Thirty-ninth year

Letter dated 26 November 1984 from the Permanent Representative
of Afghanistan to the United Nations addressed to the
Secretary-General

I have the honour to inform you that the Chargé d'Affaires of the Pakistan Embassy in Kabul was summoned to the Ministry of Foreign Affairs of the Democratic Republic of Afghanistan in the morning of today, 26 November 1984, and the following was brought to his attention by the In-Charge of the First Political Department:

"Pakistani authorities have recently charged that, on 14 November 1984, some areas in the Khyber Agency have allegedly come under shellings by the armed forces of the Democratic Republic of Afghanistan.

"According to the information from the relevant authorities of the Democratic Republic of Afghanistan, this claim of the Pakistani authorities is totally malicious and void of any truth.

"The Democratic Republic of Afghanistan categorically rejects this false allegation and baseless accusation of the Pakistani authorities and considers it as an attempt at diverting the attention of Pakistani and world public opinion from the repeated aggressions of that country against the Democratic Republic of Afghanistan."

I have further the honour to request Your Excellency to arrange for the circulation of this letter as a document of the General Assembly under agenda items 68, 69, 123, 124 and 129, and of the Security Council.
