invasión y ocupación de Kuwait por el Iraq hay que demostrar, mediante pruebas documentales u otras pruebas idóneas, la naturaleza y la cuantía de la deuda de que se trate y las circunstancias que hicieron que la deuda resultara incobrable.

60. Las reclamaciones de la 20ª serie por deudas incobrables se verificaron y valoraron de la manera que se describe en los párrafos 211 a 215 del primer informe "E4".

61. Como se ha indicado más arriba, el Grupo ha desestimado las reclamaciones basadas en la simple afirmación de que las deudas no cobradas eran ipso facto incobrables porque los deudores no habían regresado a Kuwait. Casi ningún reclamante presentó pruebas que demostraran que la incapacidad de los deudores para pagar era consecuencia directa de la invasión y ocupación de Kuwait por el Iraq. Esta situación se puso en conocimiento de los reclamantes, en el contexto de la información adicional que se les pedía (véase párrafo 17 supra). Aunque se recibieron de los reclamantes diversas respuestas, pocas cumplieron los criterios mencionados.

62. Las recomendaciones del Grupo sobre las reclamaciones por deudas incobrables se resumen en el anexo II.

#### G. Costos de reanudación de la actividad comercial

63. Diecinueve reclamantes de esta serie presentaron reclamaciones por un total de 509.669 KD (aproximadamente 1.763.561 dólares) por costos de reanudación de la actividad comercial. Las sumas reclamadas como costos de reanudación de la actividad comercial se han examinado utilizando el método expuesto en los párrafos 221 a 223 del primer informe "E4" y en los párrafos 93 a 96 del segundo informe "E4".

64. Al-Bahar International Group Company W.L.L. pidió indemnización en relación con una empresa mixta en la que tenía una participación del 50%. El reclamante indicó que antes de la invasión y ocupación de Kuwait por el Iraq la empresa mixta mantenía un campamento para albergar a sus trabajadores. El reclamante indicó además que el campamento de trabajadores sufrió daños como resultado directo de la invasión y ocupación de Kuwait por el Iraq. El reclamante pidió indemnización por los gastos de alquiler en que incurrió la empresa mixta para proporcionar otros locales para albergar a sus trabajadores durante el período en que se efectuaban reparaciones en el campamento (de agosto a octubre de 1991). El Grupo reclasificó esta reclamación como costos de reanudación de la actividad comercial.

65. Al examinar esta reclamación, el Grupo consideró el primer informe "F3", en que el Grupo "F3" estimó que los costos de alquiler de locales temporales durante el período que necesitaba el Gobierno de Kuwait para efectuar la restauración del lugar o reparaciones o para terminar la construcción eran resarcibles como consecuencia directa de la invasión y ocupación de Kuwait por el Iraq. El Grupo "F3" estimó que los costos eran resarcibles respecto de un período razonable y después de hacerse ajustes por gastos economizados.

66. En cumplimiento de lo solicitado por el Grupo, la Secretaría examinó la Base de datos de las reclamaciones y confirmó al Grupo de que ni el socio del reclamante ni la empresa mixta habían presentado una reclamación a la Comisión. Por consiguiente, el Grupo adopta las conclusiones del Grupo "F3" de que los gastos de alquiler reclamados por el reclamante, previo ajuste en función de la participación del reclamante en la empresa mixta, son resarcibles puesto que son pérdidas directas ocasionadas como resultado de la invasión y ocupación de Kuwait por el Iraq. El Grupo considera que el período por el que se reclama la pérdida es razonable. Además, el Grupo ha tenido en cuenta los gastos economizados al recomendar que se otorgue una indemnización respecto de esta pérdida.

67. Gulf Dredging Company S.A.K. (Closed) afirmó haber sufrido pérdidas respecto de una barcaza-grúa. El reclamante indicó que durante la invasión y ocupación de Kuwait por el Iraq, la barcaza-grúa fue hundida por las fuerzas iraquíes. El reclamante aportó pruebas que indicaban que tras la liberación de Kuwait incurrió en gastos para reflotar la barcaza pero que, una vez reflotada, se determinó que los daños sufridos por la barcaza no podían repararse. El reclamante reclamó tanto los costos de reflotar la barcaza como el valor de esta última. El Grupo reclasificó la reclamación por los costos de reflotar la barcaza como costos de reanudación de la actividad comercial.

68. Al examinar esta reclamación, el Grupo examinó las conclusiones del Grupo "E2" que figuran en el "Informe y recomendaciones del Grupo de Comisionados acerca de la primera serie de reclamaciones "E2"" (S/AC.26/1998/7). En el párrafo 132 de ese informe, el Grupo "E2" indicó que podía otorgarse indemnización por los gastos efectuados por reclamantes para aminorar las pérdidas de bienes si se comprobaba que los gastos se habían realizado de buena fe y su costo era razonable.

69. El Grupo adopta las conclusiones del Grupo "E2" y estima que los gastos de reflotamiento de la barcaza-grúa se efectuaron para aminorar las pérdidas de bienes, por lo que son resarcibles como pérdidas directas sufridas como consecuencia de la invasión y ocupación de Kuwait por el Iraq. El Grupo también considera que esos gastos se efectuaron de buena fe. Ha ajustado la pérdida reclamada en función de la parte de los costos que considera razonables.

