## I. ПРЕАМБУЛА

Организация Объединенных Наций через посредство СЕФАКТ ООН (Центра Организации Объединенных Наций по упрощению процедур торговли и электронным деловым операциям) поддерживает деятельность, направленную на усиление возможности деловых кругов, торговых и административных организаций в развитых и развивающихся странах и странах с переходной экономикой эффективно обмениваться товарами и соответствующими услугами. Главная задача Центра заключается в том, чтобы облегчить осуществление международных сделок посредством упрощения и согласования процедур и информационных потоков<sup>1</sup>.

В программе работы СЕФАКТ ООН подчеркивается необходимость выработки рекомендаций, направленных на упрощение и согласование текущей практики и процедур, используемых при осуществлении международных сделок. В этом контексте роль Рабочей группы по кодам (РГК) СЕФАКТ ООН состоит в обеспечении высокого качества, актуальности и наличия кодовых наборов и структур кодов для поддержки выполнения задач СЕФАКТ ООН, включая регулирование деятельности по разработке рекомендаций ЕЭК ООН, касающихся кодов. РГК подготовила настоящий пересмотренный вариант перечней кодов, относящихся к рекомендации № 21.

Настоящее издание перечней кодов для рекомендации № 21 развивает и заменяет приложение V и приложение VI, включенные в третье издание рекомендации № 21 (TRADE/CEFACT/2001/21, март 2001 года).
