Letter dated 11 December 1984 from the Permanent Representative of
Afghanistan to the United Nations addressed to the Secretary-General

I have the honour to inform you that the Chargé d'Affaires of the Pakistan Embassy in Kabul was summoned to the Ministry of Foreign Affairs on 9 December 1984 and the following was pointed out to him by the In-Charge of the First Political Department:

"Of late, the Pakistani authorities have claimed that on 26 November and 1 December 1984, Afghan aircraft allegedly violated the airspace of Arando village in the Chitral district and bombed that area. It has also been alleged that on 1 December 1984, Afghan aircraft entered the airspace of Baluchistan Province and returned to Afghanistan.

"While considering the latest allegations of the Pakistani authorities as completely void of reality and basically groundless, the concerned authorities of the Democratic Republic of Afghanistan categorically reject those charges and declare that instead of unleashing such poisonous accusations and fabrications, the Pakistani authorities better put an end to their repeated armed aggressions and hostile provocations against the Democratic Republic of Afghanistan."
