Agenda item 67

INTERNATIONAL CO-OPERATION IN DEVELOPING THE  
PEACEFUL USES OF ATOMIC ENERGY: REPORT OF  
THE UNITED STATES OF AMERICA

Financial implications of part B of the draft resolution proposed  
by the First Committee (A/2805)

Twenty-sixth report of the Advisory Committee on Administrative and  
Budgetary Questions to the ninth session of the General Assembly

1. The Advisory Committee on Administrative and Budgetary Questions has considered the statement submitted by the Secretary-General (A/C.5/608) on the financial implications of part B of the draft resolution concerning the international conference on the peaceful uses of atomic energy which the First Committee approved at its 725th meeting on 23 November 1954 (see document A/2805).
2. In paragraph 5 of part B the Secretary-General is requested to provide the necessary staff and services for the conference. The place of the meeting is, however, left for decision to the advisory committee provided for in the same paragraph.
3. In these circumstances, the Secretary-General proposes that expenses connected with the conference should be financed out of the Working Capital Fund as an unforeseen and extraordinary commitment, and that a suitable sub-paragraph (A/C.5/608, paragraph 2) should be inserted in the draft resolution relating to unforeseen and extraordinary expenses<sup>1/</sup>. The Advisory Committee on Administrative and Budgetary Questions concurs in this proposal, on the understanding that an estimate of the costs will in due course be submitted to it.
