Letter dated 20 May 1985 from the Permanent Representative
of Afghanistan to the United Nations addressed to the
Secretary-General

I have the honour to inform you that note verbale No. 204, dated 12 May 1985, the text of which is reproduced below, was handed over on the same date to the Embassy of the Federal Republic of Germany in Kabul:

"The Ministry of Foreign Affairs of the Democratic Republic of Afghanistan, while presenting its compliments to the Embassy of the Federal Republic of Germany in Kabul, wishes to bring to their attention the following:

'According to the received information and the dispatches of the media of the Federal Republic of Germany, it has become clear that a so-called organization from the Federal Republic of Germany named "Society for the Protection of Human Dignity, Liberation and Humanity" has declared that it has set up a short wave radio station called the "Voice of Free Afghanistan" for the purpose of supporting the Afghan counter-revolution.

'According to information, the headquarters of this radio station is located in Pakistan and its programmes are broadcast through smaller radio transmitters.

'This radio station also records audio-cassettes for malicious propaanda in the Democratic Republic of Afghanistan to be used by the handits.

'This matter proves once again that in spite of the repeated complaints of the authorities of the Democratic Republic of Afghanistan, unfortunately the wave of poisonous interference by the Federal Republic of Germany against the Democratic Republic of Afghanistan, not only has not ceased, but its scope has been further widened through this new measure.

'Such subversive action constitutes an open interference in the internal affairs of the Democratic Republic of Afghanistan and is considered as an inseparable part of the undeclared war against the Democratic Republic of Afghanistan.

'The Ministry of Foreign Affairs of the Democratic Republic of Afghanistan lodges its strong complaint in connection with the aforementioned action and hopes that such hostile measures against the Democratic Republic of Afghanistan are terminated as soon as possible.'"

I have further the honour to request Your Excellency to arrange for the circulation of this letter as a document of the General Assembly, under items 72 and 133 of the preliminary list, and of the Security Council.
