Thirty-ninth year

Letter dated 17 December 1984 from the Permanent Representative  
of Afghanistan to the United Nations addressed to the  
Secretary-General

I have the honour to inform you that the Chargé d'affaires of the Pakistan Embassy in Kabul was summoned to the Ministry of Foreign Affairs this afternoon and the following was pointed out to him by the In-charge of the First Political Department:

"Further to their previous accusations, the Pakistani authorities have once again claimed that two Afghan aircraft have allegedly penetrated 15 kilometres into the airspace of that country on 11 December 1984 and dropped bombs and fired rockets at Piwar Pass area near Para Chinar.

"The concerned authorities of the Democratic Republic of Afghanistan consider the recent claim of the Pakistani authorities void of reality and, while emphatically rejecting it, further add that together with escalating and expanding their armed aggressions and provocations against the territory of the Democratic Republic of Afghanistan, the military authorities of Pakistan, in order to widen their hostile and poisonous propaganda against the Democratic Republic of Afghanistan, have exacerbated their malicious charges and allegations in this regard.

"The responsibility for such actions, which will bear no other result but tension and danger in the region, shall totally rest with the concerned Pakistani authorities."

I have further the honour to request Your Excellency to arrange for the circulation of this letter as a document of the General Assembly, under agenda items 68, 69, 123, 124, 129, and 143, and of the Security Council.

(Signed) M. Farid ZARIF  
Ambassador  
Permanent Representative