70. Las recomendaciones del Grupo sobre los costos de reanudación de la actividad comercial se resumen en el anexo II.

#### H. Otras pérdidas

71. Diecinueve reclamantes de esta serie presentaron reclamaciones por otras pérdidas por un total de 1.988.391 KD (unos 6.880.246 dólares).

72. Muchas de esas reclamaciones fueron por otras pérdidas que ya había tratado el Grupo en informes anteriores (por ejemplo, reclamaciones por moneda kuwaití invalidada y gastos pagados por adelantado). Las reclamaciones por otras pérdidas ya tratadas en anteriores series de reclamaciones "E4" se examinaron de la manera expuesta en otros informes "E4" (véanse, por ejemplo, el cuarto informe "E4", párrafos 93 y 94, sobre el trato dado a la moneda kuwaití invalidada, y el párrafo 103, sobre los gastos pagados por adelantado).

73. Hamad Al Saleh Al Homaizi Co. afirmó haber sufrido una pérdida relacionada con un contrato que el Grupo reclasificó como otras pérdidas. El reclamante presentó pruebas que indicaban que antes de la invasión y ocupación de Kuwait por el Iraq había pactado con un contratista el diseño y la construcción de un complejo residencial y comercial. Su reclamación se refiere a las sumas que, según afirma, pagó al contratista para hacer un estudio topográfico y preparar un modelo del complejo propuesto. El reclamante afirmó que el contrato fue interrumpido debido a la invasión y ocupación de Kuwait por el Iraq y que no fue finalizado hasta después de la liberación de Kuwait debido a que el reclamante carecía de fondos. El Grupo estima que la pérdida reclamada fue una consecuencia de una decisión comercial independiente adoptada por el reclamante de no continuar la construcción del complejo, por lo que no es resarcible como pérdida directa ocasionada por la invasión y ocupación de Kuwait por el Iraq.

74. Information Office Co. pidió indemnización por pérdidas relacionadas con su inversión en una empresa que grababa y vendía cintas de vídeo. En sus estados financieros, el valor que dio el reclamante a esta inversión era la suma que había invertido originariamente en la empresa en 1979. Las sumas reclamadas por el reclamante respecto de la empresa de las cintas de vídeo superan esa cantidad. Los estados financieros del reclamante revelaron que éste sólo tenía una participación del 50% en la empresa y que había reconocido un pase extraordinario a pérdidas y ganancias en relación con la invasión y ocupación de Kuwait por el Iraq que se refería únicamente a la suma de la inversión original. Al examinar esta reclamación, el Grupo observó que el reclamante no presentó los estados financieros de la empresa de las cintas de vídeo para sustanciar el valor de los bienes de ésta. El Grupo también observó que el reclamante no presentó pruebas que permitieran al Grupo determinar si el reclamante reclamaba únicamente el 50% de su participación en la empresa o si su socio o socios o la propia empresa habían presentado a la Comisión posibles reclamaciones duplicadas. Sobre la base de lo que antecede, el Grupo no recomienda que se indemnicen las pérdidas reclamadas por el reclamante.

75. Food & Agriculture Co. W. L. L. Jassim Abd Al-Aziz Abd Al Wahab Al Katami & Partners afirmó haber sufrido pérdidas en relación con un envío de piensos de un proveedor de la República Popular de China. El reclamante presentó pruebas de que, como resultado directo de la invasión y ocupación de Kuwait por el Iraq, las mercancías no pudieron ser entregadas a Kuwait sino que debieron devolverse al proveedor. En julio de 1991, el banco del reclamante debitó el valor de las mercancías de la cuenta del reclamante. En agosto de 1991, el proveedor informó al reclamante de que reembarcaría las mercancías al reclamante a condición de que éste se hiciera cargo de los gastos de envío. El reclamante indicó que, por ser esos gastos onerosos, no estaba de acuerdo en pagarlos. Las pérdidas reclamadas se refieren al valor de las mercancías. El Grupo estima que puesto que las mercancías no se perdieron sino que estaban en poder del proveedor y que el reclamante decidió no incurrir en gastos adicionales de envío, éste no sufrió una pérdida como resultado directo de la invasión y ocupación de Kuwait por el Iraq. Por consiguiente, el Grupo recomienda que no se otorgue una indemnización por las pérdidas reclamadas.

76. Las recomendaciones del Grupo sobre otras pérdidas se resumen en el anexo II.

## V. OTRAS CUESTIONES

### A. Fechas aplicables al tipo de cambio de monedas y a los intereses

77. Para la determinación de las fechas aplicables al tipo de cambio y a los intereses, el Grupo ha adoptado el mismo criterio que se expone en los párrafos 226 a 233 del primer informe "E4".

### B. Costos de preparación de las reclamaciones

78. El Secretario Ejecutivo de la Comisión ha informado al Grupo de que el Consejo de Administración se propone resolver en su día la cuestión de los costos de preparación de las reclamaciones. En consecuencia, el Grupo no ha formulado recomendación alguna sobre la indemnización de los costos de preparación de las reclamaciones.

## VI. INDEMNIZACIONES RECOMENDADAS

79. Sobre la base de lo que antecede, las indemnizaciones recomendadas por el Grupo para los reclamantes de la 20ª serie de reclamaciones de la categoría "E4" figuran en el anexo I del presente informe. Los principios en que se basan las recomendaciones del Grupo respecto de esta serie se resumen en el anexo II del presente informe. Al haberse redondeado al KD más próximo todas las cantidades, éstas pueden variar en 1 KD respecto de las cantidades enunciadas en el formulario E.
