Item 75 (c) of the preliminary list*

Promotion and protection of human rights: human rights situations and reports of special rapporteurs and representatives

Situation of human rights in Somalia

Note by the Secretariat

1. The Human Rights Council, in paragraph 20 of its resolution [45/27](#) on assistance to Somalia in the field of human rights, adopted on 6 October 2020, requested the Independent Expert on the situation of human rights in Somalia to report to the Council at its forty-eighth session and to the General Assembly at its seventy-sixth session.
2. Pursuant to that request, the report of the Independent Expert is contained in document A/HRC/48/80. The report, in which the Independent Expert provides an overview of the human rights situation in Somalia from 1 July 2020 to 30 June 2021 and proposes benchmarks and indicators to monitor progress in the improvement of the situation, is intended to serve also as the report to the General Assembly. The Secretariat therefore has the honour to refer the Assembly to that report.
