Thirty-ninth year

Letter dated 10 August 1984 from the Permanent Representative  
of Afghanistan to the United Nations addressed to the  
Secretary-General

I have the honour to transmit to you copies of some documents that reveal the nature of counter-revolutionary organizations established in Pakistan, together with the issue of Kabul New Times which reproduces those documents.

These documents, which were disclosed in a press conference before the local and foreign journalists and the press attachés of diplomatic missions in Kabul, bear considerable testimony to the fact that United States imperialism, Chinese hegemonism and their reactionary allies in the region are behind the undeclared war against the Democratic Republic of Afghanistan.
